

Office of Dean Research
MEMORANDUM

Date:	30-08-2019
From:	Dean Research
To:	The Rector
CC:	Controller of Examination, Registrar
Subject:	Sequence of name of PhD scholars in the research paper published on the basis of thesis research work

PhD scholar has to publish at least one research paper from his/her thesis research work in HEC recognized journals. In order to maintain quality and to further assure that published paper is from the research work of PhD scholar, the sequence of names in the paper should be defined.

In this context a meeting was held in Rector Office on 27th August from 2:00pm to 3:00pm. Registrar and Controller of Examinations also attended the meeting.

In the meeting all members agreed that following conditions should be observed in the research paper claimed for PhD degree:

PhD scholar should be first author in the claimed publication for degree.

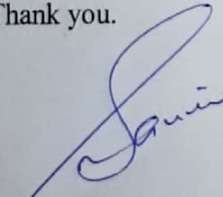

Or

If PhD scholar is second author, ^e then first author should be his/her PhD supervisor.

This policy will be implemented from the date of approval.

Kindly approve above sequence of name of PhD scholars in the research paper published on the basis of thesis research work.

Thank you.
