

## **Policy for SBE Alumni**

SBE shall establish and sustain the mutually beneficial liaison between SBE and its Alumni to encourage enduring engagement for learning. SBE through its Alumni will promote its brand in academia and industry by enhancing corporate association, sharing professional opportunities and exchanging innovative ideas for the betterment of UMT community and society.

The following shall be followed in compliance to subject policy:

- For the learning and grooming of SBE students, SBE academic departments shall hold different activities including; guest speaker sessions, seminars, trainings, industrial trips, and workshops with involvement of SBE Alumni.
- Alumni shall be engaged to maintain strong association in industry through signing MoUs, involving industry experts for input in curriculum, and providing opportunities to existing students for industry exposure.
- SBE shall highlight its Alumni's achievements and profiles through digital and print media platforms in order to promote its brand.
- SBE shall share new job opportunities with Alumni to help them obtain excellent career opportunities. Alumni shall also share career opportunities with SBE to support graduating students.
- SBE Alumni directory shall be maintained by SBE Office of Career Services.
- SBE shall provide a platform to its Alumni to meet up with other professionals in order to exchange their innovative ideas and engage in collaborative activities.
