VISION

Learning

It defines our existence, inspires all stakeholders associated with us, creates a powerful momentum inside, and responds to the challenges outside. It continues to evolve as present captures new realities and foresight unfolds new possibilities. All in an incessant attempt to help individuals and organizations discover their God-given potentials to achieve Ultimate Success by attaining the highest standards of efficiency, effectiveness, excellence, equity, trusteeship and sustainable development of global human society.

MISSION

Leading

We aspire to become a learning institution and evolve as the leading community for the purpose of integrated development of the society by actualizing strategic partnership with stakeholders, harnessing leadership, generating useful knowledge, fostering enduring values, and projecting sustainable technologies and practices.

OBJECTIVE

Creating a Real-World Impact

Creating a real-world impact by solving issues through our research, learning and leadership.

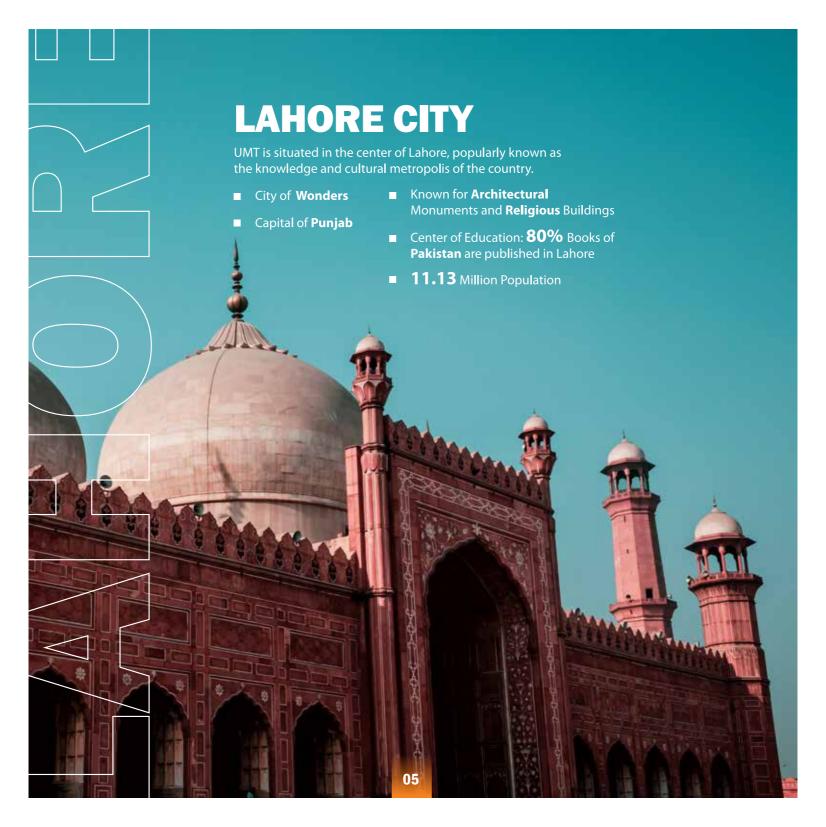

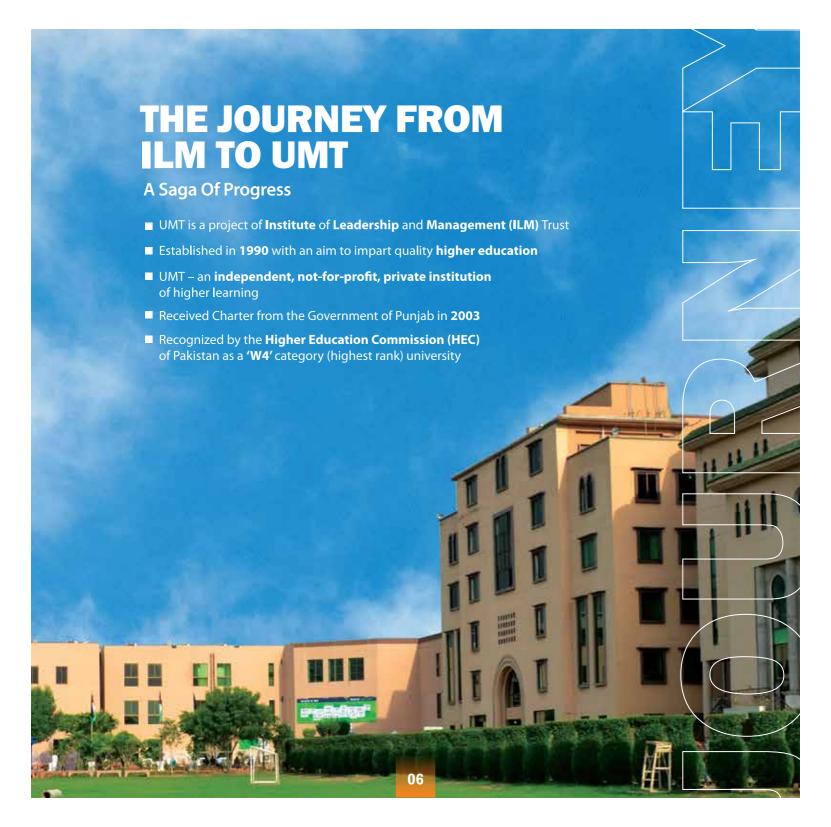

STRATEGY

Transforming Learners into Leaders

In order to succeed in this fast changing world, we blend management expertise and technological excellence.

A Difference You Can See

- UMTTV is a public-serving media outlet which features diverse programs online and live as well
- Pakistan's premier general research university has put forth this academic initiative, keeping in view the core mission of UMT
- UMTTV hosts programs based on a broad spectrum of subjects, including science, health, public affairs, humanities, entertainment, business and education

Above And Beyond

- It was launched in 2014
- It has a **100** feet broadcasting tower on the rooftop of the multistorey SEN Building
- Various shows are hosted, where prominent personalities and the UMT family are interviewed
- It provides broadcasting of a variety of musical, educational, cultural and informational programs by transmitting students' voices
- It believes in taking entertainment and education hand-in-hand

SITARA-O-HILAL FOUNDATION

Volunteer For A Cause

- A team of young, energetic volunteers
- Organizes an array of on-campus events

VISION

To see a Pakistan where citizens put the country and its people first; love and protect Pakistan's existence, and respect its values and foundations.

MISSION

To become an unyielding source that inspires the love of the motherland in the coming generations of Pakistan.

Initiatives:

- Development of Sitara-O-Hilal Foundation Curriculum based on patriotism
- Commenced "Knock the Memories" program in which memories of people who were a part of the freedom moment of Pakistan have been recorded for the generations to come
- Development of an online shop in collaboration with various vendors
