EndNote for Referencing & Citations

June 22, 2017

To meet the support needs of enthusiastic researchers/ users at the University of Management and Technology in Lahore, LRC organized a tutorial on Endnote for UMT research scholars in the means of research support services on **Thursday June 22, 2017**. The session title was “How to cite and use references in research paper (End Note Training)”. **Mr. Muhammad Naveed** was the trainer. He started with the brief introduction and importance of citation and referencing. After that he started training on **End note**. **EndNote** is used by libraries all over the world to teach people about discovering, accessing and evaluating information in networked computer environments. **Mr. Muhammad Naveed** told the students how they can manage their references and import them in their research papers and thesis using End note software. The session was one hour long. The feedback was 100%. These sessions are being appreciated by students as well as faculty members.

2nd National LIS Training Workshop on Information Management in Digital Era at Baragali Summer Campus II

August 04-06, 2017 Organized by Central Library University of Peshawar in Collaboration with HEC Islamabad.

Mr Rafiq Awan, Director Research & Chief Library Officer of Learning Resource Centre UMT – Lahore is jointly invited from The Higher Education Commission Islamabad & The University

2nd National LIS Training Workshop on Information Management in Digital Era at Baragali Summer Campus II

of Peshawar Libraries to conduct a workshop on "Information Management in Digital Era" at Baragali Summer Campus II on 04-06th August, 2017. Mr Rafiq Awan as guest speaker

stressed about the digital library management system for easy management of library as well as better service to the reader. He talked about a model library with different e-resources and e-consortia for use in research and academics on mutual sharing basis. He emphasized on networking with different libraries and sharing of resources so that wider access to different resources can be made by a large group of readers. The objective of the workshop was to share the importance of holding such events particularly for networking of different

libraries for sharing text and digital resources. The workshop came ended with vote of thanks and souvenirs presentation.

LRC Team visits UCP Library Tuesday, August 22, 2017

Learning Resource Center of UMT has organized an official visit of UCP library on **22nd of August, 2017 at 10:00am**. The main objective of this visit was that to share knowledge and discovery with other university libraries. This was a great networking opportunity and provides valuable insight into the academic library environment. Eight team members including Director (KRSS) Mr Rafiq Awan, acting Chief library officer Sohail Aslam, Coordinator Samina Shaheen and other three library officer Miss Nuzba Kiran, Mubashra Karim and Anjum Shahzad were there.

The main objective of this visit was that to share knowledge and discovery with other university libraries. This was a great networking opportunity and provides valuable insight into the academic library environment. University of Central Punjab library was good as compare other University libraries in Lahore. The UCP library Director Madam Rakhshanda and other library staff warmly welcomed us and entertained in very well mannered. We have enjoyed our visit in meaningful way.
