

Talks for Good: Online Learning in Higher Education

Video Link: <https://www.youtube.com/watch?v=qRP3uxVqgIE>

Walden University's Talks for Good on "Online Learning in Higher Education" featured The EdUp Experience Podcast Co-host Elizabeth Leiba as moderator and panellists Walden President Dr. Ward Ulmer, Marymount University President Dr. Irma Becerra, and Kentucky State University President Dr. M. Christopher Brown II. As the COVID-19 pandemic has rapidly changed the way students are learning around the world, the group discussed the challenges, benefits, and future of online learning in higher education.
