Annual Iftar Dinner at UMT For LRC Staff

Learning Resource Centre (LRC) hosts Iftar dinner for LRC staff every year in UMT library and invite the guest of honor a renowned personality related to the profession of librarianship.

Following the same tradition, this year LRC arranged Iftar dinner on 18th of Ramadan and invited Dr Khalid Mehmood (Deanship of library, University of Dammam, KSA) Dr. M. Rafiq and Dr Shafiq-ur- Rehman from University of Punjab Lahore and Dr Imrana Mushtaq with her daughter Fatima.

Chief Library Officer Mr Rafiq Awan welcomed the guests and Assitant Mammager Coordination Miss Samina Shaheen introduced the LRC staff with guests.

Dr Khalid Mehmood shared his professional experiences in Saudia Arbia with the house and exchange the ideas.

Iftar dinners recognize the sacredness of Ramadan to Muslims around the world. It's a time when Muslims recommit themselves to their faith, following

days of discipline with nights of gratitude for the gifts that God bestows.

It's a time of spiritual renewal and a reminder of one's duty to our fellow man -- to serve one another and lift up the less fortunate. The Quran teaches that God's children should tread gently upon the earth and, when confronted by ignorance, reply "peace." In honoring these familiar values together -- of peace and charity and forgiveness.

Workshop on "Developing Effective Research Proposal"

Dr. Khalid Mehmood

*Professor, Deanship of
Library Affairs University of
Dammam Kingdom of
Saudi Arabia*

Learning Resources Center organized an one day workshop on "Developing Effective Research Proposal" for UMT community on Wednesday Aug 12, 2015 at Board Room UMT.

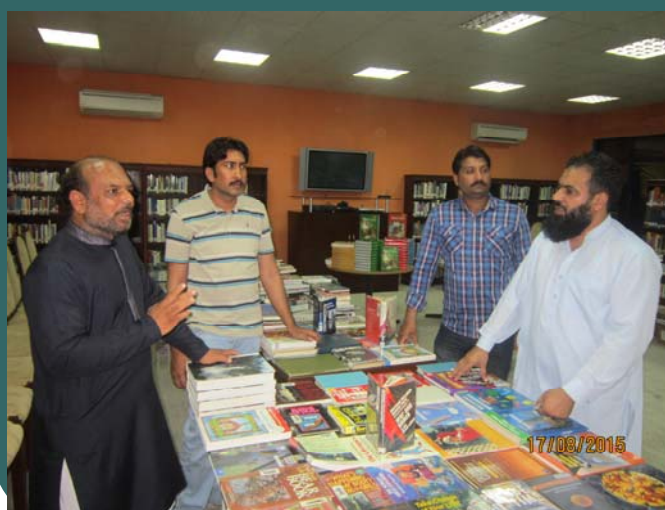

The purpose of this workshop was to build participant's understanding the principles of effective research proposals and approaches to yield the anticipate results. It also aimed at extending help to the research enthusiasts to make them aware of the key components involve in developing effective research proposals in unambiguous, structured and determined way.

Prof. Dr. Khalid Mehmood Professor, Deanship of library affairs, University of Dammam (KSA) resource person of the workshop, shed light on research objectives and how hypothesis could be articulated.

He also shared the conceptual framework to incorporate existing practices and techniques in developing new approaches. Moreover, the main objective of the seminar was to inculcate understanding of how the research proposal can reflect potential competence of individuals and add worth to the undertaken project.

Recreational Trip of LRC Staff to Northern Areas and visit to the Libraries of Peshawar Universities

University library spaces are often distinguished by their comfortable and cozy decors, which sometimes make them a favorite place for users who are avid readers. Any space is a candidate for a library design; however, Halls that have a maximum amount of available wall space are best. university library decors do not have to be complex to be attractive. By incorporating a few simple decorating elements, a beautiful library is possible to enjoy for years to come.

Hall of Learning Resource Centre (LRC) located in one of the UMT buildings basically designed to be a social center. Over last two years, the building has undergone modern changes and has many departments in it. The key roll of LRC Hall is to provide facilities and services to students and University departments.

The interior of the library is most important and has remained intact in modern way. With time their versatility has grown as well the hall is decorated with precious chandelier in last month which make the library beautiful and attractive. This change is wonderful.
