

UMT | IAS

Institute of Aviation Studies

**SOAR TO
SUCCESS**

Admissions | 2026

Introduction

The Institute of Aviation Studies (IAS) at the University of Management and Technology (UMT) was established in 2011 to cater to a growing need for highly qualified aviation professionals in Pakistan. IAS initially offered a four-year BS Aviation Management (AM) program, adding a new dimension to aviation education in Pakistan by producing specialized human resources for the industry. IAS has continued to provide an exciting career pathway for those who view aviation as the fulfillment of their dreams and aspire to explore the adventurous world of the skies. This institution marked the beginning of a vision that has so far produced more than 150 alumni, many of whom have made significant contributions across various sectors of the aviation industry.

DEAN'S MESSAGE

“At the Institute of Aviation Studies, we are shaping future-ready aviation professionals by equipping learners with modern industry knowledge, hands-on training, and global exposure. With a strong focus on aviation safety, operational excellence, and leadership development, our programs are designed to meet international standards.”

DR AHMAD AIZAZ
DEAN IAS

Why Choose IAS (UMT)?

- Experienced faculty
- RedBird Flight Simulator
- Cabin Crew mockup
- Walton Aviation Training School at Muridke Aerodrome
- BS Aviation Professional Pilot (the only HEC approved degree program in Pakistan designed for pilots)
- Collaboration with international institutes (University of Central Missouri, Istanbul Aydin University and University of South Wales)

Accreditations / Memberships

Career Outcomes and Industry Linkages

- Airlines
- Flying clubs (Hybrid Aviation, Air Eagle Aviation Academy)
- Ground Handling Agencies
- Air Traffic Controller
- Flight Dispatcher
- Commercial Pilot
- Aircraft Maintenance Engineer

MoUs and Institutional Partnerships

National Partners

AIR EAGLE
AVIATION ACADEMY
(PVT) LTD

International collaborations

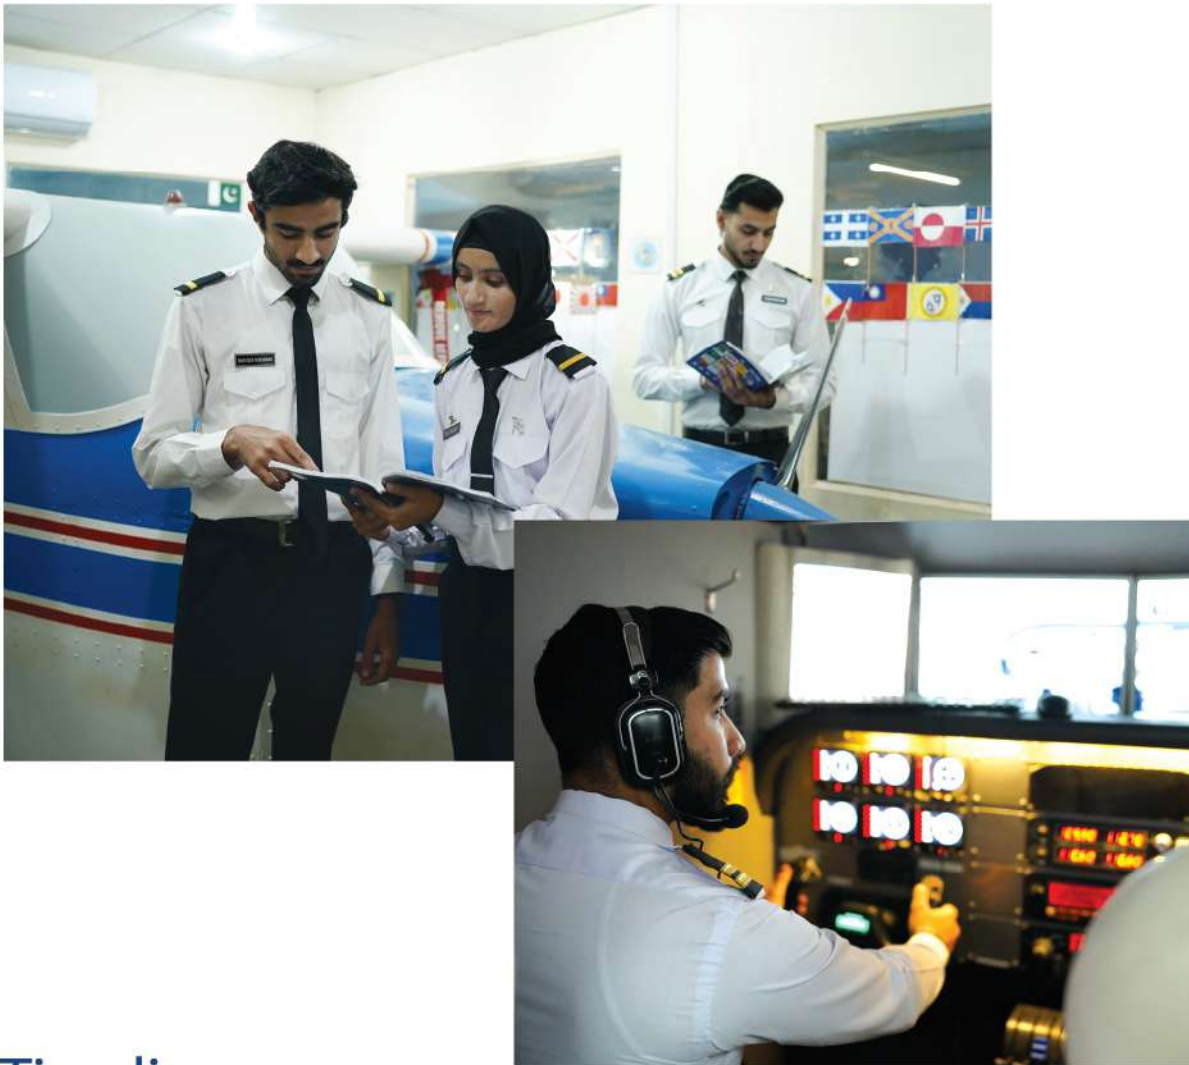

Collaborations

Life Beyond the Classroom

- Aeromodelling Club
- Young Aviators Society

Timeline

- MoU signed with Aviation Training Hub, Islamabad to conduct EASA module examination for BS AMET students.
- MoU signed with the University of South Wales to offer a top-up degree to ADP Aircraft Maintenance Engineering students.
- Walton Aviation Training School at Muridke Aerodrome.

Labs and Academic Facilities

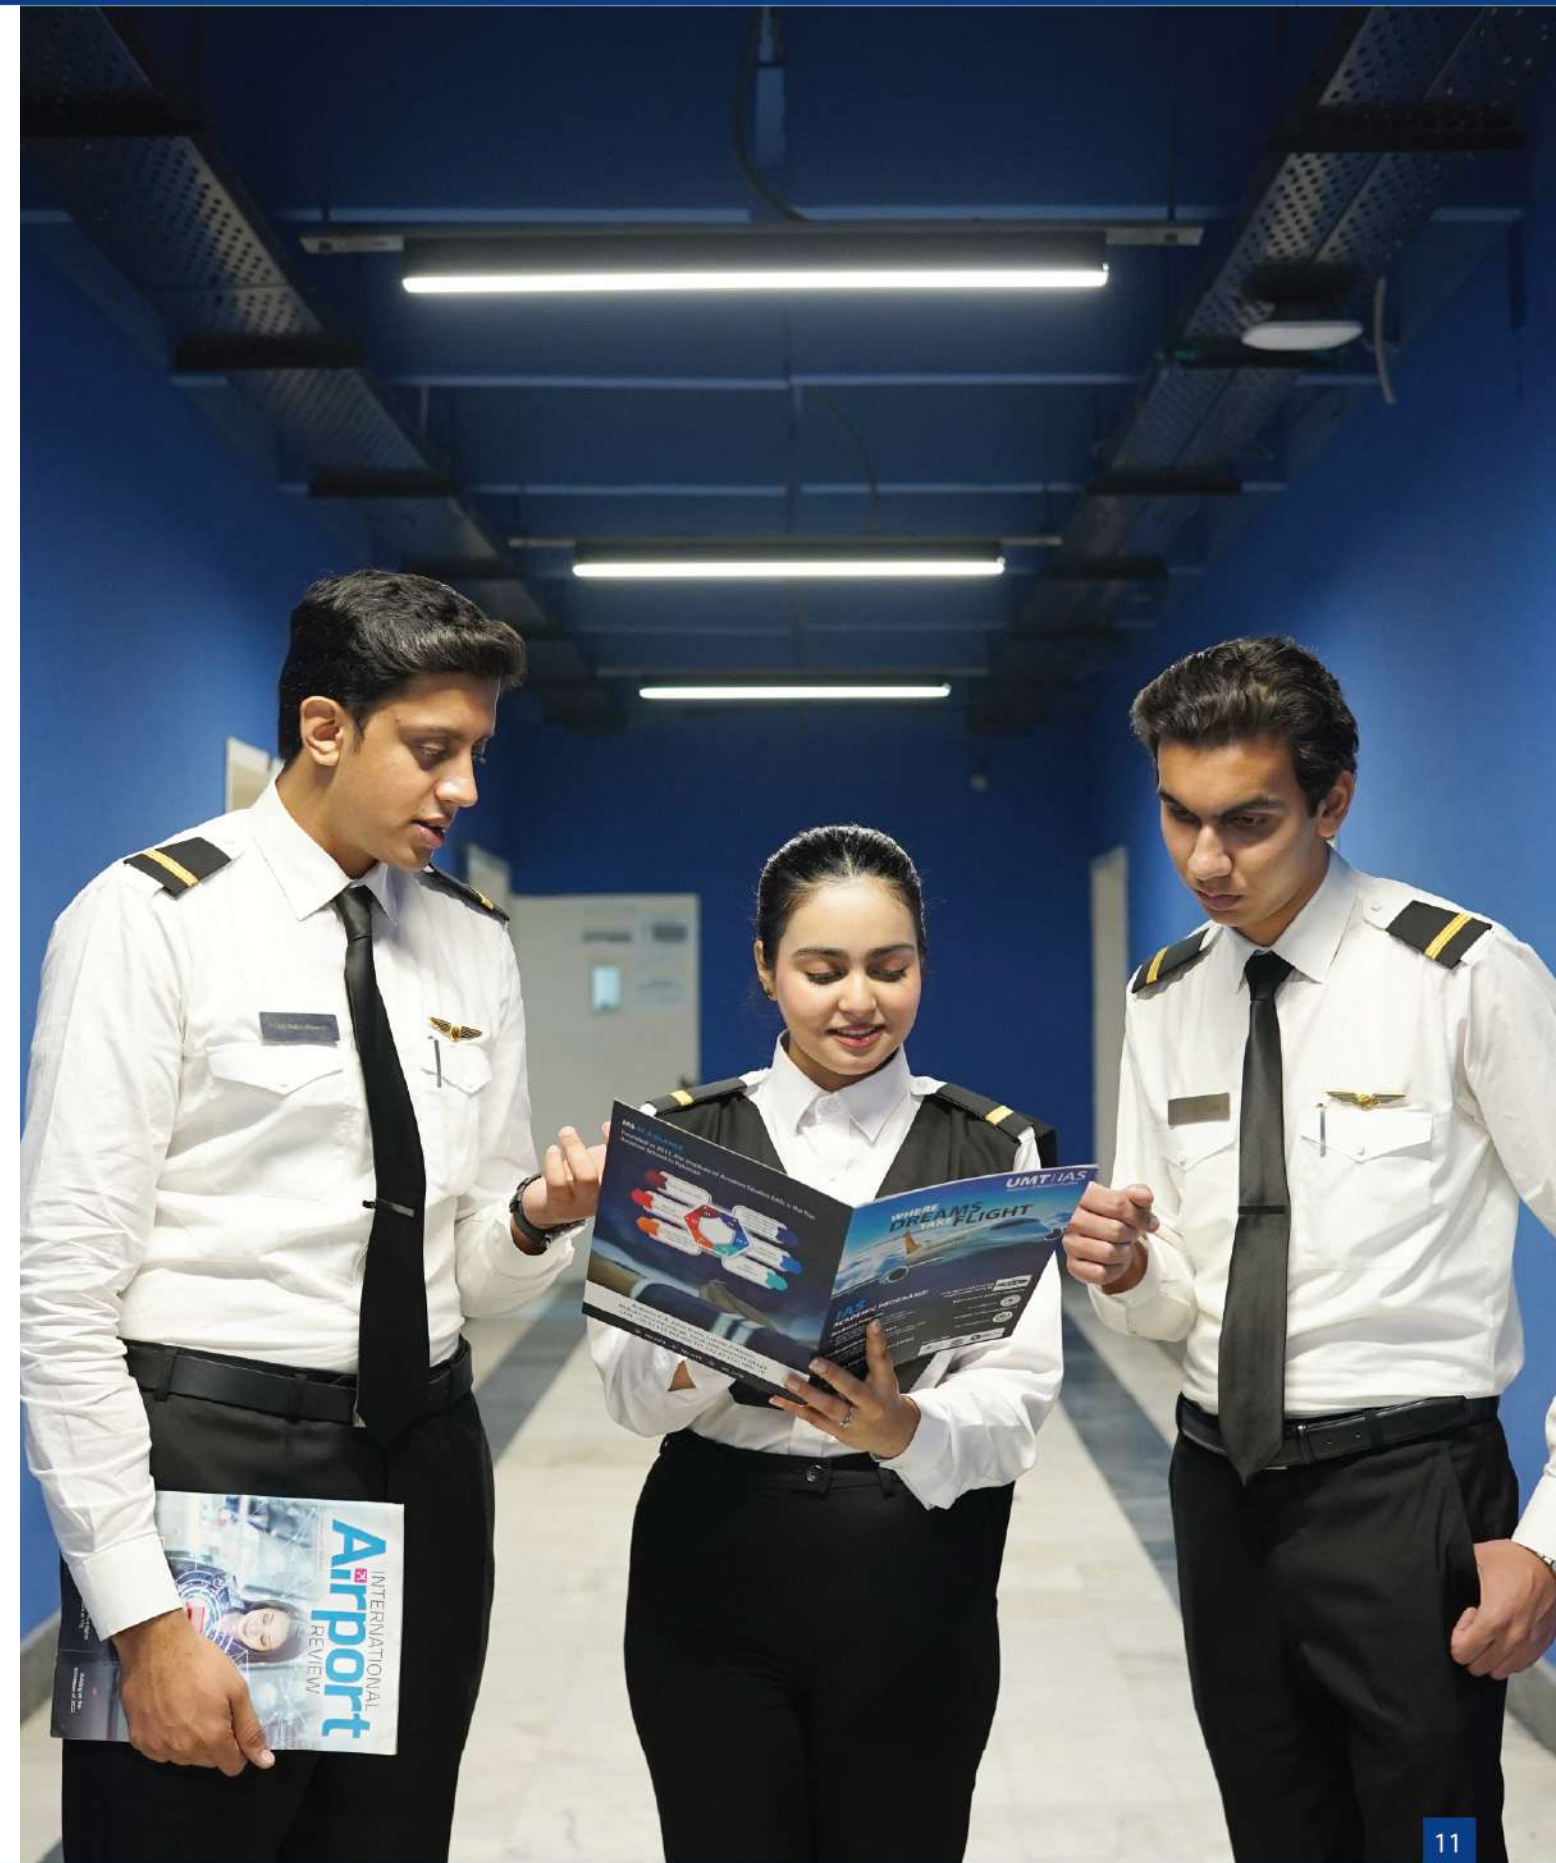

Students Activities, Competitions and Achievements

Other Key Events

- Bird Strikes and Flight Safety Challenges Conference
- Final Year Poster Competition

ALUMNI TESTIMONIAL

“Studying at IAS equipped me with essential skills and industry knowledge, fostering both personal and professional growth. My time at UMT laid a strong foundation, and IAS further enhanced my leadership and problem-solving abilities, preparing me for success in aviation and beyond.”

IAS-2026

Programs Offered

Undergraduate Programs

- BS Aviation Management (with 2 years Post ADP option)
- BS Aircraft Maintenance Engineering Technology
- BS Aviation Professional Pilot

Associate Degree Programs

- ADP Aviation Business
- ADP Aircraft Maintenance Engineering
- ADP Flight Operations

Post-Graduate Program

- PGD Aviation

Admission Criteria

Program Name	Minimum Required Qualification	Minimum Requirement
BS Aircraft Maintenance Engineering Technology	A-Level or equivalent, F.Sc Pre-Engineering, ICS with Math, Physics and F.Sc Pre-Medical (Deficiency Courses)	Minimum 50% Marks in Intermediate and 50% in Matriculation + Minimum 50% marks in admission Test + Interview
BS Aviation Management	Intermediate or equivalent	Minimum 45% Marks in Intermediate / A-Level or equivalent and no 3rd division in Matriculation + Minimum 50% marks in admission Test + Interview
BS Aviation Professional Pilot	Intermediate or equivalent	Minimum 45% Marks in Intermediate / A-Level or equivalent and no 3rd division in Matriculation + Minimum 50% marks in admission Test +Interview
ADP Aviation Business	Intermediate or equivalent	Minimum 45% Marks in Intermediate / A-Level or equivalent and no 3rd division in Matriculation + Minimum 50% marks in admission Test +Interview
ADP Flight Operation	Intermediate or equivalent	Minimum 45% Marks in Intermediate / A-Level or equivalent and no 3rd division in Matriculation + Minimum 50% marks in admission Test +Interview
ADP Aircraft Maintenance Engineering	Intermediate or equivalent	Minimum 45% Marks in Intermediate / A-Level or equivalent and 45% Matriculation + Minimum 50% marks in admission Test +Interview
Post ADP Aviation Management	Relevant ADP / BSc Program	Minimum 2.00 CGPA in Relevant ADP Program / 14Years equivalent Education with minimum 45% marks in intermediate degree
