Volume 3, Issue 1, July 2013

To be a leading, well recognized institute, focusing on cultural values along with upcoming universal challenges in technological and industrial world, and emphasizing upon applied research and global integration.

To incorporate sustainable technology and research in every aspect of the educational and industrial processes by encouraging innovation, entrepreneurship, competitiveness, transformation and lifelong learning to make a major impact upon global economy through our outstanding graduates, scholars and stakeholders with the dissemination of real time knowledge.

An Invitation to Apply

School of Textile and Design at University of Management & Technology is seeking more than high-achievement students from around the world. School of Textile and Design offers dynamic and prolific programs to all students who want to be a part of textile and fashion design industry. When you are choosing STD- at University of Management & Technology you are choosing to change your life. Your perspective and vision will be extended. Your range of competencies will be widened.

International Conference on Textile & Clothing

We hosted a three days international conference in collaboration with Textile Institute Manchester (TI) UK (Pakistan Chapter) and Society for Dyers and Colorists (SDC) UK (Pakistan Chapter) and MEGATECH at Expo Centre, Lahore to showcase sustainable export products and to look how we can improve our export.

Why School of Textile and Design at UMT?
- STD's academic excellence and innovation
- Facilitating high-level joint ventures and networks including the University of Michigan (USA) and University of Bedfordshire (UK)
- STD attracts students from different countries.
- Excellent library resources.
- Competitive tuition fee.
