

## Library Digital Resources

Following is an e-a-s-y How To for accessing library digital resources.

- 1- Open your internet browser. You can use any browser which you normally use to access internet
- 2- Type the address <https://dr.umt.edu.pk/library>.

**Note: Digital Resources are secure site therefore you must start your address with https://**

- 3- If you are using Internet Explorer following window will appear. Click on “Yes”

Or if you are using Google Chrome following window will appear. Click on “Proceed anyway”

### The site's security certificate is not trusted!

You attempted to reach [dr.umt.edu.pk](https://dr.umt.edu.pk), but the server presented a certificate issued by a company not trusted by your computer's operating system. This may mean that the server has generated credentials, which Google Chrome cannot rely on for identity information, or an attacker may intercept your communications.

You should not proceed, **especially** if you have never seen this warning before for this site.

- 4- Type your username and password in the required fields. User name used here is your domain user name ( Employee code or Participant ID) which is used to access your computer in the campus

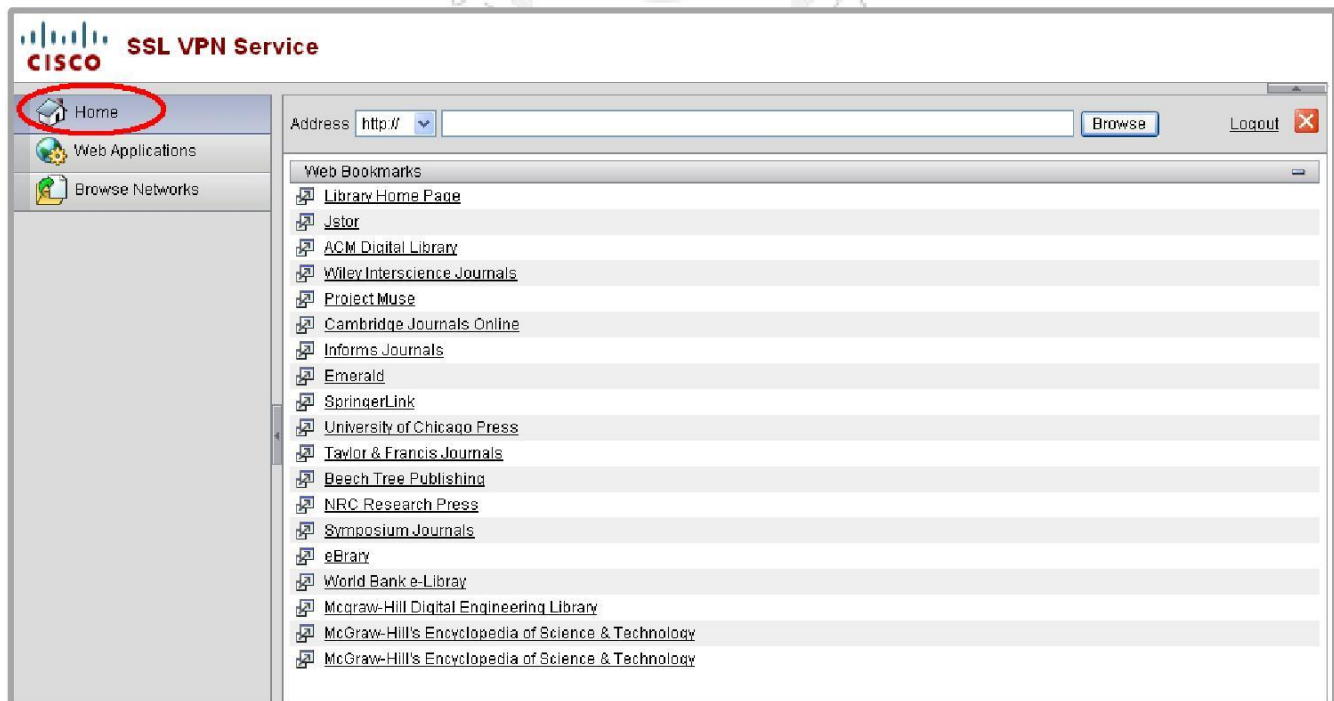

A screenshot of a login window titled "Login". The window contains the text "Please enter your username and password." Below this text are two input fields: "USERNAME:" with the value "user-id" and "PASSWORD:" with a masked password of 12 dots. A "Login" button is located below the password field and is circled in red.

- 5- A Message window appears with a message "Library Group" Click Continue to close the window:

- 6- List of all available resources appears, you can click any link to access corresponding resource :

A screenshot of the Cisco SSL VPN Service interface. The interface is titled "CISCO SSL VPN Service" and features a navigation menu on the left with "Home" circled in red. The main content area displays a list of web bookmarks under the heading "Web Bookmarks". The list includes links to various digital resources such as Libraw Home Page, Jstor, ACM Digital Library, Wiley Interscience Journals, Project Muse, Cambridge Journals Online, Informa Journals, Emerald, SpringerLink, University of Chicago Press, Taylor & Francis Journals, Beech Tree Publishing, NRC Research Press, Symposium Journals, eBray, World Bank e-Library, McGraw-Hill Digital Engineering Library, and McGraw-Hill's Encyclopedia of Science & Technology. The interface also includes a "Logout" button in the top right corner.

**Note: If any link in the list is not working due to any reason you can access Library Digital resources page by selecting first option in the list.**

7- To quit from system, click Logout on the top right corner for the home window:

If you experience difficulties using any of the online databases available in the Library please contact: [library@umt.edu.pk](mailto:library@umt.edu.pk) Ext: 3565 & 3562.
