Employer Outreach

“Strengthening Industry Linkages”

OCLP continues to connect with premier organizations, ensuring student access to placements, professional exposure, and hands-on learning opportunities.

Employer Outreach of this month:

OCLP Team meeting with Ghazali Foundation

OCLP team meeting with Chaudhary Rehmat Trust Hospital

Corporate Guest Lectures

Guest Lecture | ZDHC Regulations and Chemical Management in the Textile and Fashion Industry by PRGMEA

OCLP facilitated an insightful Corporate Guest Lecture by **PRGMEA** (Pakistan Readymade Garments Manufacturers & Exporters Association) on the topic "ZDHC Regulations and Chemical Management in the Textile and Fashion Industry", one of the projects of British Council on **04 March 2026**, where students from the **School of Design & Textile (SDT), UMT** participated and gained first-hand learning about **Zero Discharge of Hazardous Chemicals Foundation (ZDHC)** which is a global initiative aimed at eliminating hazardous chemicals from the textile, apparel, leather, and footwear supply chains. It has become a benchmark standard for sustainable chemical management in the fashion industry. The visit provided valuable learning opportunities by bridging the gap between academic knowledge and practical application, while enhancing students' understanding of real-world professional environments and service standards.

Mr. Shoaib Saleem - Sustainability Officer from PRGMEA delivering training on ZDHC regulations to students

Faculty from School of Design & Textile (SDT), UMT presenting souvenir to Mr. Sohaib Saleem from PRGMEA along side Miss. Sidra Tahir from OCLP, UMT.

Ongoing Programs

Co-Op Program (Cooperative Experiential Learning)

The flagship Co-OP UMT Program continues to be a success as more and more students are confirmed for Co-OP Fall 2025 placements.
