

Notification

It is notified for the information of all concerned that Deans' Committee in its 102nd meeting held on March 20, 2019 has approved following policies:

i. University wide uniform policy for registration of thesis in MS/MPhil programs.

Thesis in all MS/MPhil programs can be registered with "Thesis as 06 credit hours" only. Registration by splitting thesis into Thesis I and Thesis II will not be allowed. This policy will be applicable on all batches who register thesis from Fall-2019 semester and onwards.

ii. Total time allocated to complete the research work in MS/MPhil programs and charging tuition fee

A Participant can complete the research work within three consecutive regular semesters from the date of registration of thesis (summer semester will not be counted as a regular semester). Any further extension will be granted semester wise and subsequently half of the total research fee will be charged for extension of each semester. The facility of time extension for research work will be subject to the approval of the relevant authority and having no retrospective effect on maximum degree completion time. i.e 4-years. This policy will be applicable on all batches who register thesis from Fall-2019 onwards.
