UMT

Department of Mathematics
School of Science

2nd International Symposium on Recent Trends in Mathematical Analysis with Applications

Topics: Fixed Point, Optimization and Approximation Theories, Support Vector Machines, Applications in AI and Data Science

👤 Keynote Invited Speakers 👤

Prof. Dr. Mujahid Abbas
Extraordinary Professor
University of Pretoria,
South Africa

Prof. Dr. Talat Nazir,
University of South Africa (UNISA),
South Africa

Dr. Muhammad Aamir Ali,
Nanjing Normal University, China

Dr. Rizwan Anjum,
University of Education,
Jauharabad, Pakistan

Chief Organizer:
Prof. Dr. Sammia Shahid
Dean School of Science, UMT, Lahore

Principal Organizers:
Dr. Muhammad Javaid
Chairman, Department of Mathematics

Dr. Basit Ali
Department of Mathematics

Convener:
Dr. Naeem Saleem

Secretary
Dr. Ghulam Murtaza

Organizing Committee
Dr. Muhammad Kamran Aslam
Muzzammil Ali (PhD Student)
Khaleel Ahmad (PhD Student)
Hammad Ali (MS Student)

Linked SDG Goal

4 Quality Education and Learning Oppurtunities

Venue
Saleem Asghar Hall,
UMT, Lahore

Time
9:30 am to 2:00 pm

Wednesday
12th June, 2024
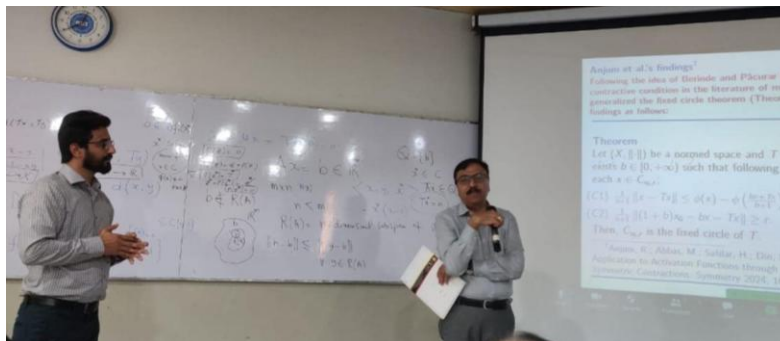

Registration Link (Registration is Free)
