UMT

A Beacon of Excellence

Prof Dr Hasan Sohaib Murad

(Shaheed Rahimahullah)
The Era of Excellence
(1959- 2018)

Professor Dr. Hasan Sohaib Murad was a renowned scholar of organization and management. He was an entrepreneur, educationist, writer, researcher, influencer, policymaker, and a social reformer. Dr Hasan was a man of Vision, Innovation, Communication, and Inspiration. Dr Murad's efforts for cultivating and promoting business education in Pakistan have been widely appreciated by the business organizations, industry, and the Government of Pakistan as well.

VISION

Learning

It defines our existence, inspires all stakeholders associated with us, creates a powerful momentum inside, and responds to the challenges outside. It continues to evolve as present captures new realities and foresight unfolds new possibilities. All in an incessant attempt to help individuals and organizations discover their God-given potentials to achieve Ultimate Success by attaining the highest standards of efficiency, effectiveness, excellence, equity, trusteeship and sustainable development of global human society.

MISSION

Leading

We aspire to become a learning institution and evolve as the leading community for the purpose of integrated development of the society by actualizing strategic partnership with stakeholders, harnessing leadership, generating useful knowledge, fostering enduring values, and projecting sustainable technologies and practices.

OBJECTIVE

Creating a Real-World Impact

Creating a real-world impact by solving issues through our research, learning and leadership.

STRATEGY

Transforming Learners into Leaders

In order to succeed in this fast changing world, we blend management expertise with technological excellence.

- Organizes an array of on-campus events

Initiatives

- Development of Sitara-o-Hilal Foundation Curriculum based on patriotism
- Commenced "Knock the Memories" program in which memories of people who were a part of the freedom moment of Pakistan have been recorded for the generations to come
- Development of an online shop in collaboration with various vendors

LiveX is a revolutionary digital learning platform developed to empower learners with the skills and expertise to thrive in an increasingly competitive global marketplace. We are driven by the urge to help learners realize their true potential through an education model that is skill-focused, activity-based, flexible, real time, inclusive, and immersive.

Our courses are designed to help learners gain skills that make them work-ready and immediately employable

Infinene is a tech-innovation company driven by the fundamental mission of offering top-tier tech-enabled services and expertise. We have embraced a strategy to venture into the digital landscape, offering solutions that are agile, scalable, adaptable, and cost-effective. Moreover we re-envision the status quo by pushing past the confines of customary practices through diligent innovation, quality and excellence.

INTERNATIONAL
**SCHOOL OF
KNOWLEDGE
& LEADERSHIP**

The International School of Knowledge and Leadership (ISKL) offers a dynamic and inclusive learning environment designed to nurture students academically, socially, and personally. Aligned with the Single National Curriculum (SNC), ISKL emphasizes critical thinking, inquiry-based learning, and hands-on approaches like project-based and CPA (Concrete-Pictorial-Abstract) methods.

UMT MARKHORS

UMT offered to sponsor the Markhors Cricket Team in the Pakistan Champions One-Day Cup 2024 and the Bahria Town Champions T20 Cup 2024-25 in line with its commitment to promote sports and emerging sports talent in the country. UMT believes such patronage is crucial to not only project the nation's passion for sports, but for also providing young talent the opportunities to realise its true potential.

Thank You
