

# THA Newsletter (November, 2018)

SATHA chapter is currently organizing 4th Invention to Innovation Summit KP, 2018 on 22 and 23 November, 2018. It's an annual event to exhibit industry driven ideas, products and technologies. It provides a great opportunity to network with innovation leaders, find commercial partners, promote technology and link your ideas to stakeholders. The Summit has country wide coverage as organized in four provinces of Pakistan every year. The summit is organized jointly by three helix actors and by design creates a sense of collaboration in the society for science, technology and innovation.
