

Policy Guidelines to Register for Minor Courses

What are Minor Courses?

A minor is a secondary subject that complements the major area. It is optional and considered as a secondary concentration of courses that is in addition to the regular degree program (major).

A student can register a minor of his/her choice from the list of courses offered by the Schools/Institutes as per the University policy.

Who Can Register for Minor Courses?

A Students may choose/register for a Minor after successful completion of four semesters.

The minimum CGPA required for opting a Minor is 3.00 CGPA for Undergraduate degree programs.

The minor courses can be registered by the students of undergraduate programs.

A special provision will be created in ERP for all the students having CGPA 3.00 & above can register up to 21 credit hours opting for minors.

Where possible (without clash of timetable and seat availability in the class), students opting for Minors will be allowed to attend with the regular classes of the relevant subject.

Courses with labs, if essential, be modified and lab portions are appropriately adjusted in projects and home assignments.

Minors may also be offered in Summer Semester, if the resources permit.

Students will be facilitated to take Minor subjects in a semester by extending the maximum limit of CHs from 18 to 21.
