# OUR VISION

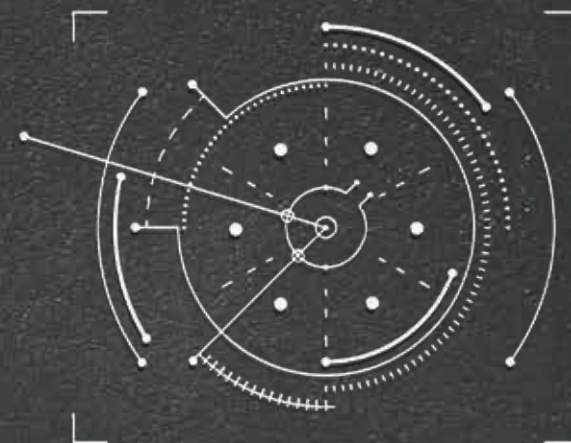

## Learning

It defines our existence and inspires all stakeholders associated with us, creating a powerful momentum internally as well as responding to emerging challenges externally. It continues to evolve as the present captures new realities and foresight unfolds new possibilities, all in an incessant attempt to help individuals and organizations discover their God-given potential and achieve ultimate success by attaining the highest standards of efficiency, effectiveness, excellence, equity, trusteeship and sustainable development of global human society.

# OUR MISSION

## Leading

We aspire to become a learning institution and evolve as a leading community for an integrated development of the society. We aim at building strategic partnerships with stakeholders, harnessing leadership, generating useful knowledge, fostering enduring values, and projecting sustainable technologies and practices.

# LAHORE CITY

## The Knowledge and Cultural Metropolis

It defines our existence and inspires all stakeholders associated with us, creating a powerful momentum internally as well as responding to emerging challenges externally. It continues to evolve as the present captures new realities and foresight unfolds new possibilities, all in an incessant attempt to help individuals and organizations discover their God-given potential and achieve ultimate success by attaining the highest standards of efficiency, effectiveness, excellence, equity, trusteeship and sustainable development of global human society.

# THE JOURNEY FROM ILM TO UMT

## A Saga of Progress

UMT is a project of Institute of Leadership and Management (ILM) Trust. ILM was established in 1990 by leading educationists, professionals, and industrialists with an aim to enhance the organizational and individual effectiveness. UMT – now an independent, not-for-profit, private institution of higher learning – is recognized by the Higher Education Commission (HEC) of Pakistan as a 'W4' category (highest rank) university.

# MARK OF **DISTINCTION**

## Emergence with Eminence

Over the years, UMT has become renowned for its highly rated faculty members with academic credentials obtained from top universities around the world and vast experiences in the corporate and business sectors at home and abroad. That is the reason why our graduates are keenly sought by leading national and international organizations on account of the market-driven and hands-on education imparted to them by our enviable faculty members. Our faculty members have also been the recipients of 'Best University Teacher Awards' by HEC for three consecutive years.

## Growing, Always

UMT has come a long way since its inception and there has been tremendous growth in academic disciplines and infrastructure. In addition to the social sciences programs, UMT has also launched the School of Health Sciences, School of Engineering, School of Food and Agricultural Sciences and Aviation programs over the years. UMT ensures that all academic programs are relevant to real-world business needs and guides students towards a successful future.

## TOP ACCREDITATIONS

### Top Prestige

Institutional accreditations and memberships speaks volumes about a university's programs and how they prepare candidates for coping with real-time challenges in specialized professions. Due to our top accreditations, UMT is one of the best accredited universities in the entire South Asian region. We strongly believe that relevant accreditations are the means through which our programs are benchmarked against best practices.

## INTERNATIONAL LINKAGES

### Competitive Edge through Worldwide Collaborations

UMT is striving round the clock to provide the best educational environment to its students by weaving research and practical knowledge together. To give students an edge over other public and private sector universities, UMT has joined hands with over 60 leading international universities, established student and faculty exchange programs, and launched other collaborative measures to enhance the learning experience of the students.

# INSTITUTIONAL MEMBERSHIPS & ALLIANCES

## Sharing a Global Vision

UMT recognizes the importance of institutional memberships and alliances for developing, supporting and strengthening its academic programs. These memberships and alliances provide opportunities for the professional development of faculty members, improvements in curriculum and incorporation of latest trends in relevant disciplines. Institutional members and alliance partners also work tirelessly to attain the shared goal of promoting academic scholarship through continuous improvement.

# OUTSTANDING **FACULTY**

## Experience World-Class Coaching

Our faculty members are the pride of UMT. Hand-picked from some of the best universities across the globe, they have a distinguished history of service in the world of academia, as well as rich industry/corporate experiences. With 700+ faculty members, 200+ PhDs and 30:1 student-faculty ratio, UMT can rightly lay claim to being one of the few universities in the region that has the most qualified and experienced faculty members.

# PROMOTING RESEARCH CULTURE

## Impacting the Real World

Research plays a critical role in the economic and social development of a society. As such, universities that focus on academic research help their countries to be part of the global knowledge society. UMT is committed to promoting research culture and actively aids faculty members and students to undertake research ventures in diverse fields. UMT students find themselves immersed in a stimulating and supporting environment among leading academics, enabling to turn out high-impact research and cutting-edge discoveries.

# QUALITY ENHANCEMENT CELL

## Enhancing Academic Quality

The Quality Enhancement Cell (QEC) of UMT has been awarded 89.3% on the basis of quantitative assessment, conducted annually by the Quality Assurance Agency (QAA) of HEC, Pakistan. For six consecutive assessments, UMT has successfully maintained its ranking in W category (85%-100%), which is the highest category that can be awarded to an institution.

# RANGE OF SCHOLARSHIPS

## Recognition of Your Achievement

UMT remains committed to providing quality education to all students, irrespective of their social or financial standing. A wide range of scholarships is offered to talented students who choose to study at UMT. Merit-based scholarships are awarded at the time of admission, while need-based financial assistance can be requested during the course of study, only in exceptional circumstances.

# LIBRARY AND LEARNING RESOURCE CENTER

## Treasure-House of Knowledge

UMT supports its academic programs and research initiatives through a state-of-the-art Library and Learning Resource Center (L&LRC). The intrinsic focus of the L&LRC is to make available the persistent intellectual linkage required to build specific resources, and pave the way for researchers and students to access rare scripts, content and substances.

# FIRST RATE FACILITIES

## Care That Never Quits

UMT believes in offering the best facilities to its students. As such, the UMT Campus offers more than an educational and research environment. Students have access to recreation and leisure, as well as excellent computing and lab facilities, hostel residency for out of station students, and a well maintained and efficient transport service.

# INFORMATION PROCESSING CENTER (IPC)

## Shaping Today & Tomorrow with Technology

Information Processing Center (IPC) provides ultra-modern computing facilities to more than 15,000 participants and serves 2,000 to 3,000 participants daily. Its standards meet international requirements of highly advanced IT equipment and services. IPC is equipped with over 1,100 Core i7 and i5 computers, besides offering a General Computing Center, 11 computer classrooms, Project Lab, Graduate Lab, DLD Lab and a separate HEC-Scholars' Lab with required software and printing services.

## TRANSPORT

### The Reliable Way to Go

UMT provides reliable and cost-effective transport service to both day scholars and hostel residents. A fleet of 15 air-conditioned buses provides shuttle services to students and staff members on more than 100 routes that cover all important areas across the city.

# MEDICAL SERVICES

## Service of Humanity

UMT promotes and protects the health and well-being of its students and staff to help them efficiently achieve their educational and personal goals. Apart from medical coverage to staff members, the on-campus UMT Medical Services Unit provides quality emergency medical care to employees and students of the University, as the need arises. The unit maintains a well-equipped ICU unit staffed with fully qualified ICU-trained physicians, staff nurses and paramedical staff.

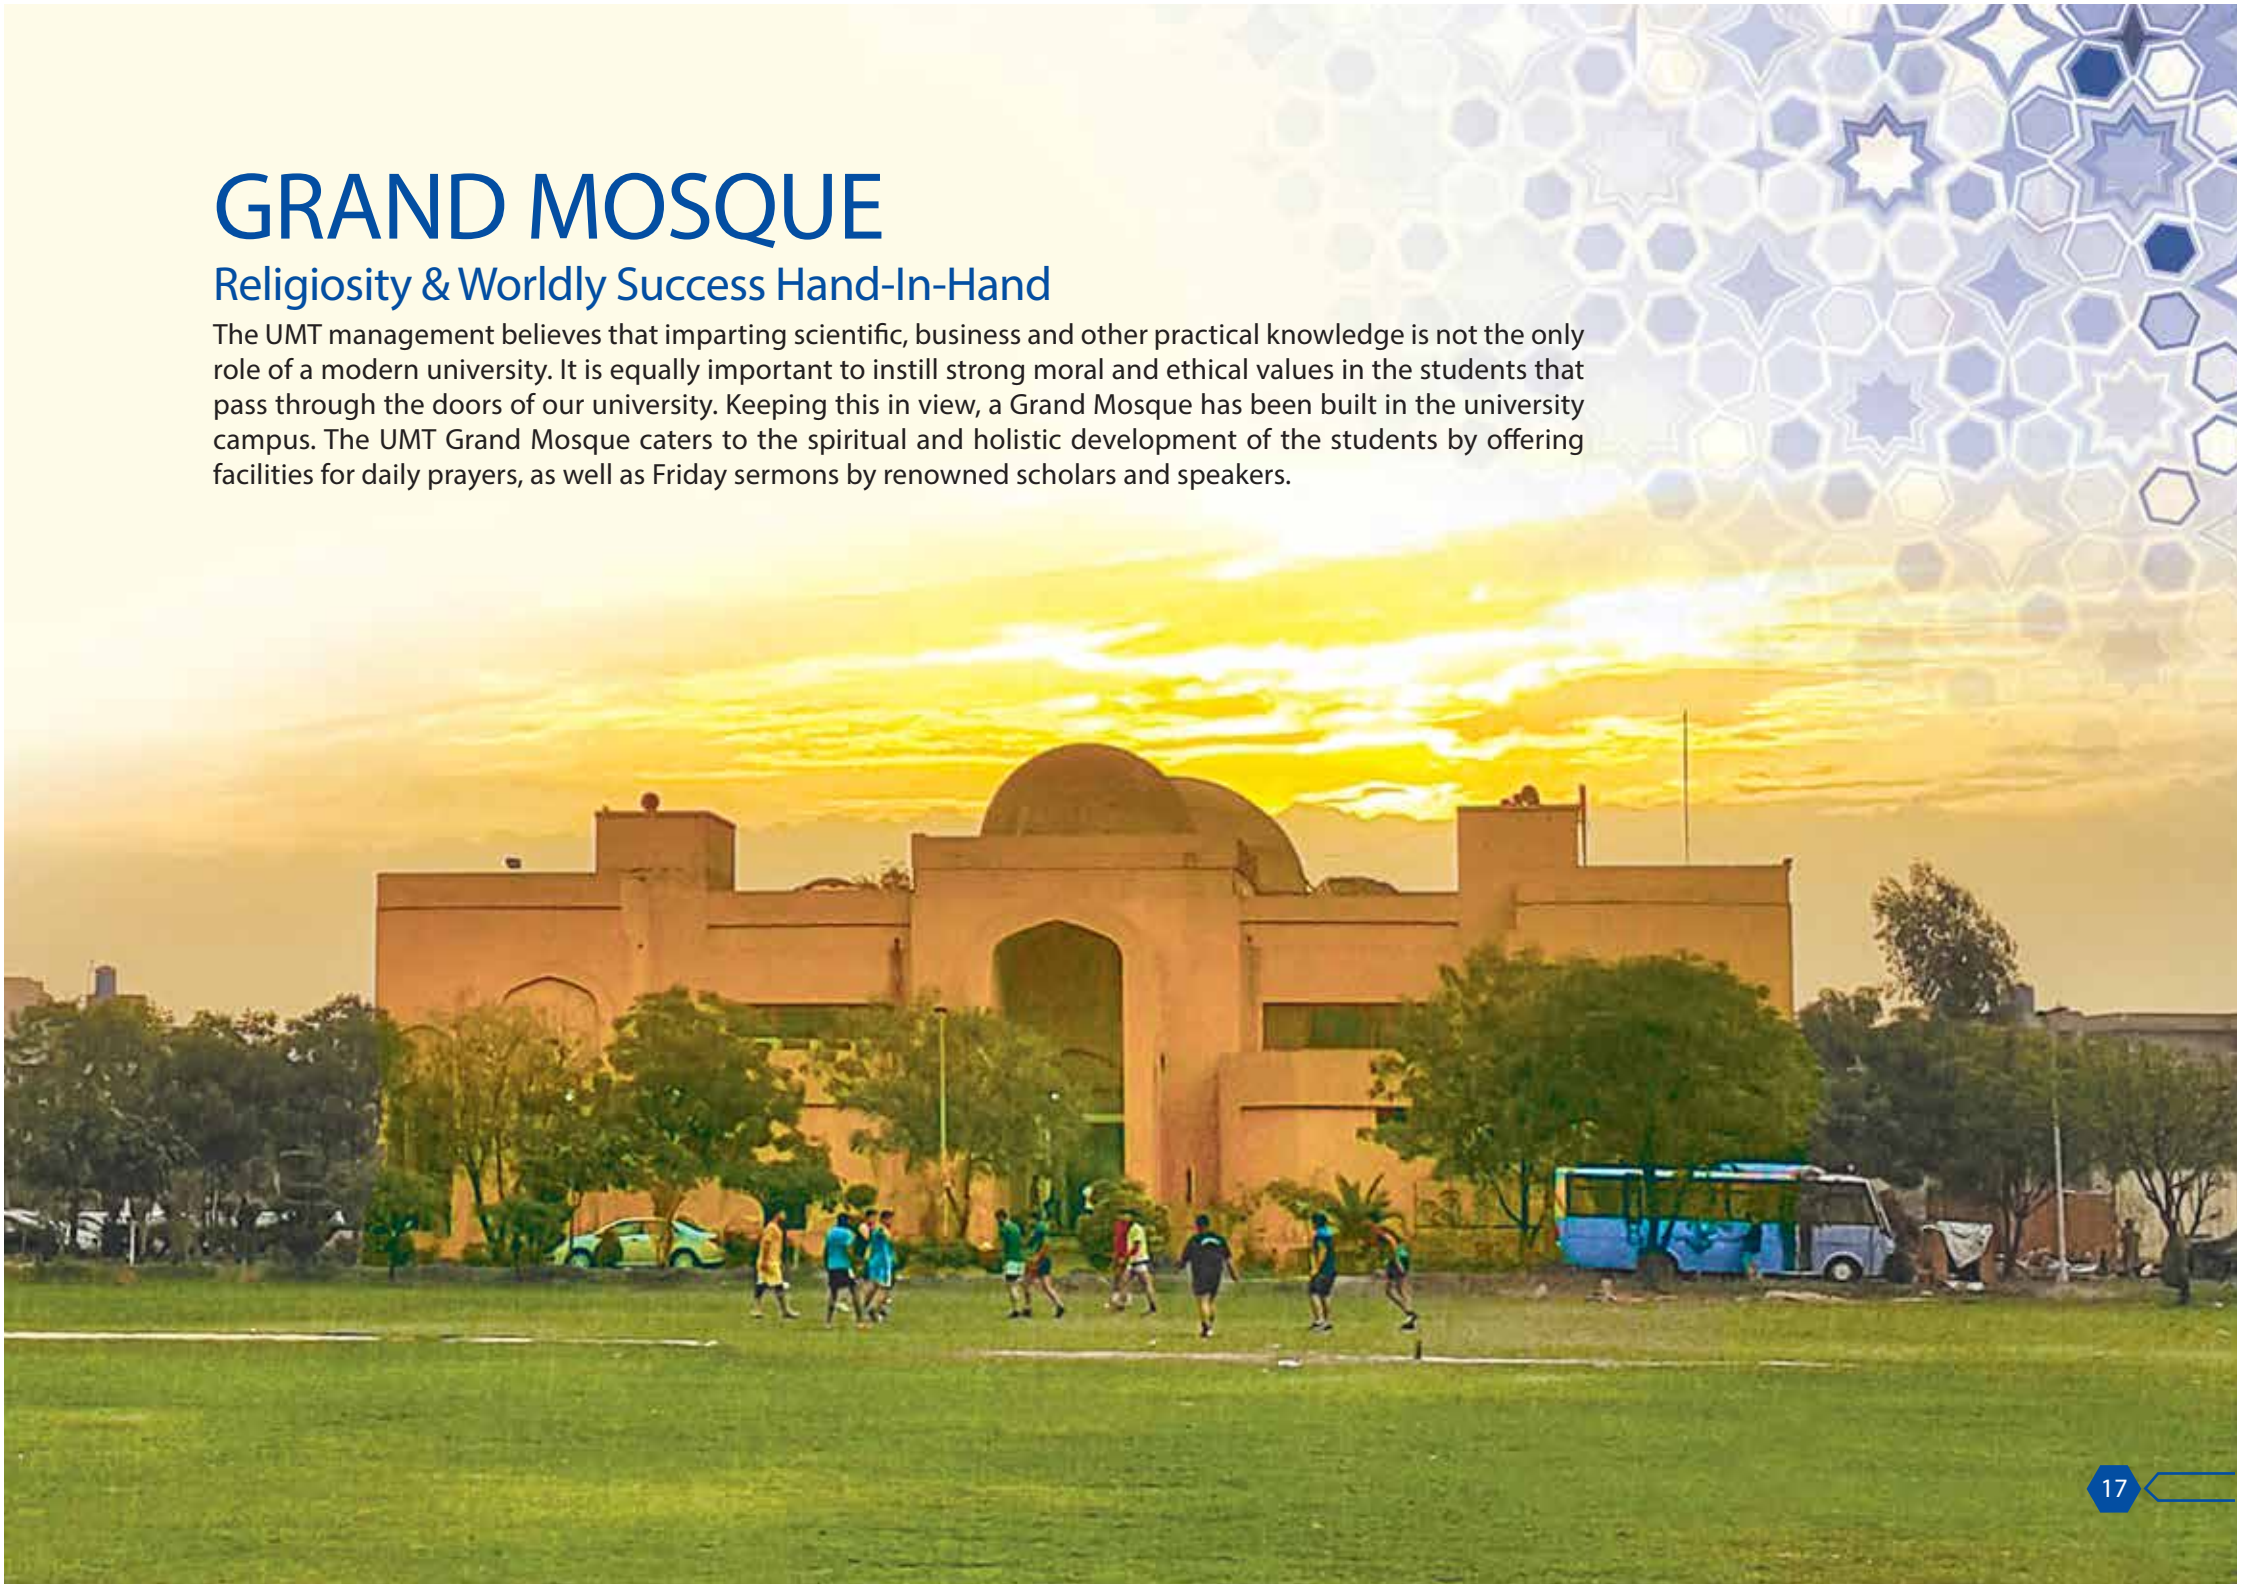

# GRAND MOSQUE

## Religiosity & Worldly Success Hand-In-Hand

The UMT management believes that imparting scientific, business and other practical knowledge is not the only role of a modern university. It is equally important to instill strong moral and ethical values in the students that pass through the doors of our university. Keeping this in view, a Grand Mosque has been built in the university campus. The UMT Grand Mosque caters to the spiritual and holistic development of the students by offering facilities for daily prayers, as well as Friday sermons by renowned scholars and speakers.

# STUDENT HOUSING

## Home Away from Home

UMT maintains separate student housing facilities for male and female participants. The student housing offers independent messing and recreation areas. Pick and drop facility is provided to residents. The housing life further adds to the already rich learning experience at UMT. The boarders come from diverse social and cultural backgrounds, adding color, vibrancy and perspective to the larger UMT family.

# CAFETERIAS

## Foodies' Haven

The UMT Cafeterias provide a relaxing environment to students where they can enjoy meals and snacks during breaks from their studies. The cafeterias offer high quality hygienic food at reasonable prices. Menu items include a range of fast food, snacks, juices, BBQ, Chinese and traditional food, and much more. Special emphasis is placed on maintaining the highest standards of quality and cleanliness.

# UMT SIALKOT

## Expanding Our Reach

UMT is the first private sector university to establish an HEC-approved sub-campus in Sialkot, a city known across the globe for its sports goods, surgical goods and tanning industry. UMT Sialkot Campus was formally inaugurated on May 2, 2012. The 20-kanal campus provides several multimedia classrooms, laboratories, computer labs equipped with state-of-the-art computers, campus wide Wi-Fi internet facility, and well-stocked learning resources. More than 1,800 students are currently enrolled at the UMT Sialkot campus.

# BUREAU OFFICE, ANKARA

## Global Presence

The University of Management and Technology (UMT) has successfully launched a bureau office in Ankara, Turkey. This breakthrough occurred after tireless efforts of Dr Hasan Sohaib Murad. The ultimate goal of this endeavor is to set up a world-class international university with the support of Turkish leadership and promote the concept of 'Two Countries-One Nation' when considered with respect to Pakistan-Turkey friendship.

## OTHER PROJECTS

### Conquering Horizons by Serving Humanity

Our other projects offer a range of services in areas of education, corporate training and publishing. These projects have truly brought to life the concept of integrated education and holistic development of the human capital, focusing on rejuvenating the intellect and inculcating yearning for lifelong learning.

# INSTITUTE OF KNOWLEDGE AND LEADERSHIP, DUBAI

## A Powerhouse of Learning

Institute of Knowledge and Leadership (IKL), a corporate education and learning powerhouse, offers talent development solutions backed by years of delivering the highest quality.
