Prof Dr Hasan Sohaib Murad

(Shaheed Rahimahullah)

The Era of Excellence

(1959- 2018)

A Legacy of Knowledge Advancement

Professor Dr. Hasan Sohaib Murad was a scholar par excellence, with a passionate interest in Muslim renaissance, the development of Pakistan and its youth, and the transformation of management education standards in Pakistan.

He set up UMT with a specific aim to provide better managers to the developing industrial and business sectors of Pakistan and made sure that he did just that. He artfully infused revered principles of Islam into the curriculum, ensuring that the leadership he prepared for the business world was in tune with its spiritual self as well.

Dr. Hasan played a pivotal role in redefining management education in Pakistan during his roles at the National Business Education Accreditation Council and the Association for Academic Quality.

Dr. Hasan authored numerous books on faith, management and education, and played a key role in various policy initiatives.

He was an educationist who believed in the potential of Pakistan's youth and ensured that they had the right opportunities to attain their potential. Surely, he has left an indelible mark on the education sector of Pakistan.

35+ Years of Leadership

UMT

Success Timeline

1990-2026

VISION

Learning

It defines our existence, inspires all stakeholders associated with us, creates a powerful momentum inside, and responds to the challenges outside. It continues to evolve as present captures new realities and foresight unfolds new possibilities. All in an incessant attempt to help individuals and organizations discover their God-given potentials to achieve Ultimate Success by attaining the highest standards of efficiency, effectiveness, excellence, equity, trusteeship and sustainable development of global human society.

MISSION

Leading

We aspire to become a learning institution and evolve as the leading community for the purpose of integrated development of the society by actualizing strategic partnership with stakeholders, harnessing leadership, generating useful knowledge, fostering enduring values, and projecting sustainable technologies and practices.

OBJECTIVE

Creating a Real-World Impact

Creating a real-world impact by solving issues through our research, learning and leadership.

STRATEGY

Transforming Learners into Leaders

Our forte is blending management expertise with technological excellence to fuel success in a fast-changing world.

ACCOMPLISHMENTS

Global Accolade

UMT was featured in "Fortune Magazine" September 2016 edition, *PAKISTAN: Vibrant Growth Entices FDI*.

UMT was named a university **"at the forefront of Pakistan's higher-education sector"**. UMT founder and then rector Dr Hasan Sohaib Murad, told Fortune, "UMT is a manifestation of what is possible and what is needed in Pakistan."

COMMITTED TO QUALITY EDUCATION

UMT is a game changer in Pakistan's higher education milieu which exemplifies how the varsity stands true to its commitment of providing affordable and top quality higher education for all.

21st Century Skills and Courses

Understanding of emerging technologies, changing dynamics of business and communication, and tech savviness.

A UMT education goes beyond academics to inspire a 360° transformation in each participant. Our holistic approach nurtures intellectual growth, personal development, professional excellence, and spiritual enrichment, empowering students to thrive in all dimensions of life in the future.

The UMT CO-OP (Cooperative Education) Program seamlessly integrates classroom learning with real-world experience, transforming students into talented, work-ready professionals. Students are assisted in securing important internships and other work opportunities during their education, helping them gain access to stepping stones that lead to rewarding careers. As a unique three-way partnership between UMT, students, and industry, CO-OP helps graduates gain a crucial competitive edge.

Credit Hours: 6

Duration: 4 Months

Fulltime (Monday to Friday)

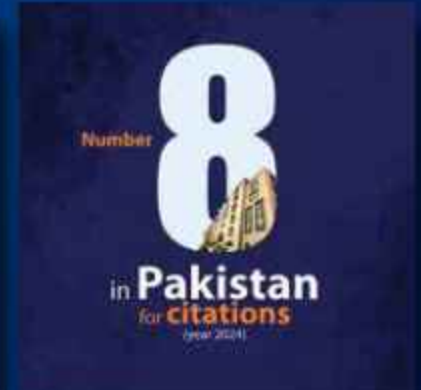

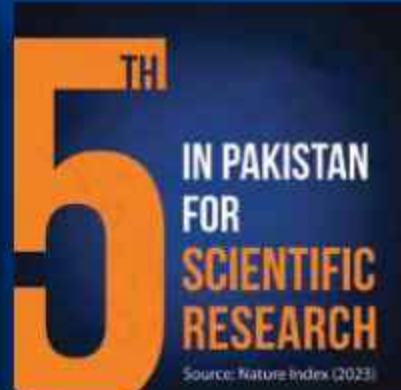

HPL is an exceptional initiative designed to equip high achievers with the skills, confidence, and professional edge needed to stand out as top-tier candidates in the competitive job market. The league ensures that high potential candidates are connected with the right opportunities and businesses to kickstart their journey to success.

The program is a pioneering initiative that fosters dynamic industry-academia linkages, empowering faculty to build professional relationships with industry leaders. Exposure to real-world work environment helps the faculty understand the latest challenges at work and apply this unique learning in the classroom to broaden the learner's knowledge horizons.

INTERNATIONAL
**SCHOOL OF
KNOWLEDGE
& LEADERSHIP**

The International School of Knowledge and Leadership (ISKL) offers a dynamic and inclusive learning environment designed to nurture students academically, socially, and personally. Aligned with the Single National Curriculum (SNC), ISKL emphasizes critical thinking, inquiry-based learning, and hands-on approaches like project-based and CPA (Concrete-Pictorial-Abstract) methods.

UMT MARKHORS

UMT offered to sponsor the Markhors Cricket Team in the Pakistan Champions One-Day Cup 2024 and the Bahria Town Champions T20 Cup 2024-25 in line with its commitment to promoting sports and emerging sports talent in the country. UMT believes such patronage is crucial to not only project the nation's passion for sports, but for also providing young talent the opportunities to realise its true potential.
