## Highlights

Message from Director TKS

TKS community has rejoined after summer break, I want to extend my warmest welcome to both our existing and the new Network Associates to our TKS family.

At TKS Head Office, we believe in fostering an environment that encourages curiosity, creativity, and a passion for learning. Our dedicated team of subject specialists is committed to provide the best possible resources for our teachers, coordinators, principals and NWAs.

We believe that the future of the country lies in the hands of the youth of the nation and their contributions as responsible and well-groomed adults. It suffices to say that education in a person's early years plays a pivotal role in shaping balanced and mature citizen.

Thus, I would like to end with message of unity and purpose; working together for the same goal, we continue to be capable of great deeds and remarkable accomplishments in the world of education. Striving together regardless of trials and tribulations is a necessary requirement for us all to realise the ultimate goal for the betterment of the people of this country.
