## Real Stories, Real Experiences: Student Feedback from the Career Fair

I am doing my MS in Industrial and Organizational Psychology from UMT. The Career fair 2025 was a highly valuable experience for me. This event provided direct access to reputable employers. I had a meaningful conversation with the recruiters, gained clarity about industry expectations and showcased my skills. As a result, I received four interview calls shortly after the event. It was a truly productive and rewarding experience.

## Career Counselling & Development

UMT OCLP is proud to share that the Women Development Department, Government of Punjab, is empowering the next generation of female leaders through the Ambassador Program for Female University Students Across Punjab.

This initiative aims to:

- Develop leadership & advocacy on women's rights
- Enhance digital & entrepreneurial skills
- Promote student-led awareness campaigns
- Facilitate business networking & community engagement
- Provide stipends & incentives for active participation

## Women Entrepreneurial Expo (WEPX 2026)

The University of Management and Technology (UMT) proudly extends its appreciation to the Women Development Department Punjab for organizing the inspiring Women Entrepreneurial Expo (WEPX 2026) — a true celebration of women's empowerment and innovation. UMT actively participated in the two-day Expo with an enthusiastic delegation of students and faculty members.

WEPX 2026 served as a powerful platform for women entrepreneurs to showcase ideas, build confidence, and create meaningful networks. Such visionary initiatives are essential in nurturing leadership and strengthening women's role in social and economic progress.

**Proud to be part of a movement where women rise, lead, and inspire.**

**Maryam Tayyab (Female Ambassador, UMT-WDD) welcoming the Chief Guest, Ms. Maryam Aurangzeb, Senior Minister of Punjab.**

## Industrial Partnerships through MoU

### Both organizations agreed to collaborate on:

- Internship and placement opportunities for students
- UMT Cooperative Experiential Learning Program Co-Op
- Faculty Secondment Program (FSP)
- Student industrial visits
- Mentoring sessions & promoting research

### Partners Signed This Month:

- MOU with Institute of Learning, Research and Training in Social & Psychological Services

## Industrial Visits

### Industrial Visit | Ramada

OCLP facilitated an insightful industrial visit to Ramada Hotel on 22nd January 2026, where students from the School of Health Sciences (SHS), UMT participated and gained first-hand exposure to professional hospitality operations, organizational management, and industry best practices. The visit provided valuable learning opportunities by bridging the gap between academic knowledge and practical application, while enhancing students' understanding of real-world professional environments, service standards, and workplace ethics.
