Shaping Leaders to Transform Society

Why shouldn't you be Great? Even better? Why are you not great? How can you be great? Almost all humans can easily claim to be good, but only a few dream of becoming great, and very few actually achieve true greatness. Why?

The greatest loss that can happen to a person is the lack of ambition to become great. That is human potential gone unchecked, unharnessed. Then comes the loss of those who become casualties in search of greatness. This is different from failure on the road to become great which turns into only another learning opportunity. Imagine how great a human being can be? How noble and valuable a human being can be? How purposeful and productive? How creative and zestful? How unique and beautiful? How trustworthy and sincere? How crystalline and logical? How passionate and awesome?

The University of Management and Technology is here to help you to become great, truly exceptional. The resource persons act first as learners and then let the participants turn into their leaders. There are many good institutions around. Trace the road of the one that can launch you to the orbit of greatness. The one interested in you developing as a whole, a full person, capable of submerging the macrocosm in the microcosm of the self, and defining excellence and refining attributes to the extent that they mirror the pleasure, love, and blessing of Allah. Select an institution that will help you reform your attitude, enlighten your mindset, build your knowledge, develop your application, refine your character, and sharpen your practice. You walk in with the power of intention. You go out with the portfolio of all that it takes to achieve success here and the ultimate success in the hereafter. Beyond the degree, what determines your future is your invaluable treasure of self-image, enriched and enlightened, driven to life-long learning. Your future is your family's future, your nation's future, your Ummah's future, and your world's future. Infinite possibilities and endless vistas at UMT draw your attention to your own selves and demand that you give to yourself what it deserves the most. Greatness. Help us make you Great!

Dr Hasan Sohaib Murad

Founder, ILM Trust and UMT

Message from the Rector

Welcome to UMT, a university that is all about transforming innovative ideas into tangible solutions under the mentorship of some of the finest faculty in the region. It is a great time to be in UMT as the University is all set to embark on a new chapter in its 27-year enviable journey of progress and excellence in academic innovation. I feel immense pride in providing institutional leadership to a University whose name is synonymous with quality education and whose graduates are the torch bearers of the highest degree of academic, professional and moral ethos which is the hallmark of their alma mater.

We live in an increasingly complex world where the future is unpredictable and the intertwining of market forces and technology has created an unprecedented impact on higher education globally. The future of developing countries is inextricably linked up with the extent to which higher education translates into economic development and valuable human capital in the knowledge era. How universities perform as key drivers for increased research capacity, innovation, scientific and industrial output, and economic competitiveness not only determines the quality of higher education but also paves the way for national prosperity and wellbeing. That is why universities have been recognized as the pivot of knowledge economies and entrepreneurial growth. As such, the future of the world hinges on the capabilities of university students like you and how well prepared you are to contribute to a knowledge-intensive society.

So our priority then, is your success, i.e., the success of our students. How do we achieve this? By providing a learning experience that prepares you to meet the challenges of the future. With an outstanding legacy of academic excellence and diversity in academic disciplines that has already established its credentials as a premier General University in Pakistan, UMT has already made its mark on the higher education landscape. Our vision for the future of UMT is to transform the University into a powerhouse of learning and innovation nationally and regionally, and strengthen its overall rankings in specific domains. We remain committed to nurturing and challenging your spirit and intellect; be assured that once you have become a UMT graduate, you will be ready to face the uncertainties of the future with the confidence and enthusiasm of those who are equipped to be world changers, explorers, innovators, discoverers, and leaders.

Dr Muhammad Aslam
Rector UMT

Welcome from the

Director General

UMT.... A wonderful place to make your future.

Welcome to UMT, your gateway to knowledge and a bright future. You have made a great decision by investing in UMT education. This is a wonderful place where you will observe cultural diversity, feel exhilaration of life, and meet new friends. On the other hand, our professional teaching faculty will take you through a new experience in which you will learn creatively and grow up intellectually in a quite friendly but stimulating environment. The University Administration is here, always ready to support you through thick and thin, and facilitate you in accomplishing your chosen degree program, and exploring wider job opportunities for you both nationwide and abroad. UMT is now among the top ranked universities with strong reputation in national and international market. This is marvelous achievement jointly earned by students, faculty and management in voyage of last 27 years.

Great universities have a long history of their evolution. They are not born in days, neither can they deliver miracles but struggle of years and years makes them the place for higher education teaching. By the grace of *Allah*, we are now an established institution ready to take next take off for knowledge creation, discoveries, innovations and turning knowledge into wealth creation. Future universities assume greater role than only imparting developed knowledge. I see UMT as the right hand for the state in terms of policy formulation and implementation, a partner of industry for solving problems through cutting edge research, and a member of society adding value in the life of the community.

Our faculty graces the world class knowledge forums and our graduates are leading corporations around the globe. Our innovative research program will take us to resolve the real problems of the 21st century.

As Director General (DG) of University of Management and Technology, I envision UMT as Knowledge Park which will serve the country to stay competitive among the nations to come. Work hard while at UMT and give the message of hope to the world. One day you will become a leader of your field.

Abid H K Shirwani
Director General UMT

About UMT

UMT is a project of Institute of Leadership and Management (ILM) Trust. ILM was established in 1990 by leading educationists, professionals, and industrialists with an aim to enhance the organizational and individual effectiveness. Guided by the noble mission of helping others in actualizing their limitless human potential to its finest shape, ILM sought to respond to the challenges of information-based economy, globalization, and ever increasing complexity.

UMT – now an independent, not-for-profit, private institution of higher learning – received her degree-granting charter first as the Institute of Management and Technology (IMT) in 2002 through an Act of the Assembly of the Punjab. Later, on 16 June 2004, IMT became University of Management and Technology through the passing of a similar Act by the Punjab Assembly. UMT is recognized by the Higher Education Commission (HEC) of Pakistan as a 'W4' category (highest rank) university.

In 2015, UMT celebrated 25 years of 'Emergence with Eminence' in recognition of its contribution to the promotion of higher education in Pakistan. Over the years, UMT has become renowned for its highly rated faculty members who are graduates of top universities of the world with vast experience of the corporate and business sector. That is why our graduates are hired by leading national and international organizations on account of the market driven and practical education imparted to them by our highly qualified faculty members. UMT provided exceptional professional development and training opportunity to selected faculty members at George Mason University, USA, in 2016. Our faculty members are also recipients of 'Best University Teacher Awards' by the HEC for 3 consecutive years.

UMT has come a long way since its inception. There has been tremendous growth in academic disciplines and infrastructure. In addition to the social sciences programs, over the years, UMT has also launched the School of Health Sciences, School of Engineering, School of Food and Agricultural Sciences and Aviation programs in response to market demands. These programs have attracted large number of students and are running successfully. UMT School of Business and Economics (SBE) has SAQS accreditation by the Association of Management Development Institutions in South Asia (AMDISA) while its business programs have been accredited by National Business Education Accreditation Council (NBEAC). SBE is ranked among the top 5 business schools in Pakistan by NBEAC. SBE is in academic alliance with SAP, ORACLE, Microsoft Dynamics and IBM which distinguishes it as one of the best schools of Pakistan. UMT has also won international recognition for scientific research. It was among the top 4 in scientific research in Pakistan in Nature Index Table 2016. Pakistan Council of Architects and Town Planners (PCATP) has accredited Bachelor of Architecture (B Arch) program at UMT. The courses of study at UMT are designed to develop the skills of students in specific areas that are important for employers. As such, UMT ensures that all academic programs are relevant to real world business needs and guide students towards a successful future. This journey of excellence is on to keep our tradition of leading and learning.

MS Finance

The MS Finance at SBE emphasizes a qualitative and empirical approach. The main objective of the program is to enable participants to identify, evaluate and implement the financial decisions in order to maximize the stakeholder's value. This program has been designed for participants who are interested in serving educational and research organizations, corporations, and financial institutions.

Web Link: <https://goo.gl/FPSdt>

Program Summary

- Duration 02 years
- Credit Hours 30

Admission Requirements

- 16 years of formal education with minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- SBE-UMT entrance test clearance / GAT 50%
- Interview

Total Program Fee

Rs 499,000

For Further Details,
Please Contact: fin.cod@umt.edu.pk

MS Management

The MS Management program develops strong leadership skills and ability to conduct scientific research in the field of management. The program aims to produce highly educated workforce who can solve management problems at the domestic and global levels using latest research and practice in management. The program is committed to developing globally competitive leaders who are capable of leading their organizations in a professional and ethical manner.

Web Link: <https://goo.gl/0JtQZT>

Program Summary

- Duration 02 years
- Credit Hours 30

Admission Requirements

- 16 years of formal education with minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- SBE-UMT entrance test clearance / GAT 50%
- Interview

Total Program Fee

Rs 499,000

For Further Details,
Please Contact: msmgt.dir@umt.edu.pk

MS Strategic Human Resource Management

The MS in Strategic Human Resource Management program is aimed at developing globally competitive corporate and academic leaders in the field of Human Resource Management. This program prepares competitive and ethical HR professionals who can design and deliver research-led customized, innovative, and competitive HR solutions to help any kind of organization to successfully meet its strategic goals.

Web Link: <https://goo.gl/MBqEm6>

Program Summary

- Duration 02 years
- Credit Hours 30

Admission Requirements

- 16 years of formal education with minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- SBE-UMT entrance test
- GAT 50%
- Interview

Total Program Fee

Rs 499,000

For Further Details,
Please Contact: msmgt.dir@umt.edu.pk

MS Supply Chain Management

MS Supply Chain Management is designed to develop the managerial and leadership abilities in students for a role in managing modern day supply chains. The MS Supply Chain Management program focuses on making strategic decisions in such a way that alignment throughout the processes, corporate policies or visions and individual objectives of the departments/sections are not affected.

School of Commerce and Accountancy (SCA)

School of Commerce and Accountancy (SCA)

Introduction

UMT has established the School of Commerce and Accountancy (SCA) for imparting quality education in the fields of Accounting, Auditing, Commerce and Finance. The objective of SCA is to focus on these ever demanding fields of Accounting, Finance and Auditing by developing new programs that meet today's business requirements. It aims to train students with the requisite knowledge and skills to become leaders in business organizations, both nationally and internationally. SCA is known for its high profile faculty comprising of chartered accountants, chartered certified accountants, management accountants and PhD degree holders who possess a blend of teaching and practical exposure. SCA offers professional, graduate, undergraduate and associate degree programs with specializations in accounting, finance, auditing, taxation, corporate governance and business management. SCA is also offering the coaching for local and international professional accountancy qualifications i.e. CA Pakistan, ACCA UK. SCA is committed to produce quality professionals and assures a bright and prosperous future for its students by providing them quality education in the fields of Accounting, Auditing, Commerce, Business Management and Finance.

Undergraduate Programs

- BS Accounting
- BCom – Honors
 - Pathway I
 - 4 Years after Intermediate/A-Level or Equivalent
 - Pathway II
 - 2 Years after BCom IT or Equivalent
- BCom IT

2-Year Programs

- Bachelor in Accounting and Finance
- Bachelor in Business and Commerce
- Bachelor in Sales and Marketing
- BSc Information Technology
- BSc Computer Sciences

BS Accounting

BS Accounting is designed to help in preparing professionals in the field of Accounting and Finance for the better implementation of best reporting practices in national and multinational organizations. Main objective of the program is to offer the distinctive opportunity to study the theory and practice relating to accounting and develop proficiency in the application of accounting, auditing, and taxation and finance principles.

Web Link: <https://goo.gl/1cXgJq>

Program Summary

- Duration **04 years**
- Credit Hours **126**

Admission Requirements

- Intermediate/ A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entry test
- Equivalence certificate from IBCC in case of O-Level and A-Level

Total Program Fee

Rs 599,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

BCom – Honors

The program provides strong foundation to participants in Accounting, Finance and Taxation. It equips them with the knowledge and competence in business and commerce to pursue a professional career. It challenges the participants' mind through competitive education that emphasizes on inculcating values, thus transforming them into socially responsible managers and business leaders.

Web Link: <https://goo.gl/dN7pTe>

Pathway I

Program Summary

- Duration **04 years**
- Credit Hours **126**

Admission Requirements

- Intermediate/ A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entry test

Pathway II

Program Summary

- Duration **02 years**
- Credit Hours **63**

Admission Requirements

- BCom IT or equivalent
- Atleast 45% marks in BCom IT, Intermediate and Matric
- UMT entry test
- Equivalence certificate from IBCC in case of O-Level and A-Level

Total Program Fee

Rs 550,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

BCom IT

BCom IT aims to develop understanding of various fields of business among the students and gives them an opportunity to specialize in a technology specific area. This program helps them to gain knowledge and skills of business and commerce to excel in a highly competitive global business environment. It is designed to transform them into business leaders and managers.

Web Link: <https://goo.gl/gHMmkx>

Program Summary

- Duration **02 years**
- Credit Hours **63**

Admission Requirements

- Intermediate/ A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entry test
- Equivalence certificate from IBCC in case of O-Level and A-Level

Total Program Fee

Rs 350,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

Bachelor in Accounting and Finance

The Bachelor in Accounting and Finance is designed to help in preparing professionals in the field of Accounting and Finance for the better implementation of best reporting practices in the small and medium sized organizations in addition to the large sized organizations.

Web Link: <https://goo.gl/rRbd7Y>

Program Summary

- Duration **02 years**
- Credit Hours **66**

Admission Requirements

- Intermediate/ A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entry test
- Interview

Total Program Fee

Rs 199,999

For Further Details,
Please Contact: info.qac@umt.edu.pk

Bachelor in Business and Commerce

The Bachelor in Business and Commerce is designed to add value among participants by imparting latest business management skills that will help to gain competitive advantages. They will complete a core curriculum by covering business theories, economics and accounting.

Web Link: <https://goo.gl/vJmkNT>

Program Summary

- Duration **02 years**
- Credit Hours **66**

Admission Requirements

- Intermediate/ A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entry test
- Interview

Total Program Fee

Rs 199,999

For Further Details,
Please Contact: info.qac@umt.edu.pk

Bachelor in Sales and Marketing

The Bachelor in Sales and Marketing is designed to develop the participants' knowledge for effective working in the sales and marketing departments in the local and global market. It will enable them to develop the skills to understand and implement business plans, and select, train, compensate, lead and motivate a successful sales team and enhance their skills necessary to formulate and plan selling products.

Web Link: <https://goo.gl/SNyhaH>

Program Summary

- Duration **02 years**
- Credit Hours **66**

Admission Requirements

- Intermediate/ A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entry test
- Interview

Total Program Fee

Rs 199,999

For Further Details,
Please Contact: info.qac@umt.edu.pk

BSc Information Technology

Information Technology is a discipline that has grown at an unprecedented speed, and continues to evolve every day. The BSc Information Technology degree helps participants to be proficient in the respective areas, their transferable skills will stand out to potential employers, put forward them above other graduates in an ever-competitive job market.

School of Engineering
(SEN)

School of Engineering (SEN)

Introduction

The School of Engineering (SEN) was set up in April of 2013 with the vision to act as a hub for various engineering disciplines. It provides a common regulatory platform for professional education in the field of engineering aiming to achieve national and international accreditation of degree programs offered under its umbrella. It consists of Department of Electrical Engineering, Mechanical Engineering, Civil Engineering and Industrial Engineering. These departments offer BS, MS, and PhD Programs accredited/recognized by Higher Education Commission (HEC) and Pakistan Engineering Council (PEC). SEN offers leading-edge programs to instill design, application and innovation skills in its students by utilizing and involving their curiosity, intelligence and creativity. The mission of the UMT School of Engineering is to give the students a high-quality educational experience; to generate and apply knowledge through research, development and scholarly activity; and to serve society, country and the engineering profession.

Departments

- Department of Civil Engineering
- Department of Electrical Engineering
- Department of Industrial Engineering
- Department of Mechanical Engineering

For complete details, please visit: <http://sen.umd.edu.pk/>

Undergraduate Programs

- BS Civil Engineering (BS CE)
- BS Electrical Engineering (BS EE)
- BS Industrial Engineering (BS IE)
- BS Mechanical Engineering (BS ME)

BS Civil Engineering (BS CE)

The Civil Engineering program at SEN is designed to mould students into excellent professional engineers by exposing them to different aspects of Civil Engineering, i.e., Structural, Geotechnical, Water Resources, Environmental and Transportation Engineering. The curriculum includes foundation courses in Mathematics, Physics and Material Sciences.

Web Link: <https://goo.gl/QAFcWt>

Program Summary

- Duration **04/07 years**
- Credit Hours **136**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ ECAT/ NAT-IE with minimum 50% marks

Total Program
Fee

Rs 1,499,000

For Further Details,
Please Contact: civil.cod@umt.edu.pk

BS Electrical Engineering (BS EE)

Electrical Engineering has its foundation in physical science, mathematics and a broad knowledge of engineering techniques in many areas including electronic circuits and devices; power generation, transmission and utilization; and communication systems. The program offers an understanding of the breadth of education and depth of training necessary for competence in this profession.

Web Link: <https://goo.gl/En2h4r>

Program Summary

- Duration **04/07 years**
- Credit Hours **135**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ ECAT/ NAT-IE with minimum 50% marks

Total Program
Fee

Rs 1,499,000

For Further Details,
Please Contact: een.cod@umt.edu.pk

BS Industrial Engineering (BS IE)

The BS Industrial Engineering program is constituted by an appropriate blend of courses from engineering, management and social sciences domains. These cover not only the breadth of industrial engineering and cross-disciplinary engineering fields, but also delve deeper into specific areas.

Web Link: <https://goo.gl/ZgXHQ5>

Program Summary

- Duration **04/07 years**
- Credit Hours **135**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ ECAT/ NAT-IE with minimum 50% marks

Total Program
Fee

Rs 1,199,000

For Further Details,
Please Contact: ie.cod@umt.edu.pk

BS Mechanical Engineering (BS ME)

The BS Mechanical Engineering program at SEN is designed to prepare its graduates in multifaceted areas like industry, government and academia. The curriculum includes foundation courses in Mathematics, Physics and Materials. The main objective of the program is to provide the students professional and scientific education that allows them to be successful as career engineers.

Web Link: <https://goo.gl/ywcSGU>

Program Summary

- Duration **04/07 years**
- Credit Hours **136**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ ECAT/ NAT-IE with minimum 50% marks

Institutional Memberships and Alliances

UMT recognizes the importance of institutional memberships and alliances for developing, supporting and strengthening its academic programs. These memberships and alliances provide opportunities for faculty professional development, updating of curriculum and incorporation of latest trends in the relevant disciplines. Institutional members and alliance partners also get together and work towards joint agendas for promoting academic scholarship.

School of Food and
Agricultural Sciences
(SFAS)

School of Food and Agricultural Sciences (SFAS)

Introduction

The School of Food and Agricultural Sciences (SFAS) at UMT aims to integrate recent advances in food processing and agricultural technologies to develop a society of food professionals that can understand the pivotal role of agro-industry of Pakistan and the world economies. With an innovative teaching and research facility, SFAS acts as a pivotal bridge between Ministry of National Food Security and Research (MNFSR) and agriculture universities in uplifting farm management and food industries of Pakistan.

At SFAS, we use innovative and technology-driven approach to teach the basic concept of agriculture science that highlights the agriculture growth of Pakistan. We have adopted low student-to-faculty ratio that ensures academic progress and success. We have designed state-of-the-art curriculum that meets the HEC requirements and follows all international standards.

School of Governance
and Society (SGS)

School of Governance and Society (SGS)

Introduction

The School of Governance and Society (SGS) at UMT is a pioneering venture to teach inter-disciplinary programs in Governance Studies. At the School, the purpose of education is not merely to enable prospective students and executives to obtain a degree and to excel in the public sector; it is also to instill in them a capacity to be curious, to discover their inner potential, to ask difficult questions, to challenge conventional wisdom, and to re-interpret the socioeconomic and political environment of Pakistan. The endeavor is focused on enabling the students to find innovative solutions to the many failures of governance that plague us and to promote sustainable development. Learning at the School aims to empower the citizens and the leaders of tomorrow by giving them knowledge with compassion, information with independent thinking, management skills with a sense of justice, and governance capacity with equity.

UMT at a Glance

Disseminating Research

UMT encourages and facilitates its faculty members to share their original ideas and thought provoking research through participation in various conferences that are held across the world. This type of global exposure not only provides them access to groundbreaking research in their specialized fields but also opens avenues for new and innovative research ideas. This enables them to explore and implement these latest research ideas in the context of indigenous needs of our society and guide UMT research scholars to conduct further research to respond to real challenges of our country.

School of Health
Sciences (SHS)

School of Health Sciences (SHS)

Introduction

The School of Health Sciences (SHS) at UMT aims to prepare the next generation of exceptional leaders in healthcare and medicine in Pakistan. SHS achieves this by embracing a spirit of inquiry and innovation in education and research across all academic programs currently offered by the School. The School uses interdisciplinary approach, innovative and technology-driven teaching methodology, and provides world class clinical and lab facilities to the students with an amazing learning experience. A low student-to-faculty ratio helps to ensure that students achieve academic success within a rigorous and supportive environment. The students are immersed in multidisciplinary, collaborative model of study early and experience hands-on real-life environment right from the beginning of their course work to get a thorough grounding in the subjects of study. SHS offers a wide range of undergraduate programs in health sciences across a wide spectrum of fields.

For complete details, please visit: <http://shs.umat.edu.pk/>

Undergraduate Programs

- BS Medical Imaging and Ultrasonography (BS MI&USG)
- Doctor of Nutrition Sciences (DNS)
- Doctor of Physiotherapy (DPT)

BS Medical Imaging and Ultrasonography (BS MI&USG)

This program trains graduates to work in the radiology and radiation sciences departments of hospitals and in large diagnostic centers offering radiology services. The modern radiology is a highly diversified and advanced field consisting of such diverse areas as diagnostic radiology, interventional radiology, radiation therapy and nuclear medicine.

Web Link: <https://goo.gl/12Z3Tb>

Program Summary

- Duration **04 years**
- Credit Hours **136**

Admission Requirements

- No third division in Matric
- FSc (Pre-Medical) 50% marks or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test or NTS test or MCAT

Total Program Fee

Rs 799,000

For Further Details,
Please Contact: shs.dir@umt.edu.pk

Doctor of Nutrition Sciences (DNS)

The Doctor of Nutrition Sciences (DNS) program focuses upon the role that nutrition plays in health, lifecycle, aging and disease. The DNS program is primarily a Clinical Nutrition program and in this degree, the students learn to make effective nutrition assessments, diet plans and provide counseling, thus becoming experts in applying the principles of clinical nutrition to patient care in a variety of settings.

Web Link: <https://goo.gl/mKcp9l>

Program Summary

- Duration **05 years**
- Credit Hours **171**

Admission Requirements

- No third division in Matric
- FSc (Pre-Medical) 50% marks or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test or NTS test or MCAT

Total Program Fee

Rs 1,050,000

For Further Details,
Please Contact: shs.dir@umt.edu.pk

Doctor of Physiotherapy (DPT)

Physiotherapy is a health care profession concerned with human function and movement and maximizing the physical potential of an individual. Physiotherapists work with patients varying in age, athletic ability and activity level, and are responsible for treating a wide spectrum of health conditions; both acute and chronic. Doctor of Physiotherapy is a highly respected and sought after professional degree all over the world.

Program Summary

- Duration **05 years**
- Credit Hours **180**

Admission Requirements

- No third division in Matric
- FSc (Pre-Medical) 50% marks or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test or NTS test or MCAT

Total Program Fee

Rs 1,199,000

For Further Details,
Please Contact: shs.dir@umt.edu.pk

School of Law and
Policy (SLP)

School of Law and Policy (SLP)

Introduction

Keeping in view the current state of legal and policy studies in the country, there is a dire need for institutions and programs that introduce students to latest approaches and discourses in these fields. UMT Law has been set up in order to address all these issues. UMT Law is following the U.S. model of legal education while adhering, where applicable, to the standards prescribed by Pakistan Bar Council and Higher Education Commission. Our permanent, adjunct, and visiting faculty comprises alumni of top U.S. and British universities who are both preeminent scholars and accomplished practitioners and who are committed to helping students develop academic and professional competencies.

For complete details, please visit: <http://slp.umat.edu.pk/>

Undergraduate Program

- LL.B.

Graduate Program

- LL.M. in Commercial Law

LL.B.

The immediate objective of our five-year LL.B. program is to produce legal practitioners who are not only able to excel in the local market, but are also able to successfully compete in the international arena. The program follows the guidelines prescribed by the Higher Education Commission (HEC).

Web Link: <https://goo.gl/rILQVg>

Program Summary

- Duration **05 years**
- Credit Hours **166**

Admission Requirements

- Matric 45% marks or equivalence certificate
- Intermediate 45% marks or equivalence certificate
- UMT entry test
- Interview

Total Program Fee

Rs 1,350,000

For Further Details,
Please Contact: slp.dir@umt.edu.pk

LL.M. in Commercial Law

The immediate objective of LL.M. in Commercial Law is to equip law graduates with knowledge and skills that are most useful for lawyers working in-house for corporations or with law firms doing commercial transactions. The long-term objective of the program is to provide law graduates with an extensive understanding of regional and global trends in Commercial Law.

Program Summary

- Duration **02 years**
- Credit Hours **36**

Admission Requirements

- LL.B. (Hons.) or LL.B. Holders with 45% or 2.5 CGPA
- No third division in entire academic career
- UMT entry test
- Interview

Total Program Fee

Rs 499,000

For Further Details,
Please Contact: slp.dir@umt.edu.pk

UMT at a Glance

Global Exposure of Students

The benefits accruing from educational and cultural exchange programs create new learning opportunities, and help students to gain a better understanding of foreign cultures and the global economy. This helps them to work and progress in diverse settings, develop an understanding of international collaboration, and respect diversity of opinion. The student exchange programs, and academic and cultural visits at UMT lay the foundation for this and enhance the competency of our graduates.

School of Professional
Advancement (SPA)

School of Professional Advancement (SPA)

Introduction

The School of Professional Advancement (SPA) is a dynamic sub-unit of UMT catering for the lifelong educational needs of participants and professionals. SPA's core activities revolve around the theme of 'Building professionals for the future.' It has been established to provide a base for upward mobility and professional growth of individuals across various sectors. The recent trends of the business world suggest that professionals will continuously need to learn new knowledge and skills in order to retain their jobs in a highly competitive business environment. SPA not only understands these trends but also makes periodic estimates for future developments which provide professionals a dynamic platform to equip themselves for the mounting competition. SPA pursues the mission to serve as a source of knowledge and expertise for the students' education and professional development through designing state-of-the-art programs and courses.

Programs Offered

School of Science
(SSC)

School of Science (SSC)

Introduction

The School of Science (SSC) at UMT comprises of four Departments, Chemistry, Life Sciences, Mathematics and Physics. Our programs offer high-level education and research training in basic and applied sciences which aim to develop students into researchers, scientists and innovators as well as highly specialized professionals with broad vision, excellent research skills, and ability to adapt them to rapidly changing demands. We offer a wide range of pioneering degree programs for both undergraduate and postgraduate studies. A strong emphasis is placed on applying course work to real life challenges with an eye on the needs of the high-tech world of the 21st century. Undergraduate degree programs include many electives, letting our students tailor a curriculum to individual interests and talents. This added flexibility affords the opportunity to begin accelerated programs, pursue dual degrees or begin graduate work.

Departments

- Department of Chemistry
- Department of Mathematics
- Department of Physics
- Department of Life Sciences

► For complete details, please visit: <http://ssc.umat.edu.pk/>

Undergraduate Programs

- BS Biochemistry
- BS Biotechnology
- BS Chemistry
- BS Mathematics
- BS Microbiology
- BS Physics
- BS Statistics
- BS Zoology

BS Biochemistry

The program consists of a combination of requirements and electives that ensure a strong foundation in the chemical and biological sciences while providing the flexibility to tailor the curriculum to satisfy specific interests. The courses offered provide the students extensive exposure to basic Biochemistry, as well as Cell Biology and Molecular Biology/Biotechnology.

Web Link: <https://goo.gl/aA4lyY>

Program Summary

- Duration **04 years**
- Credit Hours **133**

Admission Requirements

- 12 years of formal education A-Level/FSc or equivalent with Chemistry and Biology
- Minimum 50% marks at Intermediate level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program Fee

Rs 650,000

For Further Details,
Please Contact: ls.cod@umt.edu.pk

BS Biotechnology

Biotechnology is an applied science that uses the tools of Biochemistry, Molecular Biology and other fields of Biology to solve problems that affect humans. The program offers intensive learning, with a strong research focus. The subjects are lecture and enquiry based, involving small-group workshops and tutorials.

Web Link: <https://goo.gl/6PhKCm>

Program Summary

- Duration **04 years**
- Credit Hours **134**

Admission Requirements

- 12 years of formal education A-Level/FSc or equivalent with Chemistry and Biology
- Minimum 50% marks at Intermediate level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program Fee

Rs 650,000

For Further Details,
Please Contact: ls.cod@umt.edu.pk

BS Chemistry

The courses offered in Chemistry are designed according to the scheme of studies approved by the HEC Pakistan so as to meet the national and international standards. The courses have the benefit of a flexible curricular program capable of preparing students for advanced studies in Chemistry as well as careers in teaching and research institutes.

Web Link: <https://goo.gl/zj85Lf>

Program Summary

- Duration **04 years**
- Credit Hours **130**

Admission Requirements

- 12 years of formal education A-Level/FSc or equivalent with Chemistry
- Minimum 50% marks at Intermediate level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program Fee

Rs 650,000

For Further Details,
Please Contact: chm.cod@umt.edu.pk

BS Mathematics

The program has been designed according to the scheme of studies approved by the HEC Pakistan to assure quality education to equalize it with national and international standards. The program aims to produce quality students who are able to prepare themselves for advanced studies, teaching and research in Mathematics as well as careers in other related disciplines.

Web Link: <https://goo.gl/Hj1VI1>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- 12 years of formal education A-Level/FSc with Mathematics
- Minimum 50% marks at Intermediate level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program
Fee

Rs 650,000

For Further Details,
Please Contact: mth.cod@umt.edu.pk

BS Microbiology

The BS Microbiology program provides conceptual knowledge and in-depth understanding of the role of microorganisms in environmental and public health contexts. It is designed in accordance with guidelines given by the HEC of Pakistan. It not only intends to focus on the mere application of technologies, but also to emphasize understanding of the general principles and foundations of Microbiology.

Web Link: <https://goo.gl/MZCSMD>

Program Summary

- Duration **04 years**
- Credit Hours **134**

Admission Requirements

- 12 years of formal education FSc/A-Level with Biology and Chemistry
- Minimum 50% marks at FSc level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program
Fee

Rs 650,000

For Further Details,
Please Contact: ls.cod@umt.edu.pk

BS Physics

The program is designed according to the scheme of studies approved by the HEC of Pakistan so as to meet national and international standards. Courses offered are capable of preparing students for advanced studies in Physics as well as careers in teaching and research institutes. Students get the opportunity to work with faculty members and to get firsthand research experience.

Web Link: <https://goo.gl/VeP32a>

Program Summary

- Duration **04 years**
- Credit Hours **130**

Admission Requirements

- 12 years of formal education FSc/A-Level with Physics
- Minimum 50% marks at FSc level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program
Fee

Rs 650,000

For Further Details,
Please Contact: phy.cod@umt.edu.pk

BS Statistics

The BS Statistics program is designed according to the scheme of studies approved by the HEC of Pakistan to assure the quality education to equalize it with national and international standards. It aims to provide a sound footing of the subject matter of statistical theory with applications, so that students can pursue higher degrees and research in the field of statistics.

Web Link: <https://goo.gl/ByfY7P>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- 12 years of formal education FSc/A-Level with Mathematics
- Minimum 50% marks at FSc level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program
Fee

Rs 650,000

For Further Details,
Please Contact: mth.cod@umt.edu.pk

BS Zoology

The BS Zoology program provides the scientific knowledge about the study of behavior, characteristics, evolutionary trends of the different species of animals and those factors having a direct impact on them. It will equip students with skills in various disciplines ranging from molecular biology, through physiology and neurobiology. Students will attain necessary skills to collect, interpret, and critically analyze chemical data from laboratory experiments and the scientific literature.

Web Link: <https://goo.gl/f1F8KK>

Program Summary

- Duration **04 years**
- Credit Hours **134**

Admission Requirements

- 12 years of formal education FSc/A-Level with Biology and Chemistry
- Minimum 50% marks at FSc level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Program
Fee

Rs 650,000

For Further Details,

UMT at a Glance

Top-Notch Laboratories

UMT is equipped with 50+ science, engineering, health sciences and textile laboratories to provide hands-on learning and practical experience to students. The learning is augmented through practical work done in these laboratories which are regularly upgraded and expanded to provide a world-class learning experience to our students.

MS Programs

- MS Biochemistry
- MS Biotechnology
- MS Chemistry
- MS Mathematics
- MS Physics

MS Biochemistry

The program is open to students who want to update their theoretical preparation or to test their disposition toward academic training. Core concepts and skills are taught through a sequence of core courses, along with the advanced electives carefully chosen in view of the fundamental applications of Biochemistry. The courses are designed for the students so that they learn the advanced methods in biochemistry, laboratory and literature-based research.

Web Link: <https://goo.gl/W66LJU>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA + GAT 50%
- No third division in entire academic career
- Interview

Total Program
Fee

Rs 300,000

For Further Details,
Please Contact: ls.cod@umt.edu.pk

MS Biotechnology

(Subject to Approval from HEC)

The faculty offers students solid and full depth knowledge of applied biotechnology which prepares them for exciting and rewarding careers in next-generation science and technology. The program facilitates the students to be a part of the biotech future by providing instruction and training in many of the biotech disciplines through courses, seminars, advanced electives, and case studies.

Web Link: <https://goo.gl/JNFqms>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA + GAT 50%
- No third division in entire academic career
- Interview

Total Program
Fee

Rs 300,000

For Further Details,
Please Contact: ls.cod@umt.edu.pk

MS Chemistry

This graduate program engages students mainly in research: the synthesis of new compounds, discovery of new reactions, elucidation of reaction mechanisms, discovering new principles, understanding naturally occurring substances, or working out theories of chemical bonding or reactivity, providing knowledge that will be written into the textbooks for your successors to learn about.

Web Link: <https://goo.gl/y0E8d7>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA + GAT 50%
- No third division in entire academic career
- Interview

Total Program
Fee

Rs 300,000

For Further Details,
Please Contact: chm.cod@umt.edu.pk

MS Mathematics

Mathematics plays a very imperative role in the advancement of science and technology today. Its role is inevitable in interdisciplinary sciences and social sciences as well. In this program, we aim to investigate new techniques and algorithms and computational analysis with further emphasis on applications in different disciplines.

Web Link: <https://goo.gl/tU8xQC>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA + GAT 50%
- No third division in entire academic career
- Interview

Total Program Fee

Rs 300,000

For Further Details,
Please Contact: mth.cod@umt.edu.pk

MS Physics

In this graduate program, students will be engaged mainly in research along with initial broad training in fundamental core topics in Physics as the foundation of modern technologies. This program of study, while emphasizing continued work in basic physics, permits many options in several applied physics specialties.

Web Link: <https://goo.gl/to3UoK>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA + GAT 50%
- No third division in entire academic career
- Interview

Total Program Fee

Rs 300,000

UMT at a Glance

International and National Conferences

UMT recognizes the importance of organizing and actively participating in international and national conferences as these provide great learning and networking opportunities to faculty, students and staff. They also serve as a forum where one can meet with global leaders and researchers in their respective fields and engage with key stakeholders in a particular area. Over the years, UMT has organized a diverse range of conferences with some becoming a regular feature.

PhD Programs

- PhD Chemistry
- PhD Mathematics
- PhD Physics

PhD Chemistry

This research-focused PhD degree program in Chemistry gives students the chance to make discoveries in Chemical Science, Biochemistry, Organic Chemistry, Inorganic Chemistry, Material Chemistry, Nano Chemistry and related disciplines. Students work on research topics in various discipline of Chemistry, and they complete extensive research and experiments.

Web Link: <https://goo.gl/1LLQGK>

Program Summary

- Duration **03 years**
- Credit Hours **18 + Thesis**

Admission Requirements

- 18 years of relevant qualification with 3.0/4.0 CGPA + GAT (Subject) 60%
- No third division in entire academic career
- Interview

Total Program Fee

Rs 350,000

For Further Details,
Please Contact: chm.cod@umt.edu.pk

PhD Mathematics

The program is designed to develop knowledge and research skills in various applied/pure mathematics areas. The candidates for this degree program can specialize in Peristaltic Flow Problems, Fluid Dynamics, Computational Fluid Dynamics, Magneto Hydrodynamics Flows, Heat and Mass Transfer Analysis, Computational Mathematics, Fuzzy Algebra, Cryptography, etc.

Web Link: <https://goo.gl/AWJFDv>

Program Summary

- Duration **03 years**
- Credit Hours **54**

Admission Requirements

- 18 years of relevant qualification with 3.0/4.0 CGPA + GAT (Subject) 60%
- No third division in entire academic career
- Interview

Total Program Fee

Rs 350,000

For Further Details,
Please Contact: mth.cod@umt.edu.pk

PhD Physics

Physics is devoted to the study and understanding of nature. It is considered as the most fundamental science that deals with the constituents, properties and evolution of the entire universe. This program is designed to emphasize preparation for professions as in industry, atomic and space organizations, forensic science, meteorology, electronics, design and development engineering, and research laboratories.

Web Link: <https://goo.gl/Mex9NU>

Program Summary

- Duration **03 years**
- Credit Hours **18 + Thesis**

Admission Requirements

- 18 years of relevant qualification with 3.0/4.0 CGPA + GAT (Subject) 60%
- No third division in entire academic career
- Interview

Total Program Fee

Rs 350,000

For Further Details,
Please Contact: phy.cod@umt.edu.pk

School of Social
Sciences and Humanities
(SSS&H)

School of Social Sciences and Humanities (SSS&H)

Introduction

The School of Social Sciences and Humanities (SSS&H) is committed to produce graduates who have ability to apply new knowledge to solve indigenous social problems. All programs are capable of meeting the challenges posed by the modern technology that relies heavily on the use of computers, internet and social media. Under SSS&H, there is a wide range of departments and programs being offered. The National Accreditation Council for Teacher Education (NACTE) has accredited teacher education programs at UMT.

The School encourages students to re-conceptualize learning in a given context through critical thinking, cooperative learning and applied research. It rewards research and originality. Healthy interaction between teachers and students is a key ingredient of the School's approach to education. SSS&H holds conferences, seminars and workshops on diverse social sector issues where academicians, researchers and professionals share their knowledge and expertise.

School of Systems
and Technology (SST)

School of Systems and Technology (SST)

Introduction

The School of Systems and Technology (SST) at UMT aims to generate a continuous stream of new scientific and technical knowledge meant to attract young, talented men and women and transform them into leaders of tomorrow's technology organizations. The School strives to create a culture that attracts, develops, and retains the best available scientific and technical minds. SST encourages its faculty members and participants to undertake research and development while engaging themselves in collaborative work with industry. Subsequently, the pedagogical culture at SST inspires the participants to keep a deep insight into real-world problems and strive to find integrated solutions for industry. In its relentless pursuit for excellence, SST endeavors to continuously improve and transcend in terms of its teaching and research by having a sharp focus on faculty development and infrastructure enhancement.

Faculty members along with the participants are proactively encouraged to utilize the School's training facilities for self-development and by undertaking research and consultancy projects. The laboratory facilities offered are state-of-the-art and are subject to rapid expansion.

School of Textile and
Design (STD)

School of Textile and Design (STD)

Introduction

The School of Textile and Design (STD) at the University of Management and Technology (UMT) offers BS degree programs in Fashion Design, Textile Design, Graphic Design, and Interior Design, MS degree programs in Textiles, and Graphic Design, and PhD program in Textiles. The faculty members possess educational experience that is equivalent to leading international universities. The curriculum for each program has its own distinct features. However, common threads of design and problem solving have been woven into the fabric of the curricula to ensure that each participant receives the very best education tailored to the needs of the industry and academia. The programs offered by STD are aimed at preparing graduates for regional as well as global job places. The degree programs emphasize learning the effective use of technology, information resources and communication methods, along with inculcation of leadership qualities anchored in ethical and moral principles.

Departments

- Department of Design
- Department of Textile Engineering

For complete details, please visit: <http://std.umt.edu.pk/>

Undergraduate Programs

- Bachelor of Fashion Design (BFD)
- Bachelor of Graphic Design (BGD)
- Bachelor of Interior Design (BID)
- Bachelor of Textile Design (BTD)

Bachelor of Fashion Design (BFD)

Fashion design industry, over the years, has grown into a profitable profession. The degree program focuses on the balance between the conceptual and industry related fashion design through research and development of innovative and creative fashion design practices. The challenging and engaging studio based projects help participants to explore and gain multi-layered global experience with academics and key industry figures.

Program Summary

- Duration **04/06 years**
- Credit Hours **128**

Admission Requirements

- Minimum 50% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT drawing test

Total Program Fee

Rs 799,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

Bachelor of Graphic Design (BGD)

This program focuses on the learning of communication skills through building relationship between text and images. A vast range of subjects from history of design to the modern typography equips students to creatively manage design campaign with a signature style. Learning the modern digital tools also makes them communicate better. The program focuses on concept development and application.

Program Summary

- Duration **04/06 years**
- Credit Hours **132**

Admission Requirements

- Minimum 50% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT drawing test

Total Program Fee

Rs 799,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

Bachelor of Interior Design (BID)

The Bachelor of Interior Design typically teaches students to creatively design and handle residential and commercial spaces. Throughout the course, students participate in studio sessions, and learn to solve design issues with a variety of settings. An environment is created at the studio where individuals can develop their ability to apply design which results into a creative and purposeful interior environment.

PhD Program

- PhD Textile (PhD TX)

MS Graphic Design (MSGD)

(Subject to Approval from HEC)

This is an advanced level program which exposes participants to new level of thinking, approach and concepts for execution with the help of advanced learning experiences and software. The students put their knowledge and understanding of the subject to test. They master the art of research and learn the methodologies to excel their crafts to new horizons of creativity and innovations.

Web Link: <https://goo.gl/CC0bKS>

Program Summary

- Duration **02/03 years**
- Credit Hours **30**

Admission Requirements

- Bachelor of Graphic Design/ Fine Arts with minimum CGPA 2.50/4.00 or equivalent in semester system or 50% in annual system
- No third division in entire academic career
- NTS-GAT (General) 50% marks or equivalent with a valid result at the time of admission

Total Program Fee

Rs 425,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

MS Textiles (MSTX)

This advanced level program equips graduate students with strong technical knowledge of textiles, enabling them to critically analyze problems faced by textile industry. It also enables them to conduct research to find innovative solutions to new and recurring problems.

Web Link: <https://goo.gl/xHDNce>

Program Summary

- Duration **02/03 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education in Textile Engineering or an allied line, with minimum CGPA 2.50 out of 4.00 or equivalent in semester system or 50% in annual system
- No third division in entire academic career
- NTS-GAT (General) 50% marks or equivalent with a valid result at the time of admission

Total Program Fee

Rs 425,000

For Further Details,
Please Contact: te.cod@umt.edu.pk

PhD Textile (PhD TX)

The PhD Textile aims to enable the candidates in conducting research for inventing and innovating solutions for ever-increasing problems of the textile industry, as well as invent newer products and methods for the future. The graduates of PhD Textile program will be able to join academia in faculty positions, textile industry, research institutions, and government and non-governmental organizations as technical experts and advisors, and research scientists.

Web Link: <https://goo.gl/vkd9dy>

Program Summary

- Duration **04/05 years**
- Credit Hours **48**

Admission Requirements

- 18 years of education in Textile Engineering or an allied line, with minimum CGPA 3.00 out of 4.00 or equivalent in semester system or 60% in annual system
- No third division in entire academic career
- NTS-GAT (Subject) with minimum 60% marks or equivalent with a valid result at the time of admission

Total Program Fee

Rs 550,000

For Further Details,
Please Contact: te.cod@umt.edu.pk

Institute of Aviation
Studies (IAS)

Institute of Aviation Studies (IAS)

Introduction

Institute of Aviation Studies (IAS) has been established to fulfill global demands of aviation industry to produce competent professionals. The programs offered by IAS are based on management and maintenance technology under state-of-the art facilities. The offered programs are fortified with relevant studies for Flight Operation Officer/Flight Dispatcher (FOO/FD) and Aircraft Maintenance License, which provides an opportunity to attain a recognized industry qualification whilst studying for the degree.

UMT has already set up two flight simulators, one on the main campus for BSAM students to impart basic flying and Air Traffic Control (ATC) training as a part of their studies and other one, Federal Aviation Agency (FAA) and Pakistan Civil Aviation Authority (PCAA) approved simulator, at UMT-Campus 'Walton Aviation Training School (WATS)', Walton Airport, Lahore, for professional pilots.

Pakistan Civil Aviation Authority (PCAA) has awarded IAS with three certifications, i.e.,

- Ground training for PPL/CPL/IR/ATPL,
- Hold Flight Operation Officer /Flight Dispatcher (FOO/FD) course for all the students of BS Aviation Management program to set a proficient license to join air transport industry.
- Authorized IAS to conduct English Language Proficiency Test (ELPT) for all category pilots in Pakistan.

UMT has collaboration with professional institutions like Turkish Aviation Academy, Istanbul, Turkey for Masters in Air Transport Management. International Air Transport Association (IATA) has also approved UMT-IAS to join IATA's global training partner network as an IATA Authorized Training Center (ATC) and allocated IATA ATC 3-letter code as UMT.

For complete details, please visit <http://ias.umat.edu.pk/>

Undergraduate Programs

- BS Aircraft Maintenance Engineering Technology (AMET)
- BS Aviation Management

Graduate Program

- MSc Air Transport Management

BS Aircraft Maintenance Engineering Technology (AMET)

BS AMET is based on essentials of aircraft maintenance with emphasis on aircraft design along with the skills and understanding regarding the role of maintenance management. An integral part of the degree are the EASA(Part-66) B1.2 & B3 license modules. License relevant category examinations are held through EASA approved maintenance training organization AERO-Bildung, Germany. Additionally, students gain 3 years of hands-on experience while working in operational aircraft maintenance environment.

Institute of Clinical
Psychology (ICP)

Institute of Clinical Psychology (ICP)

Introduction

Ever since the upgradation of ICP, there has been greater opportunity to offer a wide range of clinical specialization courses. A variety of programs have been developed that provide a continuous and contiguous teaching and training leading to a professional qualification. In addition to the MS Programs in Clinical and Counselling Psychology, ICP is planning to develop a variety of specialized programs of teaching and learning like Health Psychology, Sports Psychology and School Psychology. There are plans to continue research and clinical studies in all the programs offered by ICP to sure up the indigenous and empirical knowledge in these areas.

The ICP is also providing Clinical Counselling Service to all students and staff of UMT. This service is free and is provided on demand at short notice.

For complete details, please visit <http://icp.umt.edu.pk/>

MS Programs

- MS in Clinical Psychology
- MS in Counselling Psychology

PhD Program

- PhD in Clinical Psychology

MS in Clinical Psychology

It is the flagship program of clinical training, nearly 50 years of experience in teaching, training and practicing clinical psychology. A substantial amount of culture specific knowledge-base has been created and a number of indigenous tests and assessment procedures for children, adolescents, adults and the elderly have been developed.

Web Link: <https://goo.gl/ZjtZmB>

Program Summary

- Duration **02 years**
- Credit Hours **48**

Admission Requirements

- BS (Hons) in Psychology with CGPA of 2.5/4.00 or MSc Psychology with 1st Division, 60% marks from a reputable and HEC recognized University.
- Institute's (ICP-UGAT) Admission test that is based on Clinical Psychology, Research and Statistics
- The candidate also needs to pass the Interview to establish his/her suitability to become a Clinical Psychologist.
- No third division in entire academic career

Total Program Fee

Rs 400,000

For Further Details,
Please Contact: cpsy.dir@umt.edu.pk

MS in Counselling Psychology

(Subject to Approval from HEC)

This program leads to a recognized qualification as a Counselling Psychologist. It is both theory and practice orientated. A substantial part of the training is assigned to learning research techniques and methods. Acquisition of practical counselling skills is emphasized through Counselling Case Studies.

Web Link: <https://goo.gl/GvChRK>

Program Summary

- Duration **02 years**
- Credit Hours **48**

Admission Requirements

- BS (Hons) in Psychology with CGPA of 2.5/4.00 or MSc Psychology with 1st Division, 60% marks from a reputable and HEC recognized University
- Institute's (ICP-UGAT) Admission test that is based on Counselling Psychology, Research and Statistics
- The candidate also needs to pass the Interview to establish his/her suitability to become a Counselling Psychologist
- No third division in entire academic career

Total Program Fee

Rs 350,000

For Further Details,
Please Contact: cpsy.dir@umt.edu.pk

PhD in Clinical Psychology

The structure and the contents of PhD in Clinical Psychology are in accordance with the HEC regulations. The course work provides a thorough understanding of research methods and the latest perspectives on clinical research. Specializations are also offered in selected areas.

Web Link: <https://goo.gl/Z4RfQq>

Program Summary

- Duration **3 years (minimum)**
- Credit Hours **18 + Thesis**

Admission Requirements

- MS or MPhil in Psychology with CGPA of 3.0/4.00 or 1st Division 60% marks from a reputable and HEC recognized university
- GAT (subject) is compulsory to pass
- Candidates having professional experience will be preferred
- Institute's admission test and interviews are compulsory to pass
- No third division in entire academic career
- Personal suitability is essential

Total Program Fee

Rs 499,000

Institute of
Communication and
Cultural Studies (ICCS)

Institute of Communication and Cultural Studies (ICCS)

Introduction

In the present era which is a hallmark of electronic media, social media and internet, and where knowledge and ideas are transferred in a blink, it is vital to develop such a mechanism which should peep into this amazing and robust transformation by the wings of research and teaching methods. In order to study this rapid change, transition and novelty in the set of beliefs, social norms and cultural identity, which is a growing tradition of the 21st century, Institute of Communication and Cultural studies (ICCS) is a unique entry into the dynamics of UMT.

ICCS offers BS English Literature and BS English Language and Linguistics. ICCS strives to provide students with skilled and professional instructors with an experience of teaching English as a Second Language (ESL) and literature. It uses Computer Assisted Learning (CAL) with supporting supplemental materials for the curriculum, and specialized software (Moodle). ICCS in its true spirit has accepted the challenge to preserve and promote the national and international literature written in English. ICCS is using integrated pedagogical strategies in order to immerse the very soul of the students in the contextualized English literature. To promote this very vision, seminars, talks and English language workshops are an incessant and permanent entry into ICCS. We harbor thinkers, writers, linguists and above all, leaders.

▶ For complete details, please visit: <http://iccs.umt.edu.pk/>

Undergraduate Programs

- BS (Hons) in English Language and Linguistics
- BS (Hons) in English Literature

BS (Hons) in English Language and Linguistics

This program gives the participants an opportunity to investigate the most intricate aspects of human behavior and knowledge. Specialization in linguistics enables the students to learn about many characteristics of human language including words (morphology) and their meanings (semantics), sounds and their variation (phonetics and phonology), sentence and the context of their utterances (pragmatics).

UMT at a Glance

Professional Centers

UMT centers are working to facilitate academic-industry linkages. They provide real world exposure to the UMT participants and faculty, offer excellent learning and placement opportunities, and promote research and consultancy. These centers often invite eminent professionals in various seminars and events to provide learning and networking opportunities.

Institute of Islamic
Banking (IIB)

Institute of Islamic Banking (IIB)

Introduction

Recognizing the need for human resource development in the expanding field of Islamic Banking, UMT has taken the lead in establishing the Institute of Islamic Banking (IIB) which is committed to the noble task of dissemination of knowledge in the emerging area of Islamic Banking and Finance. The IIB activities and programs are geared towards becoming a leading source of education, research and information in Islamic Banking. Moreover, IIB has launched a refereed semi-annual journal called Islamic Banking and Finance Review. To cultivate research culture, IIB organizes Global Forums on Islamic Economics, Finance and Banking (IEFB) on regular basis where renowned Islamic scholars, Shariah advisors, and bankers share their wisdom on the most emerging issues in Islamic Banking and Finance.

For complete details, please visit: <http://iib.umt.edu.pk/>

MS Program

- MS Islamic Banking and Finance

MS Islamic Banking and Finance

This is envisioned as a pioneering educational and training program for participants to acquire both theoretical knowledge and practical skills to win a distinguished place in the emerging global market of Islamic Banking. This program aims at providing relevant education and training in all aspects of the operation of Islamic Banking.

UNIVERSITY OF MANAGEMENT AND TECHNOLOGY
SALUOT CAMPUS

The background is an abstract composition of numerous overlapping triangles in various shades of red, magenta, and purple. The triangles vary in size and orientation, creating a complex, faceted geometric pattern. The colors transition from deep reds and purples on the left and top to lighter, more vibrant pinks and magentas towards the center and right.

UMT Sialkot

UMT Sialkot

Introduction

UMT is the first private sector university to establish HEC approved sub campus in Sialkot, the city also known as 'The Great City of Iqbal' which is highly enriched in various sectors that include modern industries such as surgical instruments production, flour mills, ready-made garments, sports goods, embroidery, leather goods and musical instruments. It is also worth mentioning that Sialkot has the distinction of having a private International Airport and 'SIAL' airlines owned by Sialkot Chamber of Commerce and Industry.

UMT Sialkot Campus is housed in beautifully constructed architectural iconic tower which is a pride itself for being the tallest tower in the town, named as 'Pride of Sialkot.'

UMT Sialkot Campus was formally opened on May 2, 2012. The 20-kanal campus provides several multimedia classrooms, laboratories, computer labs equipped with state-of-the-art computers, campus wide Wi-Fi internet facility, and well-stocked learning resources.

UMT Sialkot Campus is the first ever HEC recognized sub campus in Sialkot serving the higher education needs of the learning community of this region. The campus is situated in downtown and well furnished with academic standards and requirements including multimedia classrooms and high-tech computer Labs.

We are honored to achieve another milestone in the history of UMT Sialkot Campus, embarking on expanding a new campus, 'The Iqbal Campus' at Daska Road, Sialkot. It is an expanded and upgraded campus, in order to accommodate more students with quality education tailored to their individual needs and aspirations. UMT aims to prepare students for rigorous and globally focused education in line with the personal, professional and ethical norms in order to enable our students to succeed and stand out in their future endeavors.

More than 1500 students are currently studying at the Sialkot Campus. The Sialkot Campus provides excellent atmosphere conducive for meaningful learning and valuable research.
