Message from the President

It is greatly humbling to be addressing this outstanding board of esteemed individuals as the President, Board of Governors UMT and ILM Trust. It has been a year of some great achievements, but also a year of great tragedy, as I lost my father and the soul behind this group of institutions. He taught me innumerable invaluable lessons, but none more so than being grateful to those who believe in your dream and help you make it a reality.

We have always been able to garner immense support for our cause through our esteemed sponsors and it remains a testament of the faith our supporters have in us and our mission.

However, it is imperative to regenerate the notion of continued sponsorship for the education sector of the country and our organization. With the new government prioritizing the delivery of education to the masses, numerous players in non-academic sectors have begun foraying into the education sector. This does indeed give a major boost to efforts aimed at resolving the education crisis.

I believe that the competition would prove healthy, as it would challenge us to be more innovative with both our practice and projects, as well as with the means to keep them going. I also believe in forging alliances and initiating collaborations with organizations to achieve the true goal of the betterment of the nation. I have already proposed those prospects to my organization and ask the same of our respected sponsors; to incorporate values such as enhanced charity and support to ideas that strengthen us as a nation.

I greatly appreciate the support from our sponsors and the members who have gone to great lengths to keep the flow of educational aid consistent, and constant. I would like to recognize the efforts of our members in providing valuable leads and guidance that can help us maximize the value proposition for our sponsors, and I hope they are able to further build upon the already impressive network of sponsors in the years ahead.

I urge potential investors to participate in my mission to continue the legacy of this institution, where we take pride in being sponsors and bearers of the beacon of knowledge and strive each day to share it with others. I consider this an integral part of my faith, as well as my responsibility as a citizen of Pakistan to assist the government in its efforts to reform the country's educational infrastructure.

I hope everyone present considers and lends support to my thoughts and becomes a sponsor of the noble mission that existing sponsors and I are on. I hope we live to see an ideal, educated Pakistan.

Ibrahim Hasan Murad
President UMT

Message from the Rector

Welcome to UMT, a university that is all about transforming innovative ideas into tangible solutions under the mentorship of some of the finest faculty in the region. It is a great time to be in UMT as the University is all set to embark on a new chapter in its 27-year enviable journey of progress and excellence in academic innovation. I feel immense pride in providing institutional leadership to a University whose name is synonymous with quality education and whose graduates are the torch bearers of the highest degree of academic, professional and moral ethos which is the hallmark of their alma mater.

We live in an increasingly complex world where the future is unpredictable and the intertwining of market forces and technology has created an unprecedented impact on higher education globally. The future of developing countries is inextricably linked up with the extent to which higher education translates into economic development and valuable human capital in the knowledge era. How universities perform as key drivers for increased research capacity, innovation, scientific and industrial output, and economic competitiveness not only determines the quality of higher education but also paves the way for national prosperity and well-being. That is why universities have been recognized as the pivot of knowledge economies and entrepreneurial growth. As such, the future of the world hinges on the capabilities of university students like you and how well prepared you are to contribute to a knowledge-intensive society.

So our priority then, is your success, i.e., the success of our students. How do we achieve this? By providing a learning experience that prepares you to meet the challenges of the future. With an outstanding legacy of academic excellence and diversity in academic disciplines that has already established its credentials as a premier General University in Pakistan, UMT has already made its mark on the higher education landscape. Our vision for the future of UMT is to transform the University into a powerhouse of learning and innovation nationally and regionally, and strengthen its overall rankings in specific domains. We remain committed to nurturing and challenging your spirit and intellect; be assured that once you have become a UMT graduate, you will be ready to face the uncertainties of the future with the confidence and enthusiasm of those who are equipped to be world changers, explorers, innovators, discoverers, and leaders.

Dr Muhammad Aslam
Rector UMT

About UMT

UMT is a project of Institute of Leadership and Management (ILM) Trust. ILM was established in 1990 by leading educationists, professionals, and industrialists with an aim to enhance the organizational and individual effectiveness. Guided by the noble mission of helping others in actualizing their limitless human potential to its finest shape, ILM sought to respond to the challenges of information-based economy, globalization, and ever increasing complexity.

UMT – now an independent, not-for-profit, private institution of higher learning – received her degree-granting charter first as the Institute of Management and Technology (IMT) in 2002 through an Act of the Assembly of the Punjab. Later, on 16 June 2004, IMT became University of Management and Technology through the passing of a similar Act by the Punjab Assembly. UMT is recognized by the Higher Education Commission (HEC) of Pakistan as a 'W4' category (highest rank) university.

In 2015, UMT celebrated 25 years of 'Emergence with Eminence' in recognition of its contribution to the promotion of higher education in Pakistan. Over the years, UMT has become renowned for its highly rated faculty members who are graduates of top universities of the world with vast experience of the corporate and business sector. That is why our graduates are hired by leading national and international organizations on account of the market driven and practical education imparted to them by our highly qualified faculty members. UMT provided exceptional professional development and training opportunity to selected faculty members at George Mason University, USA, in 2016. Our faculty members are also recipients of 'Best University Teacher Awards' by the HEC for 3 consecutive years.

UMT has come a long way since its inception. There has been tremendous growth in academic disciplines and infrastructure. In addition to the social sciences programs, over the years, UMT has also launched new programs in response to market demands. These programs have attracted large number of students and are running successfully. UMT School of Business and Economics (SBE) has SAQS accreditation by the Association of Management Development Institutions in South Asia (AMDISA) while its business programs have been accredited by National Business Education Accreditation Council (NBEAC). SBE is ranked among the top 5 business schools in Pakistan by NBEAC. SBE is in academic alliance with SAP, ORACLE, Microsoft Dynamics and IBM which distinguishes it as one of the best schools of Pakistan. UMT has also won international recognition for scientific research. It was among the top 4 in scientific research in Pakistan in Nature Index Table 2016. Pakistan Council of Architects and Town Planners (PCATP) has accredited Bachelor of Architecture (BArch) and Bachelor of City and Regional Planning (BS CRP) programs at UMT. The courses of study at UMT are designed to develop the skills of students in specific areas that are important for employers. As such, UMT ensures that all academic programs are relevant to real world business needs and guide students towards a successful future. This journey of excellence is on to keep our tradition of leading and learning.

School of Architecture
and Planning (SAP)

School of Architecture and Planning (SAP)

Introduction

The School of Architecture and Planning was created in February 2015 after gaining a level of recognition and maturity in academic and professional repute of its programs i.e Bachelor of Architecture which commenced in 2012 and BS City and Regional Planning in 2014. SAP has also launched Bachelor of Landscape Architecture in 2018 after all necessary approvals from the relevant bodies. Currently, the School comprises two departments i.e Department of Architecture and Department of City and Regional Planning. The School also offers Master degrees, MS and PhD degrees. All undergraduate and graduate programs are fully recognized by the HEC of Pakistan and PCATP (Pakistan Council of Architects and Town Planners). SAP also has Housing Research Center which was established in 2016 and it is first of its own kind among Pakistan's top social and urban policy research centers.

Departments

- Department of Architecture
- Department of City and Regional Planning

For complete details, please visit: <http://sap.umt.edu.pk/>

Undergraduate Programs

- Bachelor of Architecture (B. Arch)
- Bachelor of Landscape Architecture (B. LA)
- Bachelor of Science in City and Regional Planning (BS CRP)

Master Program

- Master of Architecture (M. Arch)

MS Program

- MS Housing and Community Development
(Not offered in Fall 2020)

PhD Program

- PhD Architecture

Bachelor of Architecture

The curriculum and structure of Bachelor of Architecture (B. Arch) program is comparable to any similar international degree with special regard to HEC specified guidelines. The curriculum, selection of the faculty, planning of the infrastructure such as dedicated building, classrooms, design studios, etc. are designed to fulfill the Pakistan Council of Architects and Town Planners (PCATP) requirements.

Web Link: <https://goo.gl/nSydGI>

Program Summary

- Duration **05 years**
- Credit Hours **176**

Admission Requirements

- Minimum 50% marks in Intermediate with Mathematics/A-Level with Mathematics or equivalent
- No third division in Matric
- Equivalence Certificate from IBCC in case of O-Level and A-Level
- Selection for Admission based on qualification of:
 - UMT entrance test
 - Department's aptitude test
 - Interview

Total Learning Investment

Rs 1,699,000

MS Strategic Human Resource Management

The MS in Strategic Human Resource Management program is aimed at developing globally competitive corporate and academic leaders in the field of Human Resource Management. This program prepares competitive and ethical HR professionals who can design and deliver research-led customized, innovative, and competitive HR solutions to help any kind of organization to successfully meet its strategic goals.

Web Link: <https://goo.gl/MBqEm6>

Program Summary

- Duration 02 years
- Credit Hours 30

Admission Requirements

- 16 years of formal education with minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- University GAT Test or NTS GAT Test 50%
- Interview

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: dir.msmtg@umt.edu.pk

MS Supply Chain Management

MS Supply Chain Management is designed to develop the managerial and leadership abilities in students for a role in managing modern day supply chains. The MS Supply Chain Management program focuses on making strategic decisions in such a way that alignment throughout the processes, corporate policies or visions and individual objectives of the departments/sections are not affected.

Web Link: <https://goo.gl/lkl8z>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of formal education with minimum 50% marks in annual system or 2.25 CGPA in semester system
- No third division in entire academic career
- University GAT Test 60% or NTS GAT Test 50%
- Interview

Total Learning Investment

Rs 599,000

For Further Details,
Please Contact: osc.cod@umt.edu.pk

PhD Economics

The PhD Economics program aims at developing scholars' research potential to prepare them for enterprising careers. Faculty members have progressive research to their credit and can supervise in areas of Economic Theory, Applied Economics, Econometrics, etc. Participants' analytical skills are developed through discussions in participative activities through seminars and workshops.

Web Link: <https://goo.gl/amgtSr>

Program Summary

- Duration **3 years**
- Credit Hours **18**
- Dissertation **27 credit hours**

Admission Requirements

- MS or 18 years of formal education with CGPA 3 in relevant discipline
- No third division in entire academic career
- University GAT Test with 70% or GAT Subject Test with 60% Score
- Interview

Total Learning Investment

Rs 599,000

For Further Details,
Please Contact: eco.cod@umt.edu.pk

PhD Management

The PhD Management program aims to produce internationally recognized researchers/academicians in the field of management sciences with an integrated perspective on management to address complex issues in the national and international context. The doctoral program is structured to ensure that students build on intellectual and broad-based knowledge and skills.

Web Link: <https://tinyurl.com/yxrzkaeo>

Program Summary

- Duration **03 years**
- Credit Hours **18**
- Dissertation **27 credit hours**

Admission Requirements

- MS or 18 years of formal education with 3 CGPA in relevant discipline
- No third division in entire academic career
- University GAT Test with 70% or GAT Subject Test with 60% Score
- Interview

Total Learning Investment

Rs 699,000

For Further Details,
Please Contact: phdsbe.dir@umt.edu.pk

PhD Statistics

The PhD Statistics program aims to enable students to plan and develop statistical techniques, and disseminate statistical knowledge through local and national bodies in research, government, business, and industry. The program ensures that the students in PhD Statistics are equipped with advanced training to meet substantial demand for positions in research analysis in different organizations.

Web Link: <https://goo.gl/9VijeP>

Program Summary

- Duration **03 years**
- Credit Hours **18**
- Dissertation **27 credit hours**

Admission Requirements

- MS Statistics or Applied Statistics, or equivalent 18 years of formal education with 3 CGPA in relevant discipline
- No third division in entire academic career
- University GAT Test with 70% or GAT Subject Test with 60% Score

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: qmd.cod@umt.edu.pk

School of Commerce and Accountancy (SCA)

School of Commerce and Accountancy (SCA)

Introduction

UMT has established the School of Commerce and Accountancy (SCA) for imparting quality education in the fields of accounting, auditing, commerce, finance, business and information technology. The objective of SCA is to focus on these ever demanding fields of Accounting, Finance and Auditing by developing new programs that meet today's business requirements. It aims to train students with the requisite knowledge and skills to become leaders in business organizations, both nationally and internationally. SCA is known for its high profile faculty comprising of chartered accountants, chartered certified accountants, management accountants and PhD degree holders who possess a blend of teaching and practical exposure. SCA offers professional, graduate, undergraduate and associate degree programs with specializations in accounting, finance, auditing, taxation, corporate governance and business management. SCA is also offering the coaching for local and international professional accountancy qualifications i.e. CA Pakistan, ACCA UK. SCA is committed to produce quality professionals and assures a bright and prosperous future for its students by providing them quality education in the fields of Accounting, Auditing, Commerce, Business Management and Finance.

▶ For complete details, please visit: <http://qac.umt.edu.pk/>

Undergraduate Programs

- BS Accounting
- BS Actuarial Sciences and Risk Management (Not offered in Fall 2020)
- BS Business Management and Accounting
- BCom – Honors
Pathway I
4 Years after Intermediate/A-Level or Equivalent
Pathway II
2 Years after BCom IT or Equivalent

Master Program

- Master of Commerce
- Master of Business Studies (MBS) (Not offered in Fall 2020)
- Associate Degree in Computer Science
- Associate Degree in Information Technology
- Associate Degree in Sales and Marketing
- Associate Degree in Business Administration and Commerce
- Associate Degree in Accounting and Finance

BS Accounting

BS Accounting is designed to prepare professionals in the field of Accounting and Finance for the better implementation of practices in national and multinational organizations. Main objective is to offer the distinctive opportunity to study theory and practice relating to accounting and develop proficiency in the application of accounting, auditing, and taxation and finance principles.

Web Link: <https://goo.gl/1cXgJq>

Program Summary

- Duration **04 years**
- Credit Hours **126**

Admission Requirements

- Intermediate/A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entrance test
- Equivalence certificate from IBCC in case of O-Level and A-Level

Total Learning
Investment

Rs 699,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

BS Actuarial Sciences and Risk Management

The Degree in Actuarial Science aims to provide formal academic and professional training to the students who desire to join the actuarial profession. Although it is a separate discipline with its own area of knowledge, however, modern actuarial training requires multidisciplinary knowledge such as probability, statistics, economics, investment, finance, law, taxation, and accounting.

Web Link: <https://tinyurl.com/y6t8azka>

Program Summary

- Duration **04 years**
- Credit Hours **126**

Admission Requirements

- Minimum 45% marks in Intermediate/A-Level or equivalent and no third division in Matriculation
- Interview

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

BS Business Management and Accounting

BS Business Management and Accounting program gives students a rigorous insight into business management from both holistic as well as methodological perspective. In today's fast-paced business environment, employers look not only for technical competencies when hiring or promoting, they also look for skilled, articulate, career-savvy and confident workers who can make a positive and long-term impact on their organization.

Web Link: <https://tinyurl.com/y5h38yjg>

Program Summary

- Duration **04 years**
- Credit Hours **126**

Admission Requirements

- Minimum 45% marks in Intermediate/A-Level or equivalent and no third division in Matriculation
- Interview

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

BCom–Honors

The program provides strong foundation to participants in Accounting, Finance and Taxation. It equips them with the knowledge and competence in business and commerce. It challenges the participants' mind through competitive education that emphasizes on inculcating values, thus transforming them into socially responsible managers and business leaders.

Web Link: <https://goo.gl/dN7pTe>

Pathway I

Program Summary

- Duration **04 years**
- Credit Hours **126**

Admission Requirements

- Intermediate/A-Level or equivalent
- Minimum 45% marks in Intermediate and Matric
- UMT entrance test

Pathway II

Program Summary

- Duration **02 years**
- Credit Hours **63**

Admission Requirements

- BCom IT or equivalent
- Atleast 45% marks in BCom IT, Intermediate and Matric
- UMT entry test
- Equivalence certificate from IBCC in case of O-Level and A-Level

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

Master of Commerce (MCom)

The MCom program aims to produce well-trained professionals who have the capacity for independent thought and work, as well as for teamwork. Students are given education and encouragement to develop their full potential, which allows them to make an intellectual contribution at the highest levels of business, government and the community.

Web Link: <https://goo.gl/pR4RFP>

Program Summary

- Duration **02 years**
- Credit Hours **63**

Admission Requirements

- At least 14 years of formal education (BCom IT or equivalent)
- Minimum 45% marks in 14 years of education, Intermediate and Matric
- Interview

Total Learning
Investment

Rs 449,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

Master of Business Studies (MBS)

MBS program is especially tailored for graduates having 14-year education who are desirous to get an MBA degree. This program is designed to ensure that students get a common knowledge base required for further learning, prior to pursuing advance MBA courses. Rigorously designed advance curriculum and innovative teaching methodology help in enhancing the conceptual and analytic skills of students.

Web Link: <https://goo.gl/zfs6uS>

Program Summary

- Duration **02 years**
- Credit Hours **63**

Admission Requirements

- At least 14-years of formal education (BA, BSc, BCom IT or equivalent)
- Minimum 45% marks in 14 years of education, Intermediate and Matric
- Interview

Total Learning
Investment

Rs 449,000

For Further Details,
Please Contact: info.qac@umt.edu.pk

School of Engineering
(SEN)

School of Engineering (SEN)

Introduction

The School of Engineering (SEN) was set up in April 2013 with the vision to act as a hub for various engineering disciplines. It provides a common regulatory platform for professional education in the field of engineering aiming to achieve national and international accreditation of degree programs offered under its umbrella. SEN offers programs recognized/accredited by the Higher Education Commission (HEC) and Pakistan Engineering Council (PEC). SEN offers leading-edge programs to instill design, application and innovation skills in its students by utilizing and involving their curiosity, intelligence and creativity. It is worth noting that Outcome Based Education (OBE) is being implemented in all the engineering programs of UMT. The graduates of the BS programs of Civil, Electrical, Mechanical and Industrial Engineering are expected to have developed the knowledge, skills and personality traits described by the twelve Program Learning Outcomes (PLOs) 1-12, i.e. engineering knowledge, problem analysis, design of solutions, investigation, modern tool usage, the engineer and society, environment and sustainability, ethics, individual and team work, communication, project management and life long learning.

Departments

- Department of Civil Engineering
- Department of Electrical Engineering
- Department of Industrial Engineering
- Department of Mechanical Engineering

▶ For complete details, please visit: <http://sen.umat.edu.pk/>

Undergraduate Programs

- BS Civil Engineering (BS CE)
- BS Electrical Engineering (BS EE)
- BS Industrial Engineering (BS IE)
- BS Mechanical Engineering (BS ME)

BS Civil Engineering (BS CE)

The Civil Engineering program at SEN is designed to mold students into excellent professional engineers by exposing them to different aspects of Civil Engineering, i.e. structural, geotechnical, water resources, environmental and transportation engineering. The curriculum, includes foundation courses in mathematics, physics and material sciences. Graduates will be characterized by PEO 1-3 (See page 44 for details).

Web Link: <https://goo.gl/QAFcWt>

Program Summary

- Duration **04/07 years**
- Credit Hours **136**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ECAT/NAT-IE with minimum 50% marks
- Interview

Total Learning
Investment

Rs 1,699,000

For Further Details,
Please Contact: civil.cod@umt.edu.pk

BS Electrical Engineering (BS EE)

Electrical Engineering has its foundation in physical science, mathematics and a broad knowledge of engineering techniques in many areas, including electronics, signal processing, networking and IoT, artificial intelligence, machine learning and communication systems. It offers a breadth of education and depth of training necessary for acquiring engineering problem-solving skills. Graduates will be characterized by PEO 1-3 (See page 44 for details).

Web Link: <https://goo.gl/En2h4r>

Program Summary

- Duration **04/07 years**
- Credit Hours **135**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ECAT/NAT-IE with minimum 50% marks
- Interview

Total Learning
Investment

Rs 1,499,000

For Further Details,
Please Contact: een.cod@umt.edu.pk

BS Industrial Engineering (BS IE)

The BS Industrial Engineering program is constituted by an appropriate blend of courses from engineering, management and social sciences domains. These cover not only the breadth of industrial engineering and cross-disciplinary engineering fields, but also delve deeper into specific areas. Graduates will be characterized by PEO 1-3 (See page 44 for details).

Web Link: <https://goo.gl/ZgXHQ5>

Program Summary

- Duration **04/07 years**
- Credit Hours **135**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ECAT/NAT-IE with minimum 50% marks
- Interview

Total Learning
Investment

Rs 1,199,000

For Further Details,
Please Contact: ie.cod@umt.edu.pk

BS Mechanical Engineering (BS ME)

The BS Mechanical Engineering Program aims to produce future leaders for industry, academia, and government. The curriculum includes the courses from Engineering, Management and Social Sciences domains. The main objective of the program is to provide Engineering and professional education to the students, preparing them to be successful as career engineers. Graduates will be characterized by PEO 1-3 (See page 44 for details).

Web Link: <https://goo.gl/ywcSGU>

Program Summary

- Duration **04/07 years**
- Credit Hours **136**

Admission Requirements

- HSSC (FSc Pre-Engineering) 60% marks or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entry test/ECAT/NAT-IE with minimum 50% marks

Total Learning Investment

Rs 1,699,000

For Further Details,
Please Contact: mec.cod@umt.edu.pk

PEO of BS Civil Engineering Program

PEO 1: Employing the acquired engineering knowledge and skills, the graduates will serve the respective fields of civil engineering with professional integrity.

PEO 2: The graduates will demonstrate professional growth and personal development through effective communication, teamwork and lifelong learning.

PEO 3: The graduates will uphold ethical values in their professional and societal activities.

PEO of BS Electrical Engineering Program

PEO 1: Draw upon engineering knowledge and skills to serve their respective fields with professional integrity.

PEO 2: Demonstrate professional and personal development through effective communication, teamwork and lifelong learning.

PEO 3: Uphold ethical values in their professional and societal activities.

PEO of BS Industrial Engineering Program

PEO 1: To produce industrial engineering graduates having capabilities to assume challenging roles in manufacturing and service sectors in global environment.

PEO 2: To provide employers with graduates who are technically competent and possess decision making and problem solving abilities to enhance effectiveness.

PEO 3: To produce professionals who recognize that engineering is a global service profession that must be practiced ethically.

PEO of BS Mechanical Engineering Program

PEO 1: Able to solve the challenging problems in industry and academia using knowledge and skills.

PEO 2: Able to demonstrate personal and professional development for individual and team through communication skills and modern engineering techniques for lifelong learning.

PEO 3: Capable of contributing positively in the society through strong ethical values, leadership and management.

MS Programs

- MS Civil Engineering (MS CE)
- MS Electrical Engineering (MS EE)
- MS Engineering Management (MS EM)
- MS Mechanical Engineering (MS ME)

PhD Program

- PhD Electrical Engineering (PhD EE)

MS Civil Engineering (MS CE)

The MS program emphasizes on modern trends, cutting-edge techniques and advanced knowledge. The aim of the MS courses is to meet the needs of a broad range of engineering industries by providing high caliber graduates with the skills necessary to lead future development projects.

Web Link: <https://goo.gl/AleTVU>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education with Bachelor in the relevant discipline
- GAT General/UMT Test 50% or above
- CGPA in Bachelor degree should be equal to or above 2.25
- No third division in entire academic career

Total Learning Investment

Rs 449,000

For Further Details,
Please Contact: civil.cod@umt.edu.pk

MS Electrical Engineering (MS EE)

The Master of Science (MS) program in Electrical Engineering is designed to prepare students for technically demanding careers in industry as well as for post-master's graduate studies in Electrical Engineering or related fields.

Web Link: <https://goo.gl/xa8Khq>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education with Bachelor in the relevant discipline
- GAT General/UMT Test 50% or above
- CGPA in Bachelor degree should be equal to or above 2.25
- No third division in entire academic career

Total Learning Investment

Rs 449,000

For Further Details,
Please Contact: een.cod@umt.edu.pk

MS Engineering Management (MS EM)

The MS degree program in Engineering Management (MS EM) is designed to build both technical competence and business acumen. The program builds understanding and skills critical to the support of fast-to-market strategies, which also guarantee product quality and cost minimization.

Web Link: <https://goo.gl/i8JURC>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education with Bachelor in any engineering discipline
- GAT General/UMT Test: 50% or above
- CGPA in Bachelor degree should be equal to or above 2.25
- No third division in entire academic career

Total Learning Investment

Rs 449,000

For Further Details,
Please Contact: ie.cod@umt.edu.pk

MS Mechanical Engineering (MS ME)

MS Mechanical Engineering Program is designed to produce future professional leaders for industry, academia, and government. The main objective of the program is to provide education to the students with emphasis on coursework and research aligned with global technological trends. The program structure is designed for professionals, working in the industry and academia, willing to boost their knowledge in the major areas of Mechanical Engineering for their career advancements.

Web Link: <https://goo.gl/r6XYyk>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education with Bachelor in the relevant discipline
- GAT General/UMT Test 50% or above
- CGPA in Bachelor degree should be equal to or above 2.25
- No third division in entire academic career
- Interview

Total Learning Investment

Rs 449,000

For Further Details,
Please Contact: mec.cod@umt.edu.pk

PhD Electrical Engineering (PhD EE)

This program provides the graduates with the broad as well as in-depth technical education that significantly contribute towards strengthening the national infrastructure for research. The program involves the intelligentsia of the country towards meeting national challenges such as energy crisis, utilization of artificial intelligence and big data, novel applications of IoT, launch of wireless 5G/6G, and industry automation to meet export targets and to bring IT revolution.

Web Link: <https://goo.gl/bwLhW4>

Program Summary

- Duration **03/08 years**
- Credit Hours **18+ thesis**

Admission Requirements

- Minimum 3.0 CGPA or in case of annual system 60%
- GAT Subject 60% or UMT test 70%
- No third division in entire academic career
- Interview

Total Learning Investment

Rs 699,000

For Further Details,
Please Contact: een.cod@umt.edu.pk

School of Food and
Agricultural Sciences
(SFAS)

School of Food and Agricultural Sciences (SFAS)

Introduction

School of Food and Agricultural Sciences (SFAS) at UMT aims to integrate recent advances in food processing and agriculture in order to produce professionals equipped with academic and research skills, and who in turn can make significant contributions to the agricultural and food industries of Pakistan, Pakistan's economy, and make a difference across the world economies as well. With an innovative teaching and research facility, SFAS acts as a pivotal bridge between the Ministry of National Food Security & Research (MNFSR), and the agriculture universities for the uplifting and progress of farming and food industries of Pakistan.

SFAS boasts world-class education and research facilities in the field of food science and agricultural technologies, with the capability of addressing the domestic and national issues in the domain of food and agricultural sciences. The prime aim of these facilities is to enable and aid our crop of highly skilled food science professionals in producing and delivering safe and healthier food solutions to our community through continued research and development. More recently, SFAS has become an approved center of Highfield International UK (<https://highfieldinternational.com/qualifications/international/foodsafety>) for providing Food Safety Trainings (Level 1, 2, 3 and 4) in Pakistan, another step in achieving greater academic and research excellence.

SFAS continues to work in developing a collaborative network involving major stakeholders in the food industry (research organizations, food industry and universities) for the effective transfer of knowledge, and the translation of this knowledge into innovative product development solutions. Moreover, SFAS is working towards enhancing the research and innovation capacities and capabilities of the agro-food industry through international collaborations with distinguished research institutes and universities.

Program Summary

- Duration **04 years**
- Credit Hours **136**

Admission Requirements

- No third division in Matric
- FSc (Pre-Medical or Pre-Engineering) 50% marks or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- MCAT or UMT admission test with 50%

Total Learning Investment

Rs 799,000

For Further Details,
Please Contact: sfas.dir@umt.edu.pk

BS Food Science and Technology

Food Science and Technology is a multidisciplinary area that applies basic sciences such as biology, chemistry, and engineering to develop food products and design processes to improve the safety and quality of food. The Food Science and Technology program provides students with a solid understanding of all aspects related to food quality and safety, food chemistry and analysis, and food processing and engineering.

Web Link: <https://goo.gl/4KkiMG>

Program Summary

- Duration **04 years**
- Credit Hours **136**

Admission Requirements

- No third division in Matric
- FSc (Pre-Medical or Pre-Engineering) 50% Marks or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- MCAT or UMT admission test with 50%

Total Learning Investment

Rs 799,000

For Further Details,
Please Contact: sfas.dir@umt.edu.pk

MS Food Technology

The MS Food Technology program provides students with a solid understanding of all aspects related to food quality and safety, food chemistry and analysis, and food processing and engineering. The program also educates students on food laws and regulations, novel and functional foods, and sensory and nutritional values of foods.

Web Link: <https://goo.gl/ZjeRGT>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- BS in Agriculture, Nutrition, Chemistry, Biology and Food Technology
- 2.5 CGPA or 60% marks in case of annual system
- UMT GAT Test/NTS GAT Test with 50% Score
- Interview

Total Learning Investment

Rs 399,000

For Further Details,
Please Contact: sfas.dir@umt.edu.pk

MS Food Quality Management

The Food Quality Management integrates the concepts of food technology, quality assurance and management. This MS program integrates the quality processes in supply chain through various managerial approaches. Students will study the advanced approaches in food quality, quality assurance, quality design, quality improvement and various business strategies.

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- BS/BSc (Hons) Food Science and Technology/Food Science/Food and Nutrition/Dairy Technology, Agriculture (specializing in Food Technology)/Biotechnology with a minimum CGPA of 2.5 (out of 4)
- GAT/GRE/UMT entrance test
- UMT interview

Total Learning Investment

Rs 399,000

For Further Details,
Please Contact: sfas.dir@umt.edu.pk

School of Governance
and Society (SGS)

School of Governance and Society (SGS)

Introduction

The School of Governance and Society (SGS) at UMT is a pioneering venture to teach interdisciplinary programs in Governance Studies. At the School, the purpose of education is not merely to enable prospective students and executives to obtain a degree and to excel in the public sector; it is also to instill in them a capacity to be curious, to discover their inner potential, to ask difficult questions, to challenge conventional wisdom, and to reinterpret the socioeconomic and political environment of Pakistan. The endeavor is focused on enabling the students to find innovative solutions to the many failures of governance that plague us and to promote sustainable development. Learning at the School aims to empower the citizens and the leaders of tomorrow by giving them knowledge with compassion, information with independent thinking, management skills with a sense of justice, and governance capacity with equity.

School of Health
Sciences (SHS)

School of Health Sciences (SHS)

Introduction

The School of Health Sciences (SHS) at UMT aims to prepare the next generation of exceptional leaders in healthcare and medicine in Pakistan. SHS achieves this by embracing a spirit of inquiry and innovation in education and research across all academic programs currently offered by the School. The School uses interdisciplinary approach, innovative and technology-driven teaching methodology, and provides world class clinical and lab facilities to the students with an amazing learning experience. A low student-to-faculty ratio helps to ensure that students achieve academic success within a rigorous and supportive environment. The students are immersed in multidisciplinary, collaborative model of study early and experience hands-on real-life environment right from the beginning of their course work to get a thorough grounding in the subjects of study. SHS offers a wide range of undergraduate programs in health sciences across a wide spectrum of fields.

School of Law and
Policy (SLP)

School of Law and Policy (SLP)

Introduction

UMT School of Law and Policy is Pakistan's leading private sector law school. After being inaugurated in 2011, School of Law and Policy has developed an outstanding reputation in the legal sector for producing sharp-minded, quick-witted, and hardworking lawyers. The Law School offers a five-year B.A.-LLB degree recognised by the Pakistan Bar Council, and a two-year LLM degree in Commercial Law. Our core strength lies in our exceptional teaching staff comprising of noted academics, barristers and top notch lawyers trained at some of the finest law schools of the world. Our teaching methodology focuses on imparting critical thinking skills, legal analysis and a deep understanding of the law. We couple the teaching in the classroom with practical training in the field that gives us edge over all other law schools. Students at SLP undergo training for legal research, drafting and mock trials. Mandatory participation in Moot Competitions and visits to courts, police stations, judicial academies and forensic lab prepare our students for life after law school. SLP's reputation in the field of law allows it to arrange placements for its students at the leading law firms in the country.

UMT School of Law and Policy regularly hosts Judges of the Supreme Court & High Court, leading lawyers & professionals, from all over the world for guest lectures, panel discussions, seminars and conferences. We further arrange Exchange Programs for our students at reputed foreign universities.

At UMT School of Law and Policy, we take pride in producing well-rounded and thinking individuals who will become leaders of the country by taking up careers in academia, judiciary, civil service and the practice of law. Join SLP to become a future leader of Pakistan!

School of Science
(SSC)

School of Science (SSC)

Introduction

The School of Science (SSC) at UMT comprises four departments, Chemistry, Life Sciences, Mathematics and Physics. Our programs offer high-level education and research training in basic and applied sciences, aiming to develop students into researchers, scientists and innovators as well as highly specialized professionals with broad vision, excellent research skills, and ability to adapt them to rapidly changing demands. We offer a wide range of pioneering degree programs for both undergraduate and postgraduate studies. A strong emphasis is placed on applying course work to real life challenges with an eye on the needs of the high-tech world of the 21st century. Undergraduate degree programs include many electives, letting our students tailor a curriculum to individual interests and talents. This added flexibility affords the opportunity to begin accelerated programs, pursue dual degrees or begin graduate work.

Departments

- Department of Chemistry
- Department of Mathematics
- Department of Physics
- Department of Life Sciences

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- 12 years of formal education FSc/A-Level with Mathematics
- Minimum 50% marks at FSc level or equivalent
- Equivalence certificate from IBCC in case of O-Level and A-Level
- No third division in Matric
- UMT entrance test

Total Learning
Investment

Rs 849,000

For Further Details,
Please Contact: mth.cod@umt.edu.pk

BS Zoology

The BS Zoology program provides the scientific knowledge about the study of behavior, characteristics, evolutionary trends of the different species of animals and those factors that have a direct impact on them. It will equip students with skills in various disciplines ranging from molecular biology, through physiology and neurobiology. Students will attain necessary skills to collect, interpret, and critically analyze chemical data from laboratory experiments and the scientific literature.

MS Programs

- MS Biochemistry
- MS Biotechnology
- MS Chemistry
- MS Mathematics
- MS Physics

MS Biochemistry

The program is open to students who want to update their theoretical preparation or to test their disposition toward academic training. Core concepts and skills are taught through a sequence of core courses, along with the advanced electives carefully chosen in view of the fundamental applications of Biochemistry. The courses are designed for the students so that they learn the advanced methods in biochemistry, laboratory and literature-based research.

Web Link: <https://goo.gl/W66LJU>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA and GAT 50%
- No third division in entire academic career
- Interview

Total Learning
Investment

Rs 499,000

For Further Details,
Please Contact: ls.cod@umt.edu.pk

90

MS Biotechnology

The faculty offers students solid and full-depth knowledge of applied biotechnology which prepares them for exciting and rewarding careers in the fields of science and technology. The program facilitates the students to be a part of the biotech future by providing instruction and training in many of the biotech disciplines through courses, seminars, advanced electives, and case studies.

Web Link: <https://goo.gl/JNFqms>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA and GAT 50%
- No third division in entire academic career
- Interview

Total Learning
Investment

Rs 499,000

For Further Details,
Please Contact: ls.cod@umt.edu.pk

MS Chemistry

This graduate program engage students mainly in research related to the synthesis of new compounds, discovery of new reactions, elucidation of reaction mechanisms, discovering new principles, understanding naturally occurring substances working out theories of chemical bonding and reactivity, providing knowledge that will be written in the literature for your successors to learn about.

Web Link: <https://goo.gl/y0E8d7>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA and GAT/UGAT (General) 50%
- No third division in entire academic career
- Interview

Total Learning
Investment

Rs 499,000

For Further Details,
Please Contact: chm.cod@umt.edu.pk

MS Mathematics

Mathematics plays a very imperative role in the advancement of science and technology in the present times. Its role is inevitable in interdisciplinary sciences and social sciences as well. In this program, we aim to investigate new techniques and algorithms and computational analysis, with further emphasis on its applications in different disciplines.

Web Link: <https://goo.gl/tU8xQC>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA and GAT 50%
- No third division in entire academic career
- Interview

Total Learning Investment **Rs 399,000**

For Further Details,
Please Contact: mth.cod@umt.edu.pk

MS Physics

In this graduate program, students will be engaged mainly in research, along with initial broad training in fundamental core topics in Physics as the foundation of modern technologies. This program of study, while emphasizing on continued work in the field of basic physics, permits options in several applied physics specialties as well.

Web Link: <https://goo.gl/to3UoK>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of relevant education
- 4 years bachelor degree in relevant discipline with minimum 50% marks in annual system or 2.5/4.0 CGPA and GAT 50%
- No third division in entire academic career
- Interview

Total Learning Investment **Rs 399,000**

For Further Details,
Please Contact: phy.cod@umt.edu.pk

PhD Programs

- PhD Chemistry
- PhD Mathematics
- PhD Physics

PhD Chemistry

This research-focused PhD degree program in Chemistry gives students the chance to make discoveries in chemical science, biochemistry, organic chemistry, inorganic chemistry, material chemistry, nano chemistry and related disciplines. Students work on research topics in various fields of chemistry and report novel findings to contribute in designing the science for future.

Web Link: <https://goo.gl/1LLQ GK>

Program Summary

- Duration **03 years**
- Credit Hours **45**

Admission Requirements

- 18 years of relevant qualification with 3.0/4.0 CGPA
- NTS GAT 60%/University GAT (Subject) 70%
- No third division in entire academic career
- Interview

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: chm.cod@umt.edu.pk

PhD Mathematics

The program is designed to develop knowledge and research skills in various applied/pure mathematics areas. The candidates for this degree program can specialize in peristaltic flow problems, fluid dynamics, computational fluid dynamics, magneto hydrodynamics flows, heat and mass transfer analysis, computational mathematics, fuzzy algebra, cryptography, etc.

Web Link: <https://goo.gl/AWJFDv>

Program Summary

- Duration **03 years**
- Credit Hours **54**

Admission Requirements

- 18 years of relevant qualification with 3.0/4.0 CGPA
- NTS GAT 60%/University GAT (Subject) 70%
- No third division in entire academic career
- Interview

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: mth.cod@umt.edu.pk

PhD Physics

Physics is devoted to the study and understanding of nature. It is considered as the most fundamental science that deals with the constituents, properties and evolution of the entire universe. This program is designed to emphasize on preparing professionals to work in industry, atomic and space organizations, forensic science, meteorology, electronics, design and development engineering, and research laboratories.

School of Social
Sciences and Humanities
(SSS&H)

School of Social Sciences and Humanities (SSS&H)

Introduction

The School of Social Sciences and Humanities (SSS&H) is committed to produce graduates who have ability to apply new knowledge to solve indigenous social problems. All programs are capable of meeting the challenges posed by the modern technology that relies heavily on the use of computers, internet and social media. Under SSS&H, there is a wide range of departments and programs being offered.

The School encourages students to re-conceptualize learning in a given context through critical thinking, cooperative learning and applied research. Healthy interaction between teachers and students is a key ingredient of the School's approach to education. SSS&H regularly holds conferences, seminars and workshops on diverse social sector issues, where academicians, researchers and professionals share their knowledge and expertise.

Departments

- Department of Education
- Department of Gender Studies
- Department of Islamic Thought and Civilization
- Department of Political Science and International Relations
- Department of Psychology
- Department of Sociology
- Department of Special Needs Education

▶ For complete details, please visit: <http://ssh.umt.edu.pk/>

Undergraduate Programs

- BA Honors in Early Childhood Education
- BS Gender Studies
- BS Honors in Special Needs Education
- BS International Relations
- BS Political Science
- BS Psychology
- BS Social Work
- BS Sociology

BA Honors in Early Childhood Education

The BA Honors in Early Childhood Education degree aims to bring the students in streamline of modern education through rigorous training and skill building. It enables the graduates to enter the professional fields or pursue further higher education such as MS/MPHil and PhD in Education.

Web Link: <https://goo.gl/U8T7AE>

Program Summary

- Duration **04 years**
- Credit Hours **133**

Admission Requirements

- Minimum 45% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test

Total Program Fee

Rs 599,000

For Further Details,
Please Contact: edu.cod@umt.edu.pk

BS Gender Studies

The BS Gender Studies program exposes its graduates to historical, social, psychological, economic and political aspects which shape gender roles. This program focuses on intersectionality of gender with class, caste, race, ethnicity and sex for a better understanding of human interaction and existence. The program provides an insight into women's diverse contribution in all areas of human development and interaction.

Web Link: <https://goo.gl/WTmaFV>

Program Summary

- Duration **04 years**
- Credit Hours **134**

Admission Requirements

- Minimum 45% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test

Total Program Fee

Rs 599,000

For Further Details,
Please Contact: dgs.cod@umt.edu.pk

BS Honors in Special Needs Education

The program produces graduates to provide appropriate learning support to children with special needs. The curriculum and instructional methodology is supported by sign interpreters and benchmarked to international standards. The program is in conformity with the International Movement for Inclusive Education and the UN Convention on the Rights of Persons with Disabilities (UNCPRD).

Web Link: <https://goo.gl/dfkSh1>

Program Summary

- Duration **04 years**
- Credit Hours **130**

Admission Requirements

- Minimum 45% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test
- Interview

Total Program Fee

Rs 599,000

For Further Details,
Please Contact: sne.cod@umt.edu.pk

BS International Relations

The BS International Relations program is designed to help students comprehend the complex, dynamic, interdependent and interconnected world around them. BS International Relations at UMT aims to provide students essential analytical tools to explore the world and adjust their careers in many multinational institutions like the UN, UNDP, IGO, NGOs, etc.

Web Link: <https://goo.gl/WkM3P9>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- Minimum 45% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test

Total Program Fee

Rs 799,000

For Further Details,
Please Contact: psc.cod@umt.edu.pk

BS Political Science

The BS Political Science program is designed to streamline the education of political science in Pakistan and bring it in line with international standards. The course seeks to broaden the knowledge of graduates in diverse fields of political science. The students have a graduation degree which can be utilized for a career in various government sectors. Graduate students can appear for CSS, PCS examinations as well.

Web Link: <https://goo.gl/PMFMtc>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- Minimum 45% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence Certificate from IBCC in case of O-Level and A-Level
- UMT entrance test

Total Program Fee

Rs 799,000

For Further Details,
Please Contact: psc.cod@umt.edu.pk

BS Psychology

BS Psychology focuses on understanding the complexities of individual behavior in the perspective of social sciences. It introduces students to the basic concepts of psychology and offers areas of specialization such as clinical, counseling, organization, developmental health, forensic and social psychology.

Web Link: <https://goo.gl/C8nFKI>

Program Summary

- Duration **04 years**
- Credit Hours **133**

Admission Requirements

- Minimum 45% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT entrance test

Total Program Fee

Rs 899,000

For Further Details,
Please Contact: psy.cod@umt.edu.pk

BS Social Work

The BS Social Work program aims to develop leaders in the field who will be professionally sound and ethically sensitive to support vulnerable and needy people in society. This degree can lead to career opportunities in international organizations such as United Nations, international and national NGOs and social services departments in Pakistan.

Web Link: <https://tinyurl.com/yy2u4fpo>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- Minimum 45% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O Level and A Level
- UMT Entrance Test

Total Program Fee

Rs 699,000

For Further Details,
Please Contact: soc.cod@umt.edu.pk

BS Sociology

BS Sociology is a dynamic program that aims at providing students with a holistic understanding of the social processes shaping human experience. Through the variety of courses offered and the state-of-the-art teaching methods employed, students are supported to become critical thinkers and change makers in the social context. Emphasis is placed on enhancing their employability in relevant fields.

Master Programs

- B Ed (1.5 Year)
- MSc Psychology

MS/MPhil Programs

- MS Security and Strategic Sciences
- MPhil Education
- MPhil Educational Leadership and Management
- MPhil International Relations
- MPhil Islamic Studies (Specialization in Seerat un Nabi SAW)
- MPhil Islamic Thought and Civilization
- MPhil Political Science
- MPhil Psychology
- MPhil Sociology
- MPhil Special Education

B Ed

B Ed program is focused on the preparation of prospective teachers aligned with the HEC approved roadmap and curriculum. It will provide ample opportunities to endow the prospective teachers through their professional development to meet the national standards of teacher preparation. It also helps to explore further avenues for the development of professional and academic knowledge to meet professional ambitions.

Web Link: <https://tinyurl.com/y266antp>

Program Summary

- Duration **1.5 year**
- Credit Hours **54**

Admission Requirements

- 16 years education with minimum 45% marks in annual system or 2.0 CGPA.
- No third division in Matric
- MA/MSc or BA/BS (Hons) or equivalent (16 years of Education)
- Credit hours of students enrolled in the same program at other institutes can be transferred

Total Program Fee

Rs 199,000

For Further Details,
Please Contact: edu.cod@umt.edu.pk

MSc Psychology

The Master of Science in Psychology caters for the needs of higher education in psychology for those students who have 2 years BA/ BSc degree. MSc in Psychology, being equal to BS Psychology in terms of years of education in Psychology, as well as in knowledge and expertise. The program is a blend of theory and practicum.

Web Link: <https://goo.gl/CVp5Y0>

Program Summary

- Duration **02 years**
- Credit Hours **70**

Admission Requirements

- BA/BSc with Psychology/Applied Psychology as elective course 45% marks in annual system or 2.0 CGPA in previous degree
- Interview

Total Program Fee

Rs 399,000

For Further Details,
Please Contact: psy.cod@umt.edu.pk

MS Security and Strategic Sciences

The program aims at developing knowledge and providing research and learning opportunities in the field of Security and Strategic Studies. The program provides a broad perspective and acute theoretical insight to its students so that they can analyze contemporary and emerging security issues and be able to offer innovative solutions for global peace and security, harmony and cooperation.

Web Link: <https://goo.gl/P3uqby>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- Minimum 50% marks in annual system or 2.5 CGPA in semester system in relevant degree
- No third division in entire academic career
- UMT GAT with 50% marks
- Interview

Total Program Fee

Rs 249,000

For Further Details,
Please Contact: psc.cod@umt.edu.pk

MPhil Education

The program focuses on extending knowledge and research expertise through scientific inquiry. It is designed to enhance the intellectual capacity for advanced research and to accomplish this objective, the program offers challenging curricula, a variety of teaching-learning methodologies and a supportive academic environment.

Web Link: <https://goo.gl/P3uqby>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- MA Education/Special Education
- Minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- UMT GAT with 50% marks
- Interview

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- Minimum 50% marks in annual system or 2.5 CGPA in semester system in relevant degree
- No third division in entire academic career
- UMT GAT with 50% marks
- Interview

Total Program Fee

Rs 399,000

For Further Details,
Please Contact: psc.cod@umt.edu.pk

MPhil Psychology

MPhil Psychology is designed to equip research scholars with the knowledge-base and research expertise in applied areas of psychology, both through course work and research. Moreover, the primal focus of the program is to cultivate research culture while emphasizing on indigenous psychological research and to propose the required indigenous solutions to the problems faced by the Pakistani society.

Web Link: <https://goo.gl/iGSdPB>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education in Psychology; MSc in Applied Psychology, BS (Honors) in Psychology, Bachelor of Sciences
- Minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- UMT GAT with 50% marks
- Interview

Total Program Fee

Rs 399,000

For Further Details,
Please Contact: psy.cod@umt.edu.pk

MPhil Sociology

The MPhil Sociology program aims at enabling students to engage in cutting-edge research and to initiate meaningful social change. Recognizing the need for studying social phenomena through an intersectional approach, the department encourages interdisciplinary approach through the variety of courses it offers, preparing students for a range of jobs.

Web Link: <https://goo.gl/PpC0Yt>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- At least 16 years of education (Masters or a 4 year BS) in Sociology or a related discipline
- Minimum 50% marks in the annual system or 2.5 CGPA in the semester system
- No third division in entire academic career
- UMT GAT with 50% marks
- Interview

Total Program Fee

Rs 399,000

For Further Details,
Please Contact: soc.cod@umt.edu.pk

MPhil Special Education

MPhil Special Education is uniquely designed to cater the needs of consultants, researchers and academic leaders in the field of special education. This program mounts a strong commitment to excellence in teacher education and professional development. The curriculum and instructional methodology are benchmarked to international standards.

Web Link: <https://goo.gl/S4I0du>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- Master degree in Special Education/Psychology/Education
- Minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- UMT GAT with 50% marks
- Interview

School of Systems
and Technology (SST)

School of Systems and Technology (SST)

Introduction

The School of Systems and Technology (SST) at UMT aims to generate a continuous stream of new scientific and technical knowledge meant to attract young, talented men and women and transform them into leaders of tomorrow's technology organizations. The School strives to create a culture that attracts, develops, and retains the best available scientific and technical minds. SST encourages its faculty members and participants to undertake research and development while engaging themselves in collaborative work with industry. Subsequently, the pedagogical culture at SST inspires the participants to keep a deep insight into real-world problems and strive to find integrated solutions for the industry. In its relentless pursuit for excellence, SST endeavors to continuously improve and transcend in terms of its teaching and research by having a sharp focus on faculty development and infrastructure enhancement.

Faculty members along with the participants are proactively encouraged to utilize the School's training facilities for self-development and by undertaking research and consultancy projects. The laboratory facilities offered are state-of-the-art and are subject to rapid expansion.

BS Artificial Intelligence

Artificial Intelligence (AI) attempts to build artificial systems that have intelligent behavior. It aims to understand natural intelligence and provides techniques and technology for building systems. Applications of AI range from 'smart' controllers for household devices to computers that can converse in English, play games, conduct intelligent web searches or act as the brain of a robot.

Program Summary

- Duration **04 years**
- Credit Hours **133**

Admission Requirements

- At least 50% Marks in Intermediate (HSSC) examination or equivalent qualification certified by IBCC
- No third division in Matric
- Equivalence certificate from IBCC in case of O Level, A-Level, American High School Diploma or any other foreign qualification
- 50% marks in NAT/Admission test

Total Learning
Investment

Rs 1,199,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

BS Computer Science

The BS program in Computer Science focuses on developing graduates with solid theoretical and practical basis and covers a wide range of topics. It provides a unique breadth to participants that is necessary for a comprehensive foundation needed by a computer scientist. It encompasses all the academic and practical knowledge required for cutting-edge applications and technologies.

Web Link: <https://goo.gl/KhQXz4>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- At least 50% marks in Intermediate (HSSC) examination or equivalent qualification certified by IBCC
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level, A-Level, American High School Diploma or any other foreign qualification
- 50% marks in NAT/Admission test

Total Learning
Investment

Rs 1,449,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

BS Computing and Data Science

The BS Computing and Data Science program essentially puts an emphasis on data science from a computing perspective. It has been designed to equip the students with cutting-edge knowledge to foster the evolving need of computer technologies demanding smart and versatile use of data.

Web Link: <https://goo.gl/xaxQ38>

Program Summary

- Duration **04 years**
- Credit Hours **133**

Admission Requirements

- At least 50% marks in Intermediate (HSSC) examination or equivalent qualification certified by IBCC
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level, A-Level, American High School Diploma or any other foreign qualification
- 50% marks in NAT/Admission test

Total Learning
Investment

Rs 1,199,000

For Further Details,

BS Informatics

(Program will not be Offered Fall 2020)

The BS Informatics program offers set of core courses that introduce the fundamentals of informatics, software and social analysis of computerization. It is designed to prepare students to be agents of change in the undergoing transition to a completely new networking paradigm that is emerging from competing technologies, standards and business models.

Web Link: <https://goo.gl/PiRNsC>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- At least 50% marks in Intermediate (HSSC) examination with Mathematics or equivalent qualification with Mathematics certified by IBCC
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level, A-Level, American High School Diploma or any other foreign qualification
- 50% marks in NAT/Admission test

Total Learning Investment

Rs 1,099,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

BS Information Technology

Information Technology (IT) is a multifaceted field, and requires multidisciplinary perspectives. In order to apply technology effectively, a broad range of subjects are covered, such as web technologies, multimedia and database systems, business management technology, data communication and networking, software design, and enterprise wide solution development.

Web Link: <https://goo.gl/nb7hm1>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- At least 50% marks in Intermediate (HSSC) examination with Mathematics or equivalent qualification with Mathematics certified by IBCC
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level, A-Level, American High School Diploma or any other foreign qualification
- 50% marks in NAT/Admission test

Total Learning Investment

Rs 1,199,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

BS Software Engineering

The BS Software Engineering (SE) program focuses on a range of topics that are essential to the SE agenda i.e. problem modeling and analysis, software design, software verification and validation, software quality, software processes, project management, etc. The program has been designed with an emphasis on hands-on experience of all the stages for effective software design and development.

Web Link: <https://goo.gl/G7CW3K>

Program Summary

- Duration **04 years**
- Credit Hours **132**

Admission Requirements

- At least 50% marks in Intermediate (HSSC) examination with Mathematics or equivalent qualification with Mathematics certified by IBCC
- No third division in Matric
- Students with pre-medical are eligible with two maths deficiency courses
- Equivalence certificate from IBCC
- 50% marks in NTS/UMT entrance test

Total Learning Investment

Rs 1,449,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

MS Computer Science

MS Computer Science is an intensive program which is intended for people who wish to broaden and deepen their understanding of computer science. UMT provides a unique opportunity to develop leading-edge in-depth knowledge of specific computer science disciplines and prepares students in the concepts and techniques related to the design, programming and application of computing systems.

Web Link: <https://goo.gl/wCk9av>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 4 year Bachelor degree in relevant discipline
- Minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- GAT/NAT/UMT admission test
- Interview

Total Learning Investment

Rs 549,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

MS Information Security

MS Information Security degree program aims to develop core competencies in the fields of computer networks security, application security, and information security management. Students also have the opportunity to learn the technical aspects of information security by understanding current threats and vulnerabilities and examining ways of developing effective countermeasures.

Web Link: <https://tinyurl.com/yyhe6nqz>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 4 year Bachelor degree in relevant discipline
- Minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- GAT/NAT/UMT admission test
- Interview

Total Learning Investment

Rs 549,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

MS Information Technology

MS Information Technology focuses on training students in the core concepts of computing and business, so that graduates can develop successful careers in management positions that require deep technical skills. The coursework is designed to meet the needs of students who want to build a strong background in information systems and the application of information and communications technologies in business.

Web Link: <https://goo.gl/CfLoYv>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 4 year Bachelor degree in relevant discipline
- Minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- GAT/NAT/UMT admission test
- Interview

Total Learning Investment

Rs 549,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

MS Software Engineering

MS Software Engineering prepares students for a professional career in software development. The program exposes students to the complete life-cycle of computer application development, including abstraction, modeling and algorithm development, leveraging computer systems, programming languages, development frameworks, and software development techniques and processes.

Web Link: <https://goo.gl/XNDI6B>

Program Summary

- Duration **02 years**
- Credit Hours **30**

Admission Requirements

- 4 year Bachelor degree in relevant discipline
- Minimum 50% marks in annual system or 2.5 CGPA in semester system
- No third division in entire academic career
- GAT/NAT/UMT admission test
- Interview

Total Learning
Investment

Rs 549,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

PhD Computer Science

The Doctor of Philosophy (PhD) program in Computer Science enables students to conduct independent research in any field within the domain of Computer Science. The PhD in Computer Science is a research degree which culminates into a unique dissertation that demonstrates original and creative research. The doctoral program seeks individuals who have a keen interest in research, who have open inquiry mindset and a desire to contribute to knowledge.

Web Link: <https://goo.gl/UbGo5r>

Program Summary

- Duration **03 years**
- Credit Hours **54**

Admission Requirements

- MS/MPhil of relevant qualification
- 3.0/4.0 CGPA
- No third division in entire academic career
- GAT Subject with 60% score/UMT Test with 70% score
- Interview

Total Learning
Investment

Rs 699,000

For Further Details,
Please Contact: info.sst@umt.edu.pk

School of Textile and
Design (STD)

School of Textile and Design (STD)

Introduction

The School of Textile and Design (STD) at the University of Management and Technology (UMT) offers BS degree programs in fashion design, textile design, graphic design, and interior design, MS degree programs in textile, and graphic design and PhD program in textile. The faculty members possess educational experience that is equivalent to leading international universities. The curriculum for each program has its own distinct features. However, common threads of design and problem solving have been woven into the fabric of the curricula to ensure that each participant receives the very best education tailored to the needs of the industry and academia. The programs offered by STD are aimed at preparing graduates for regional as well as global job places. The degree programs emphasize on learning through effective use of technology, information resources and communication methods, along with inculcation of leadership qualities anchored in ethical and moral principles.

Departments

- Department of Design
- Department of Textile Engineering

For complete details, please visit: <http://std.umt.edu.pk/>

Undergraduate Programs

- Bachelor of Fashion Design (BFD)
- Bachelor of Graphic Design (BGD)
- Bachelor of Interior Design (BID)
- Bachelor of Textile Design (BTD)
- BS Textiles (BSTEX)

MS Programs

- MS Textiles (MSTX)
- MS Graphic Design (MSGD)
(Not offered in Fall 2020)

PhD Program

- PhD Textile (PhD TX)

Bachelor of Fashion Design (BFD)

Fashion design industry, over the years, has grown into a profitable profession. The degree program focuses on the balance between the conceptual and industry related fashion design through research and development of innovative and creative fashion design practices. The challenging and engaging studio based projects help participants to explore and gain multi-layered global experience with academics and key industry figures.

Web Link: <https://goo.gl/Wif00M>

Program Summary

- Duration **04/06 years**
- Credit Hours **130**

Admission Requirements

- Minimum 50% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT drawing test

Total Learning Investment

Rs 999,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

Bachelor of Graphic Design (BGD)

This program focuses on the learning of communication skills through building relationship between text and images. A vast range of subjects from history of design to the modern typography equips students to creatively manage design campaign with a signature style. Learning the modern digital tools also makes them communicate better. The program focuses on concept development and application.

Web Link: <https://goo.gl/Pzmnv0>

Program Summary

- Duration **04/06 years**
- Credit Hours **132**

Admission Requirements

- Minimum 50% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT drawing test

Total Learning Investment

Rs 999,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

Bachelor of Interior Design (BID)

The Bachelor of Interior Design typically teaches students to creatively design and handle residential and commercial spaces. Throughout the course, students participate in studio sessions, and learn to solve design issues with a variety of settings. An environment is created at the studio where individuals can develop their ability to apply design which results into a creative and purposeful interior environment.

Web Link: <https://goo.gl/3zUdqF>

Program Summary

- Duration **04/06 years**
- Credit Hours **129**

Admission Requirements

- Minimum 50% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT drawing test

Total Learning Investment

Rs 999,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

Bachelor of Textile Design (BTD)

The Bachelor of Textile Design provides students with an in-depth understanding of creation and functional utilization of various textiles. The courses of the program offer detailed and in-depth knowledge of design developing textile sculptures, surface textile design, mixed media textiles and constructed textiles fulfilling the demands of home and fashion design industries.

Web Link: <https://goo.gl/CLDDkC>

Program Summary

- Duration **04/06 years**
- Credit Hours **127**

Admission Requirements

- Minimum 50% marks at Intermediate level or equivalent
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level
- UMT drawing test

Total Learning Investment

Rs 999,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

BS Textiles (BSTEM)

BS Textiles (BSTEM) with specialization in Garment Manufacturing will help the garment industry of Pakistan to get its due share in the world trade by improving its overall performance. The program aims to equip the participants with the latest concepts of technology and creative research oriented approach for pursuing higher education anywhere in the world.

Web Link: <https://tinyurl.com/y2mzdzv>

Program Summary

- Duration **04 years**
- Credit Hours **130**

Admission Requirements

- Minimum 50% marks at Intermediate level or equivalent with Physics, Mathematics, Chemistry/Computer Science subjects
- No third division in Matric
- Equivalence certificate from IBCC in case of O-Level and A-Level

Total Learning Investment

Rs 999,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

MS Textiles (MSTX)

This advanced level program equips graduate students with strong technical knowledge of textiles, enabling them to critically analyze problems faced by textile industry. It also enables them to conduct research to find innovative solutions to new and recurring problems.

Web Link: <https://goo.gl/xHDNce>

Program Summary

- Duration **02/03 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education in Textile Engineering or an allied line, with minimum CGPA 2.50 out of 4.00 or equivalent in semester system or 50% in annual system
- No third division in entire academic career
- NTS-GAT (General) 50% marks or equivalent with a valid result at the time of admission

Total Learning Investment

Rs 499,000

For Further Details,
Please Contact: te.cod@umt.edu.pk

MS Graphic Design (MSGD)

MS Graphic Design program explores the ever-changing landscape of graphic design to build critical understanding, individual design thinking processes, practical experiences and insightful design solutions. Aiming to help the participants establish their own graphic design research and practice against the backdrop of creative industries in the contemporary visual culture. The course offers areas of specialization in typography, branding, motion graphics and book design, and digital interactive experiences.

Web Link: <https://goo.gl/CC0bKS>

Program Summary

- Duration **02/03 years**
- Credit Hours **30**

Admission Requirements

- 16 years of education in Graphic Design or an allied line, with minimum CGPA 2.50 out of 4.00 or 50% in annual system
- No third division in entire academic career
- NTS-GAT (General) 50% marks or equivalent with a valid result at the time of admission
- UMT-Written Test

Total Learning
Investment

Rs 424,000

For Further Details,
Please Contact: de.cod@umt.edu.pk

PhD Textile (PhD TX)

The PhD Textile aims to enable the candidates in conducting research for inventing and innovating solutions for ever-increasing problems of the textile industry, as well as invent newer products and methods for the future. The graduates of PhD Textile program will be able to join academia in faculty positions, textile industry, research institutions, and government and non-governmental organizations as technical experts and advisors, and research scientists.

Web Link: <https://goo.gl/vkd9dy>

Program Summary

- Duration **04/05 years**
- Credit Hours **45**

Admission Requirements

- 18 years of education in Textile Engineering or an allied line, with minimum CGPA 3.00 out of 4.00 or equivalent in semester system or 60% in annual system
- No third division in entire academic career
- NTS-GAT (Subject) with minimum 60% marks or equivalent with a valid result at the time of admission
- Interview

Total Learning
Investment

Rs 599,000

For Further Details,
Please Contact: te.cod@umt.edu.pk

Institute of Aviation
Studies (IAS)

Institute of Aviation Studies (IAS)

Introduction

The Institute of Aviation Studies (IAS) has been established to fulfill global demands of aviation industry to produce competent professionals. The programs offered by IAS are based on management and maintenance technology under state-of-the art facilities i.e. BS Aviation Management (BS AM) and BSc Aircraft Maintenance Engineering Technology (BSc AMET). These programs are fortified with relevant studies for Flight Operation Officer/Flight Dispatcher License (FOO/FD) and Aircraft Maintenance Engineering License, which provides an opportunity to attain a recognized industry qualification whilst studying for the degree.

Pakistan Civil Aviation Authority (PCAA) has declared UMT-IAS as an Approved Training Organization (ATO). UMT has also set up two flight simulators; one on the main campus for IAS students for imparting basic flight and airport operations and Air Traffic Control (ATC) has also been established for training as a part of their studies. The second simulator is approved by the Federal Aviation Agency (FAA) and Pakistan Civil Aviation Authority (PCAA), at UMT's on airport campus named as, 'Walton Aviation Training School (WATS)' at Walton Airport, Lahore, for professional pilots.

BSc Aircraft Maintenance Engineering Technology offered at IAS is one of the first programs of its kind to be awarded with provisional permission after successful zero-visit conducted by National Technology Council.

UMT has collaboration with professional institutions like Anhalt University, Germany for Masters in Logistics and Aviation Management. International Air Transport Association (IATA) has also approved UMT-IAS to join IATA's global training partner network as an IATA Authorized Training Center (ATC) and allocated IATA ATC 3-letter code as UMT. One of the big achievements of UMT-IAS is the successful collaboration with Aydin University, Turkey for the student exchange program.

▶ For complete details, please visit <http://ias.umt.edu.pk/>

Undergraduate Programs

- BSc Aircraft Maintenance Engineering Technology (AMET)
- BS Aviation Management (AM)

BSc Aircraft Maintenance Engineering Technology (AMET)

BSc AMET is based on essentials of aircraft maintenance with emphasis on aircraft design along with the skills and understanding regarding the role of maintenance management. An integral part of the degree are the EASA(Part-66) B1.2 & B3 license modules. License relevant category examinations are held through EASA approved maintenance training organization AERO-Bildung, Germany. Additionally, students gain 3 years of hands-on experience while working in operational aircraft maintenance environment.

Institute of Clinical
Psychology (ICPY)

Institute of Clinical Psychology (ICPY)

Introduction

Ever since the upgradation of ICP, there has been greater opportunity to offer a wide range of clinical specialization courses. A variety of programs have been developed that provide a continuous and contiguous teaching and training leading to a professional qualification. In addition to the MS programs in Clinical and Counseling Psychology, ICP is planning to develop a variety of specialized programs of teaching and learning like Health Psychology, Sports Psychology and School Psychology. There are plans to continue research and clinical studies in all the programs offered by ICP to ensure indigenous and empirical knowledge in these areas.

The ICP is also providing clinical counseling service to all the students and staff of UMT. This service is free and is provided on demand at short notice.

For complete details, please visit <http://icp.umt.edu.pk/>

BS Programs

- BS Clinical Psychology

MS Programs

- MS Clinical Psychology
- MS Counseling Psychology

PhD Program

- PhD in Clinical Psychology (Not offered in Fall 2020)

BS Clinical Psychology

BS Clinical Psychology ensures that the student is provided with accurate knowledge, understanding and the scope of clinical psychology. The program develops skills and scientific approach to understanding behavior.

Program Summary

- Duration **04 years**
- Credit Hours **136**

Admission Requirements

- Intermediate or equivalent qualification with minimum 50% marks
- In case of O-level, A-Level, American High School Diploma or any other equivalent foreign qualification with 50% marks or grades etc
- 50% passing marks in NAT/admission test and interview are required for admission
- No third division in entire academic career

Total Program Fee

Rs 999,000

For Further Details,
Please Contact: dir.icpy@umt.edu.pk

136

MS Clinical Psychology

It is the flagship program of clinical training with nearly 50 years of experience in teaching, training and practicing clinical psychology. A substantial amount of culture specific knowledge-base has been created and a number of indigenous tests and assessment procedures for children, adolescents, adults and the elderly have been developed.

Web Link: <https://goo.gl/ZjtZmB>

Program Summary

- Duration **02 years**
- Credit Hours **48**

Admission Requirements

- BS (Hons) in Psychology with CGPA of 2.5 or 50% marks in case of annual system or MSc Psychology with 1st Division, 60% marks from a reputable and HEC recognized University
- Institute's admission test that is based on Clinical Psychology, research and statistics
- No third division in entire academic career
- GAT/UMT Test
- Interview

Total Program Fee

Rs 699,000

For Further Details,
Please Contact: dir.icpy@umt.edu.pk

MS Counseling Psychology

This program leads to a recognized qualification as a counseling psychologist. It is both theory and practice orientated. A substantial part of the training is assigned to learning research techniques and methods. Acquisition of practical counseling skills are emphasized through counseling case studies.

Web Link: <https://goo.gl/GvChRK>

Program Summary

- Duration **02 years**
- Credit Hours **48**

Admission Requirements

- BS (Hons) in Psychology with CGPA of 2.5 or 50% marks in case of annual system or MSc Psychology with 1st Division, 60% marks from a reputable and HEC recognized University
- Institute's (ICP-UGAT) admission test that is based on Counseling Psychology, research and statistics
- GAT/UMT Test
- Interview
- No third division in entire academic career

Total Program Fee

Rs 449,000

For Further Details,
Please Contact: dir.icpy@umt.edu.pk

PhD in Clinical Psychology

The structure and contents of PhD in Clinical Psychology are in accordance with the HEC regulations. The course work provides a thorough understanding of research methods and the latest perspectives on clinical research. Specializations are also offered in selected areas.

Web Link: <https://goo.gl/Z4RfQq>

Program Summary

- Duration **3 years (minimum)**
- Credit Hours **18+Thesis**

Admission Requirements

- MS or MPhil in Clinical Psychology with CGPA of 3.0/4.00 or 1st Division 60% marks from a reputable and HEC recognized university
- GAT (subject) is compulsory to pass
- Candidates having professional experience will be preferred
- Institute's admission test and interviews are compulsory to pass
- No third division in entire academic career
- Personal suitability is essential

Total Program Fee

Rs 599,000

Institute of Islamic
Banking (IIB)

Institute of Islamic Banking (IIB)

Introduction

Recognizing the need for human resource development in the expanding field of Islamic Banking, UMT has taken the lead in establishing the Institute of Islamic Banking (IIB) which is committed to the noble task of dissemination of knowledge in the emerging area of Islamic Banking and Finance. The IIB activities and programs are geared towards becoming a leading source of education, research and information in Islamic banking. Moreover, IIB has launched a refereed annual journal called Islamic Banking and Finance Review. To cultivate research culture, IIB organizes Global Forums on Islamic Economics, Finance and Banking (IEFB) on regular basis where renowned Islamic scholars, Shariah advisors, and bankers share their wisdom on the most emerging issues in Islamic Banking and Finance.

Institute of
Liberal Arts (ILA)

Institute of Liberal Arts (ILA)

Introduction

The liberal arts are concerned with essential humanistic skills and talents that are harder to quantify – such as effective verbal communication and strong writing ability, critical thinking, analytical acumen, creativity and eye to detail – rather than applied skills, such as the ability to repair machines or manufacture hand sanitizers. The liberal arts traditionally include all non-vocational, non-applied disciplines including areas such as literature, languages, philosophy, history, cultural studies, mathematics, and theoretical sciences.

In our present world, humanity has a heavy burden on its shoulders. The reason is obvious: the contours of knowledge shift in the blink of an eye in a world where social media and the internet play a major role. Our primary burden in the academia now is to develop and nurture the ability to analyze and make sense of these rapid transformations. This is to be done by reflection, research, and intellectual enquiry. A liberal arts degree aims at grooming a young intelligentsia that is informed and intellectually sophisticated, an intelligentsia that possesses a robust historical consciousness and a developed sense of its global bearings.

The Institute of Liberal Arts (ILA) at the University of Management and Technology is a unique emergence on Pakistan's educational horizons that promises to create a new generation of informed thinkers, writers, and professionals in multiple fields. The ILA offers several degree programs: BA in Liberal Arts, BS in English Literature, BS in English Language and Linguistics, MA in English, MPhil in Applied Linguistics, MPhil in English Literature, and PhD in English Literature/Linguistics. The Institute has on its faculty many highly qualified instructors, some of them with postgraduate degrees from Harvard and Graduate Theological Union, Berkeley. With the support of Computer Assisted Learning (CAL), supplemental materials for the curriculum, and specialized software (Moodle), ILA practices cutting-edge pedagogical techniques. A host of scholarly activities are an integral part of the ILA culture—these include seminars, lectures by world scholars, exhibitions, and workshops.

▶ For complete details, please visit: <http://ila.umt.edu.pk/>

Undergraduate Programs

- BA in Liberal Arts
- BS (Hons) in English Language and Linguistics
- BS (Hons) in English Literature
- MA in English (Not offered in Fall 2020)

MS/MPhil Programs

- MPhil in Applied Linguistics (Weekend)
- MPhil in English Literature

PhD Programs

- PhD in English Literature/Linguistics (Not offered in Fall 2020)

Bachelor of Liberal Arts

The BA in Liberal Arts aims to equip the students with a broad base of knowledge and a rigorous intellectual and language training. Students will be introduced to courses under three streams: Literature, History, and Philosophy. Graduates of the program will have the credentials to pursue a career in any field, including policy research, academia, NGOs, media etc.

- UMT GAT with 70% marks
- Interview

Total Program Fee

Rs 499,000

For Further Details,
Please Contact: saba.aftab@umt.edu.pk

The background features a complex, low-poly geometric pattern. The colors transition from dark purple and black at the top and right edges to a vibrant magenta and red in the center, and finally to a deep red and black at the bottom. The overall effect is a dynamic, crystalline texture.

UMT Sialkot

UMT Sialkot

Introduction

UMT is the first private sector university to establish the HEC approved sub-campus in Sialkot, the city also known as 'The Great City of Iqbal' which is rich in various sectors that include modern industries such as surgical instruments production, flour mill, readymade garments, sporting goods, leather goods, and musical instruments. It is also worth mentioning that Sialkot has the distinction of having a private international airport and 'SIAL' airlines owned by Sialkot Chamber of Commerce and Industry.

UMT Sialkot Campus is housed in a beautifully constructed, architectural iconic tower which is a pride in itself for being the tallest tower in the town, named as 'Pride of Sialkot.'

UMT Sialkot Campus was formally opened on May 2, 2012. The 20 kanal campus provides several multimedia classrooms, laboratories, computer labs equipped with state-of-the-art computers, campus wide Wi-Fi internet facility, and well-stocked learning resources.

UMT Sialkot Campus is serving the higher education needs of the learning community of this region. The campus is situated in downtown and well-furnished according to academic standards and requirements including multimedia classrooms and high-tech computer labs.

We are honored to achieve another milestone in the history of UMT Sialkot Campus, embarking on expanding a new campus, 'The Iqbal Campus' at Daska Road, Sialkot. It is an expanded and upgraded campus, in order to accommodate more students with quality education tailored to their individual needs and aspirations. UMT aims to prepare students for rigorous and globally focused education in line with the personal, professional and ethical norms in order to enable our students succeed and stand out in their future endeavors.

UMT offers undergraduate, graduate and MS/MPH level programs. More than 1800+ students are currently studying at the Sialkot Campus. The Sialkot Campus provides excellent atmosphere, conducive for meaningful learning and valuable research.
