CELEBRATING EXCELLENCE IN RESEARCH

The University of Management and Technology (UMT) successfully hosted the Research Excellence Award Ceremony to celebrate and acknowledge the outstanding contributions of its Faculty and Researchers.

Awards and recognition were presented to Faculty and Researchers who have demonstrated exceptional performance in their respective fields. The event highlighted significant accomplishments, including publications in High-impact Journals, Nature-indexed publications, and initiatives that have elevated UMT's Research profile both nationally and internationally.

The event was graced by the chief guest, Chairman of the Punjab Higher Education Commission, Prof. Dr. Iqrar Ahmad Khan, alongside senior university leadership. The presence of Dr. Iqrar Ahmad Khan underscored the importance of Research Excellence in Higher Education and provided an inspiring perspective on the role of faculty contributions in advancing Research standards across Pakistan
