UMT Hosts Dialogue on Strategic Water Reforms

Message by

Ibrahim Hasan Murad

Chairman ILM Trust and UMT Board of Governors,
President UMT

It brings me immense pride to see the inaugural edition of this newsletter and to witness the outstanding work accomplished by UMT, its exceptional schools, its dedicated faculty, and its engaged participants over the past months. As I turn through its pages, I am reassured of a brighter future in which our youth recognize that meaningful change begins with oneself.

By providing students with opportunities to participate in a wide range of co-curricular and extracurricular activities, UMT ensures that each participant contributes to the global vision of building societies grounded in equality and empathy, sustainability in action, and integrity as a guiding principle.

AAQIC, a vital beacon guiding our growth, continually reviews and enhances our teaching, programs, and academic environment. Our vision is to establish UMT as a center of academic excellence and societal impact. Through faculty development, curriculum innovation, and meaningful partnerships, we equip our graduates to lead with knowledge, skill, and purpose. Together, we move forward toward a future defined by growth, distinction, and excellence.

Message by

Dr Asif Raza

Rector UMT

AAQIC plays a strategic role in guiding UMT's journey toward academic distinction and institutional resilience. The department serves as a key mentor, helping us translate aspirations into structured goals and measurable outcomes. This newsletter reflects the impact that UMT and its affiliated schools are making in advancing sustainability, equality, and social leadership, building a future that is shared and far better than today. By embedding a spirit of social learning within the academic ecosystem, we cultivate an environment where creativity, leadership, and excellence converge to empower the next generation of changemakers.

Security Dynamics of South Asia: Emerging Challenges and Strategic Responses

UMT recently organized a session focusing on the contemporary security situation of South Asia. The session featured an insightful lecture by Lt. Gen. Muhammad Saeed (Retd.), Chairman of the Water and Power Development Authority (WAPDA). During his address, Lt. Gen. Saeed highlighted how the security dynamics of South Asia have undergone a significant transformation, fundamentally reshaped the traditional security environment and presented new challenges to regional stability. Drawing on his extensive military and strategic experience, he offered a comprehensive overview of Pakistan's security policies, placing them within their historical context.

He reflected on past conflicts and examined their long-term implications for national defense strategies, emphasizing the critical importance of learning from these experiences to guide present and future security planning.

Overall, the lecture provided valuable insights into the complex and multidimensional security challenges facing Pakistan and the broader South Asian region. By integrating historical analysis with forward-looking strategic perspectives, the session enhanced understanding of the evolving security environment and underscored the policy measures necessary to ensure long-term regional stability.

GLOBALLY ACCLAIMED EDUCATIONAL LEADERSHIP

UMT takes great pride in being shortlisted for the **Leadership and Management Team of the Year** Times Higher Education Awards Asia 2025, widely known as the 'Oscars of Higher Education'.

We are humbled by this recognition of UMT's continued efforts to attain excellence in thought and knowledge leadership, research and innovation, professional development, and increasing access to quality higher education.

UMT Represents Pakistan at Made in Pakistan Executive Leadership Summit, UK

The University of Management and Technology (UMT) proudly represented Pakistan at the Made in Pakistan Executive Leadership Summit & Awards, held from May 19-23, 2025, across Manchester, Birmingham, and London. Dr. Shahnila Tariq, Associate Professor of Clinical Psychology, represented UMT at the international forum, engaging with key stakeholders to promote academic collaboration and global partnerships. As part of the summit activities, Dr. Shahnila participated in high-level meetings at the Pakistan Consulate in Manchester, the Pakistan High Commission in London, and the UK Parliament. Productive discussions were also held with the Pakistan Britain Business Council and ZANS Consultants, focusing on student guidance, international exposure, and future academic exchange initiatives.

Pakistan-China Bilateral Relations in the Evolving Geopolitics of South Asia

Pakistan-China relations continue to strengthen amid South Asia's changing geopolitical landscape, with education and strategic cooperation playing a central role. President UMT Ibrahim Hasan Murad welcomed Mr. Zhao Shiren Senior Chinese diplomat, at UMT. On this occasion, President UMT highlighted UMT's position as the leading host of Chinese exchange students in Pakistan. Discussions focused on expanding collaboration in IT, research, and higher education. Mr. Zhao expressed a strong interest in deepening partnerships between Chinese universities and UMT. The university's global outlook, diverse student body, promotion of Chinese language and culture, and active student engagement in a concluding Q&A session underscored the growing role of academic diplomacy in Pakistan-China relations.

10th UMT Budget Summit: Charting a Sustainable Economic Future

The University of Management and Technology (UMT) successfully organized its 10th Budget Summit for the fiscal year 2025-26 under the theme “Towards a Sustainable Economic Future.” Federal Minister for Planning, Development and Special Initiatives Ahsan Iqbal Chaudhary attended as the chief guest.

The summit featured leading economists and policymakers, including Dr. Salman Shah, Lt. Gen (R) Javed Hasan, Dr. Asif Raza Rector UMT, Shabbar Zaidi, and Ahmad Abdullah Director General UMT, alongside students and professionals. Discussions focused on fiscal challenges, tax reforms, industrial policy, and financial stability, emphasizing the role of higher education, youth engagement, and policy continuity in achieving sustainable economic development.

UMT Hosts Dialogue on Strategic Water Reforms with Stakeholders

The University of Management and Technology (UMT) organized a special dialogue on the Indus Waters Treaty. The event aimed to discuss the current situation, challenges, & implications for regional peace and security in light of India’s violations of the international treaty and to explore possible solutions. The Chief Guest of this significant event was Punjab Assembly Speaker Malik Muhammad Ahmad Khan, who presided over the panel discussion and spoke in detail about India’s breaches of the treaty.

Malik Muhammad Ahmad shared that India’s aggression has targeted innocent women, children, and mosques, which is a direct attack on Pakistan’s sovereignty. He emphasized that Pakistan has both the capable forces and diplomatic tools needed to raise these issues on the international stage, reaffirming that Pakistan is a peace-loving nation. He warned that escalating water disputes between two nuclear-armed countries like India and Pakistan could lead to devastating consequences for the region. The resolution was signed by Speaker Malik Muhammad Ahmad Khan, UMT President Ibrahim Hasan Murad, Suhail Warraich Professor of Practice, Lt Gen (R) Javed Hassan, Ahmer Bilal Soofi, and other participants.

Delegation from Ajman University Visits UMT to Strengthen Academic Collaboration

A delegation from Ajman University led by Prof Mustahsan Mir, Vice Chancellor for Institutional Planning and Effectiveness, visited the University of Management and Technology (UMT), where they met with UMT officials including Dr Asghar Zaidi - Provost, Director AAQIC, Dean Research, Dean School of Pharmacy, Dean School of Food and Agricultural Sciences, Director Planning and Development. The visit proved highly productive, fostering meaningful discussions on enhancing institutional collaboration.

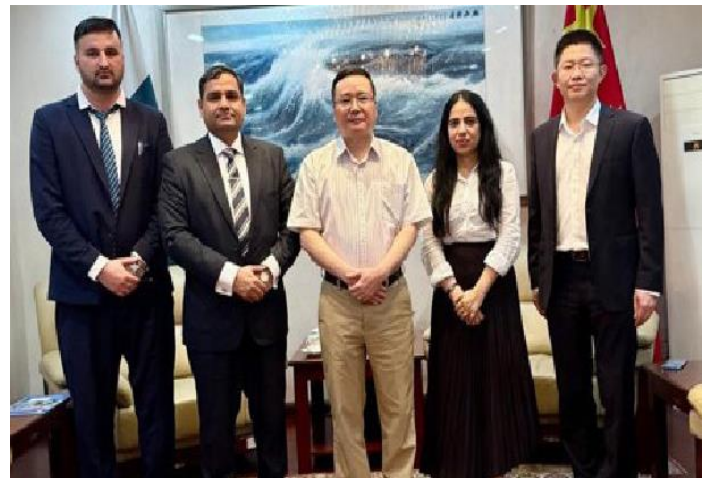

جامعة عجمان
AJMAN UNIVERSITY

Both universities expressed a strong commitment to exchanging best practices, promoting academic excellence, and creating valuable learning and professional development opportunities for faculty and staff. This engagement marks an important step toward strengthening international partnerships and establishing a framework for continued cooperation between UMT and Ajman University.

UMT Delegation Meets Chinese Consulate General to Explore Academic Collaboration

A delegation from the Department of Political Science and International Relations (DPSIR), University of Management and Technology (UMT), led by Chairman Dr Muhammad Usman Askari, visited the Chinese Consulate in Lahore for a strategic meeting with the Chinese Consul General to explore avenues for enhanced academic cooperation and bilateral engagement. The meeting focused on strengthening educational and institutional ties between DPSIR and Chinese academic and diplomatic institutions. Key areas of discussion included Chinese Government Scholarships for DPSIR students, aimed at facilitating higher education opportunities in China, and the proposal for a Consul General Scholarship worth Rs. 1 million annually to support outstanding students from the department.

Asif Saeed Haider, Director AAQIC, Attended THE World Academic Summit 2025 in KAUST, Jeddah

October 07, 2025 - The Times Higher Education (THE) World Academic Summit 2025 was hosted in partnership with King Abdullah University of Science and Technology (KAUST), Saudi Arabia. The summit brought together global higher education leaders to explore the theme “Universities as Agents of Progress.” The program was inaugurated by KAUST President Professor Sir Edward Byrne and THE Chief Global Affairs Officer Phil Baty, who highlighted how universities can align and evolve to address shared global challenges and prepare future generations for a rapidly changing world. Asif Saeed Haider, Director of the Accreditations and Academic Quality Improvement Cell (AAQIC) at the University of Management and Technology (UMT), attended the summit, representing UMT’s strong commitment to academic excellence, quality enhancement, and global engagement. His participation reaffirmed UMT’s proactive approach toward aligning with international best practices and strengthening its presence within the global higher education landscape.

UI GreenMetric World University Ranking International Conference at Sialkot 17-18 September, 2025

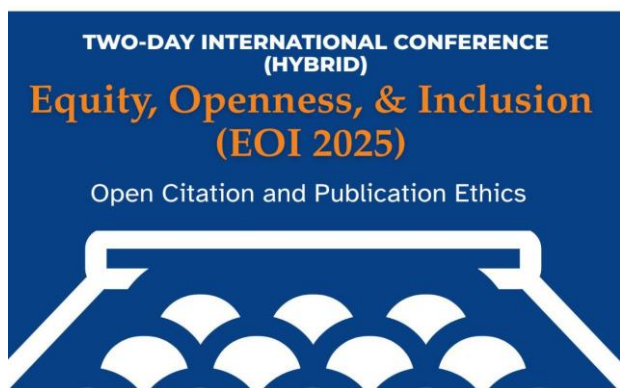

Asif Saeed Haider, Director AAQIC, was honored to participate as a panelist at the National Workshop on UI GreenMetric World University Rankings, held at Grand Asian University, Sialkot (17-18 September 2025). The workshop brought together higher education leaders from across Pakistan. The event provided a platform to share experiences, innovative strategies, and collaborative opportunities to enhance campus sustainability. Keynote speeches highlighted best practices in energy management, waste reduction, water conservation, and sustainable infrastructure, inspiring universities to embed sustainability into their core academic and operational priorities. Dr. Vishnu Juwono, Chairman of UI GreenMetric, Universitas Indonesia, explained the ranking methodology on benchmarking sustainability performance and distributed certificates to the panelists.

1st International Conference on Emerging Trends in Engineering, organized by the School of Engineering, UMT

A one-day conference on Robotics, Artificial Intelligence, and Emerging Technologies across Mechanical, Electrical, Civil, and Computer Engineering was held at Saleem Asghar Hall, University of Management and Technology (UMT), Lahore, on Thursday, 06 November 2025. The conference commenced with the inauguration ceremony followed by an address by the Rector UMT Dr Asif Raza. The event brought together distinguished speakers, researchers, and industry professionals to discuss innovations in robotics and intelligent systems, digital twins and additive manufacturing, smart grids and power electronics, BIM and GIS-enabled digital construction, and secure computing. The conference also highlighted pathways for indigenous technology development and strengthened academic-industry collaboration through knowledge exchange and professional networking.

Two-Day International Conference (Hybrid) on EOI 2025

The UMT's Knowledge and Research Support Services (KRSS) hosted a two-day International Conference (Hybrid) on Equity, Openness & Inclusion (EOI-2025) on 14-15 November 2025. The conference brought together academics, researchers, and professionals to discuss inclusive knowledge practices and promote equitable and open research environments. Prof. Dr M. Subhani Director ORIC at Iqra University Karachi, attended as distinguished guest.

UMT Participates in 5th International Conference of PNQAHE 2025

The Accreditation and Academic Quality Improvement Cell (AAQIC) represented the University of Management and Technology (UMT) at the 5th Pakistan Network of Quality Assurance in Higher Education (PNQAHE) International Conference, hosted by Forman Christian College University, Lahore. Centered on the theme “*Stakeholder Engagement in Quality Assurance*,” the conference emphasized the importance of integrating diverse stakeholder perspectives to shape the future of higher education.

The UMT delegation, led by Director AAQIC, Asif Saeed Haider, actively engaged with national and international quality assurance leaders and experts, exchanging insights and exploring best practices in QA frameworks and accreditation. The insights gained from the conference will directly contribute to strengthening accreditation processes and fostering a robust quality culture at UMT. During the opening session, President PNQAHE, Dr. Zia-ul-Haq, presented an overview of the Network’s journey and introduced the PNQAHE Executive Body. Rector FCCU, Dr. Jonathan S. Addleton, highlighted the relevance of the sub-themes of PNQAHE’s upcoming conference, noting that they reflect global quality assurance standards and provide an excellent platform for meaningful stakeholder engagement. The conference was attended by a large number of Vice Chancellors, Directors of Quality Enhancement Cells, Deans, and senior academic leaders from public and private sector universities across Pakistan, making it a significant forum for dialogue and collaboration in higher education quality assurance.

Panel Discussion - Investment in Agriculture Under Phase II

UMT’s Office of Research, Innovation and Commercialization (ORIC), in collaboration with Beaconhouse National University (BNU), hosted a strategic panel discussion on “Investment in Agriculture under CPEC Phase II.” The forum brought together policymakers, industry leaders, and academic experts to formulate actionable strategies for boosting Pakistan’s agricultural exports and productivity through CPEC-led opportunities. Expertly moderated by Ambassador Mansoor Ahmad Khan (BNU) and Abid H. K. Shirwani, Chief Advisor on Innovation (UMT), the discussion featured insights from prominent voices, including Dr. Shujaat Ali, Syed Nasir Ali Shah, Dr. Allah Bakhsh, and international representative Peter Huang Pei. UMT faculty and researchers from various schools and ORIC actively contributed, underscoring the university’s role in connecting impactful research to national economic priorities.

International Conference on Artificial Intelligence and Computer-Assisted Language Learning

The School of Liberal Arts (SLA) proudly represented the University of Management and Technology (UMT) at the 1st International Conference on Artificial Intelligence and Computer-Assisted Language Learning (AI-CALL), held on April 19-20, 2025. PhD scholar Khalid Mehmood was featured as a speaker at the conference, where he presented UMT's innovative approach to integrating artificial intelligence with language learning. His presentation highlighted SLA's commitment to advancing future-ready education through technology-driven research and interdisciplinary collaboration. The two-day international event brought together leading scholars and practitioners from the fields of academia, artificial intelligence, and linguistics, including senior representatives from the Higher Education Commission (HEC).

AI Ready University

University of Management and Technology (UMT) hosted a high-level panel discussion on “AI Ready University” moderated by Provost Prof. Dr Asghar Zaidi.

The event brought together over 100 academic leaders, including Deans, Directors, and faculty members, to explore how universities can strategically prepare for the digital transformation driven by artificial intelligence. Distinguished panelists Dr Atif Alvi Dean School of Systems and Technology, Dr Yazdani Dean Hasan Murad School of Management, and Dr Shoaib shared key perspectives on integrating Artificial Intelligence into governance, curriculum design, and institutional leadership. The discussion marked a significant step toward shaping UMT's vision for AI integration and digital innovation in higher education.

MoU signed with Pakistan Research Center for a Community with Shared Future

The Department of Political Science and International Relations (DPSIR), University of Management and Technology (UMT), signed a Memorandum of Understanding (MoU) with the Pakistan Research Center for a Community with Shared Future (PRCCSF), Islamabad, to enhance collaboration in research and academic exchange.

PRCCSF was represented by Chairman DPSIR Dr. Muhammad Usman Askari, along with Dr. Saddaf Sultaana, Assistant Professor, and Muhammad Hasnain from DPSIR. The partnership aims to foster joint research initiatives, scholarly collaboration, and effective knowledge sharing between the two institutions. During the discussions, both sides also explored plans for a Fellowship Program at the Communication University of China, which will offer UMT students valuable opportunities for international exposure and meaningful academic enrichment.

Virtual Session - Understanding the Western Research Paradigm

The School of Liberal Arts (SLA), University of Management and Technology (UMT), organized a virtual academic session titled “Understanding the Western Research Paradigm” on May 7, 2025. The session was led by Dr. Nadia Anwar, Dean SLA, and featured distinguished international experts Dr. Woden Teachout (Harvard University) and Dr. Bologna, an academic editor and writing specialist.

The discussion focused on core elements of Western research traditions, including epistemology, theory, and methodology, while offering comparative perspectives on global research practices. Participants gained valuable insights into strengthening scholarly rigor and aligning research with international academic standards. The event was attended by postgraduate researchers, faculty members, and academic coordinators from various SLA departments and aimed to enhance research literacy, methodological understanding, and global academic engagement.

Youm-e-Tashakur: Honoring the Spirit of Togetherness and Gratitude

University of Management and Technology (UMT) observed Youm-e-Tashakur to express gratitude for the success of Operation Bunyan-ul-Marsous and to honour the valor and sacrifices of Pakistan's Armed Forces.

The ceremony was held with great enthusiasm and was attended by a large gathering, including the Rector, Deans, Provost, Director General, Chairpersons and senior officials from University Management. In his address, Dr Asif Raza - Rector thanked Allah Almighty for granting success to the nation in defeating the malicious intentions of the enemy. He expressed immense pride in the armed forces, especially in the brave martyrs who laid down their lives for the country's defense. He emphasized the need for national unity, urging the entire nation to stand as one to counter any future threats.

The ceremony began with a flag hoisting by the Rector, followed by a special prayer (dua) for the country's peace and prosperity. The event served as a powerful reminder of the sacrifices made by our forces and the collective strength of a united Pakistan.

Talk on Pakistan-U.S. Relations

The Pakistan's Ambassador United States Rizwan Saeed Sheikh delivered an insightful address at the University of Management and Technology (UMT), where he discussed the evolving dynamics of Pakistan-United States relations. His remarks focused on key areas including security, counterterrorism, economic cooperation, and the strategic significance of Pakistan's geographic position in the region.

The Ambassador also highlighted the growing potential for collaboration in technology, agriculture, and education as avenues to further strengthen bilateral ties. Chairman & President UMT, Ibrahim Hasan Murad, expressed optimism regarding the prospects of enhanced Pakistan-U.S. relations under the new U.S. administration and reaffirmed UMT's commitment to facilitating meaningful academic and policy dialogues that contribute to global understanding and cooperation.

MoU Signed with ADR Initiative and QA UK

The School of Law and Policy (SLP), University of Management and Technology (UMT), signed a Memorandum of Understanding (MoU) with the ADR Initiative and QA UK on April 8, 2025, marking a significant step toward strengthening practical legal education at UMT. Under this collaboration, Foundation Mediation Training will be introduced on campus, providing students and faculty with hands-on, globally aligned learning opportunities in alternative dispute resolution. The initiative aims to enhance professional competencies and align legal training with international best practices.

Guest Lecture - Artificial Intelligence in Chemistry

The Center for Teaching and Learning (CTL), University of Management and Technology (UMT), hosted an insightful lecture titled “Artificial Intelligence in Chemistry” on May 19, 2025.

The session was delivered by Prof. Dr. Imtiaz Shafique, Director of the Skill Development Center, University of the Punjab, and was attended by large number of students from the School of Sciences. The lecture highlighted the transformative role of artificial intelligence in molecular design, predictive analysis, and advanced chemical research. The discussion expanded students’ understanding of AI-driven applications in the chemical sciences and underscored emerging opportunities for interdisciplinary research and innovation, aligning scientific inquiry with evolving technological advancements.

Enhancing Thinking Skills for 21st Century Learners

The University of Management and Technology (UMT) successfully conducted a session on “Enhancing Thinking Skills for 21st Century Learners”, led by renowned educationist Prof. Dr. Nasir Mahmood (Vice Chancellor, AIU). Attended by large number of senior academic leaders including Deans, management staff, Professors, Chairpersons, the session focused on developing critical and creative thinking strategies to enrich classroom instruction. The workshop reinforced UMT’s commitment to learner-centered pedagogy aligned with global education standards.

Women Entrepreneurship

Dr. Naveeda Noreen, Chairperson of the Department of Sociology, UMT, participated as a guest speaker at an event hosted by Growing Women, Alkhidmat Foundation, and partner organizations. She shared thought-provoking insights on social dynamics and women's entrepreneurship, highlighting how social structures can empower female leadership. The session inspired young women to embrace entrepreneurial roles and engage meaningfully in today's evolving socio-economic landscape.

International Happiness Day

On March 20, 2025, coinciding with International Happiness Day, the University of Management and Technology (UMT) School of Professional Psychology (SPP), in collaboration with the Pakistan Psychological Association and the Rekhi Foundation, successfully hosted a meaningful event. The program featured a series of insightful talks, and heartfelt congratulations extended to Dr. Haziq, Dean SPP and the entire team for organizing such a positive and impactful session that truly spread happiness among the attendees. The event also included impressive stalls, which further enriched the overall atmosphere of joy, engagement, and positivity.

University of Wah Delegation Visit to UMT

A delegation from the University of Wah (UOW), led by its Honorable Prof. Dr. Jameel-Un Nabi Vice Chancellor, University of Wah, visited the University of Management and Technology (UMT) on Tuesday, September 02, 2025. The Worthy Rector, UMT, Dr Asif Raza warmly welcomed the delegation. The visit served as a valuable platform to exchange ideas, share experiences, and strengthen academic ties between the two Higher Education Institutions (HEIs). On this occasion, the Directors ORICs and Director QECs of both institutions and the Deans of the Schools of Management met to share best practices in their respective domains. The delegation also toured key campus facilities, including the Information processing Center, Library, and state-of-the-art laboratories.

International Women's Day

The Department of Sociology, University of Management and Technology (UMT), organized a seminar in celebration of International Women's Day, in collaboration with the Center for Social Development, Association of Environment and Health Development, Sudhaar, and Zindagi Ki Roti Foundation.

The seminar aimed to promote gender equality and women's empowerment by encouraging meaningful dialogue, awareness, and collective action among participants. Discussions focused on social inclusion, community engagement, and strategies to advance women's rights and wellbeing. The event reaffirmed UMT's continued commitment to inclusive development and its role in supporting initiatives that contribute to the empowerment of women and the broader advancement of society.
